Sins Of The Mother TJ Lee, 2022-11-18 Fall in love with my step brother Arranged marriage to the mafia Have a baby the father knows nothing about Sleep with my bodyguard I could go on further with my list of cliche d travesties but that would give my story away To put it simply my mother only ever cared about money She kept me from my dad for the money She pushed me to date my boyfriend for the money She forced me to get back together with him after I dumped him for the money She forced me to marry him and lie about my baby for the money She trapped me in a life I never wanted for the Sins of the Mothers Saundra Akers, 2012-11 money My mother sinned against the mafia and I would forever pay for it Rita Carter surprises her therapist by insisting that she is her own Great Grandmother This forces the therapist to treat not just Rita but her ancestors as well as she tries to get to the bottom of Rita's problems in the present time Sins of the Mothers is a fictional narrative inspired by true events What we do in life matters to those who come after us even though we may think it is our business and we should be able to act any way we want Our choices affect not only us but will affect our children and those around us as well as those who are born long after our time on this earth We all make both good and bad choices just as the characters in this work of historical fiction do **Sins of the Mothers** Bryan M. mother who was separated from her family and fled and the torture that remained with her forever These are the memoirs as told to me by my mother I have attempted to tell her story as accurately as she presented them to me piecing together her own written journals along with various anecdotes that supplemented and peppered stories over my lifetime without embellishing by interposing my own interpretations of events This is not a suspense novel although certainly the events recounted herein were suspenseful to those who experienced them They certainly sounded suspenseful to me as I heard and read them So as to avert embarrassment to anyone reading these words I have on occasion chosen to use pseudonyms while trying to keep the gist of the story true to form My mother was French and occasionally some French words and phrases appear throughout the text I have included translations wherever appropriate She also lived and studied in Italy before moving to Israel and eventually to the United States Again where words and phrases are included in those languages and I have included translations to the best of my ability The Mother's Magazine and Family Circle Abigail Goodrich Whittelsey, Darius Mead, Elizabeth Sewell, Maria C.
