Sir Walter Raleigh By Lacey Robert

John May

Sir Walter Raleigh By Lacey Robert:

Sir Walter Raleigh Robert Lacey,1979 Chronicles the events of Raleigh s colorful life and provides insight into his temperament and ambitions in this penetrating portrait **Walter Raleigh's History of the World and the Historical Culture of the Late Renaissance** Nicholas Popper,2022-12-22 Imprisoned in the Tower of London after the death of Queen Elizabeth in 1603 Sir Walter Raleigh spent seven years producing his massive History of the World Created with the aid of a library of more than five hundred books that he was allowed to keep in his quarters this incredible work of English vernacular would become a best seller with nearly twenty editions abridgments and continuations issued in the years that followed Nicholas Popper uses Raleigh s History as a touchstone in this lively exploration of the culture of history writing and historical thinking in the late Renaissance From Popper we learn why early modern Europeans ascribed heightened value to the study of the past and how scholars and statesmen began to see historical expertise as not just a foundation for political practice and theory but as a means of advancing their power in the courts and councils of contemporary Europe The rise of historical scholarship during this period encouraged the circulation of its methods to other disciplines transforming Europe s intellectual and political regimes More than a mere study of Raleigh s History of the World Popper s book reveals how the methods that historians devised to illuminate the past structured the dynamics of early modernity in Europe and England

The Two Walter Raleighs Fred B. Tromly,2018-12-10 Sir Walter Raleigh s biographers have given little attention to his tragic relationship with his son Wat Walter They began in proud identification each seeing himself in the other But after the father s political downfall and imprisonment for treason he lost his authority in the family and the son began to reject paternal advice and his studies and to engage in violent quarrels and duels Often the father used his influence to rescue his son from his rash acts Things came to a head after Wat was sued by a young woman for violent assault and imprisoned The aged Raleigh had been freed from the Tower to lead an expedition to Guiana and as recently discovered documents reveal he delivered his son from the law by commissioning him as a captain on his flagship ominously named the Destiny In a shared tragedy Wat was killed in a skirmish and the grieving Raleigh returned to England broken in spirit and ready for the execution that awaited him **The Founding of English America** John May,2024-05-24 In 1577 John Dee a scientist who served as an advisor to Queen Elizabeth I proposed to her the creation of colonies in the New World Neither Elizabeth nor Walter Raleigh imagined the task would be so difficult or take more than 30 years The effort started with an exploration of the coast of today s North Carolina and the settlement of a colony on Roanoke Island in 1585 This ended tragically and became known as The Lost Colony its fate a mystery to this day James I resumed the effort with the founding of Jamestown in 1607 on an island in the James River in today s Virginia This book relates the histories of the Roanoke and Jamestown colonies to enable a full understanding of the founding of English America Important events in America s beginnings including the wreck of the Sea Venture which inspired William Shakespeare s The Tempest the Algonquin chief Powhatan s

plans to make the newcomers useful to him and the relationship between Pocahontas and English Captain John Smith are highlighted

Paradise of the Damned Keith Thomson, 2024-05-21 A rollicking vividly re created and enticing romp that tells the true story of an obsessive quest to find El Dorado set against the backdrop of Elizabethan political intrigue and a competition with Spanish conquistadors for the legendary city's treasure all in a breezy tale starring an audacious hero Wall Street Journal As early as 1530 reports of El Dorado a city of gold in the South American interior beckoned to European explorers Whether there was any truth to the stories remained to be seen but the allure of unimaginable riches was enough to ensnare dozens of would be heroes and glory hounds in the desperate hunt Among them was Sir Walter Raleigh ambitious courtier confidant to Queen Elizabeth and before long El Dorado fanatic Entering the Elizabethan court as an upstart from a family whose days of nobility were far behind them Raleigh used his military acumen good looks and sheer audacity to scramble into the limelight Yet that same swagger proved to be his undoing as his secret marriage to a lady in waiting enraged Queen Elizabeth and landed him in the Tower of London Between his ensuing grim prospects at court and his underlying lust for adventure the legend of El Dorado became an unwavering siren song that hypnotized Raleigh On securing his release he journeyed across an ocean to find the fabled city gambling his painstakingly acquired wealth hard won domestic bliss and his very life What awaited him in the so called New World were endless miles of hot dense jungle packed with deadly flora and fauna warring Spanish conquistadors and Indigenous civilizations and other unforeseen dangers Meanwhile back at home his multitude of rivals plotted his demise **Paradise of the Damned** like Keith Thomson's critically acclaimed **Born to Be Hanged** brings this story to life in lush and captivating detail The book charts Raleigh's obsessive search for El Dorado as well as the many doomed expeditions that preceded and accompanied his providing not only an invaluable history but also a gripping narrative of traveling to the ends of the earth only to realize too late that what lies at home is the greatest treasure of all

Historical Dictionary of the Elizabethan World John Wagner, 2013-04-03 No period of British history generates such deep interest as the reign of Elizabeth I from 1558 to 1603 The individuals and events of that era continue to be popular topics for contemporary literature and film and Elizabethan drama poetry and music are studied and enjoyed everywhere by students scholars and the general public The **Historical Dictionary of the Elizabethan World** provides clear definitions and descriptions of people events institutions ideas and terminology relating in some significant way to the Elizabethan period The first dictionary of history to focus exclusively on the reign of Elizabeth I the Dictionary is also the first to take a broad trans Atlantic approach to the period by including relevant individuals and terms from Irish Scottish Welsh American and Western European history Editors Choice Reference

The Cultural Uses of the Caesars on the English Renaissance Stage Lisa Hopkins, 2016-03-16 Caesarian power was a crucial context in the Renaissance as rulers in Europe Russia and Turkey all sought to appropriate Caesarian imagery and authority but it has been surprisingly little explored in scholarship In this study Lisa Hopkins explores the way in which the stories of the Caesars and

of the Julio Claudians in particular can be used to figure the stories of English rulers on the Renaissance stage Analyzing plays by Shakespeare and a number of other playwrights of the period she demonstrates how early modern English dramatists using Roman modes of literary representation as cover commented on the issues of the day and critiqued contemporary monarchs **Shakespeare's Lost Kingdom** Charles Beauclerk,2011-02-08 A book for anyone who loves Shakespeare One of the most scandalous and potentially revolutionary theories about the authorship of these immortal works Mark Rylance First Artistic Director of Shakespeare s Globe Theatre It is perhaps the greatest story never told the truth behind the most enduring works of literature in the English language perhaps in any language Who was William Shakespeare Critically acclaimed historian Charles Beauclerk has spent more than two decades researching the authorship question and if the plays were discovered today he argues we would see them for what they are shocking political works written by a court insider someone with the monarch s indulgence shielded from repression in an unstable time of armada and reformation But the author s identity was quickly swept under the rug after his death The official history of an uneducated merchant writing in near obscurity and of a virginal queen married to her country dominated for centuries Shakespeare s Lost Kingdom delves deep into the conflicts and personalities of Elizabethan England as well as the plays themselves to tell the true story of the Soul of the Age Beauclerk s learned deep scholarship compelling research engaging style and convincing interpretation won me completely He has made me view the whole Elizabethan world afresh The plays glow with new life exciting and real infused with the soul of a man too long denied his inheritance Sir Derek Jacobi **Shakespeare and the Authorship of the Sonnets** Dennis Hirsch,2024-02-28 The persona of Edward de Vere represents a contrast to the canonical Stratfordian image of Shakespeare His adulterous affair with a teenage girl half his age his complicity in acts of treason against Queen Elizabeth and the bankruptcy of his earldom due to his lavish spending all combine to paint a picture of a man contrary to the Stratfordian ideal However it is this unattractive portrayal of him that supports the argument that de Vere wrote the sonnets since the sonnets themselves offer up underlying messages of ridicule deception avarice and sexual obsession that doggedly champion the author s own best interests above others This work presents an Oxfordian reading of the sonnets and the problematic life of Edward de Vere the 17th Earl of Oxford **The Facts on File Companion to British Poetry Before 1600** Michelle M. Sauer,2008 Some of the most important authors in British poetry left their mark on literature before 1600 including Geoffrey Chaucer Edmund Spenser and of course William Shakespeare The Facts On File Companion to British Poetry before 1600 is an encyclopedic guide to British poetry from the beginnings to the year 1600 featuring approximately 600 entries ranging in length from 300 to 2 500 words **Seamus Heaney and the Emblems of Hope** Karen Marguerite Moloney,2007 Explores Seamus Heaney s adaptation of the Celtic ritual known as the Feis of Tara demonstrates the sovereignty motif s continued relevance in works by Irish poets Thomas Kinsella John Montague Eavan Boland and Nuala Ni Dhomhnaill and refutes criticism that charges sexism and overemphasizes sacrifice in Heaney s poetry Provided by publisher

Voices of Shakespeare's England John A. Wagner, 2010-02-09 *Voices of Shakespeare's England* offers students and public library patrons over 50 primary documents that illuminate the character personalities and events of the Elizabethan and Jacobean periods *Voices of Shakespeare's England Contemporary Accounts of Elizabethan Daily Life* helps readers explore the era that produced among other things the world's greatest playwright It brings together excerpts from over 50 primary documents written in William Shakespeare's lifetime including letters literature speeches and polemics official reports and descriptive narratives *Voices of Shakespeare's England* includes the works of Shakespeare himself as well as other poets and playwrights but it also expands beyond the literary world to cover politics religion economics social change and the royal court By allowing Shakespeare's contemporaries to speak in their own voices it offers an illuminating look at the breadth of Elizabethan society including major historic events in England as well as Scotland Ireland the European continent and even the new world of America

Remembering the Early Modern Voyage M. Fuller, 2008-05-12 This book investigates the operations of memory over time through three case studies the famous anthology by Richard Hakluyt memorializing the feats of Elizabethan voyagers the eccentric autobiography of Captain John Smith and the little known history of early modern Newfoundland

The Seaforth Bibliography Eugene Rasor, 2009-04-17 This remarkable work is a comprehensive historiographical and bibliographical survey of the most important scholarly and printed materials about the naval and maritime history of England and Great Britain from the earliest times to 1815 More than 4 000 popular standard and official histories important articles in journals and periodicals anthologies conference symposium and seminar papers guides documents and doctoral theses are covered so that the emphasis is the broadest possible But the work is far far more than a listing The works are all evaluated assessed and analysed and then integrated into an historical narrative that makes the book a hugely useful reference work for student scholar and enthusiast alike It is divided into twenty one chapters which cover resource centres significant naval writers pre eminent and general histories the chronological periods from Julius Caesar through the Vikings Tudors and Stuarts to Nelson and Bligh major naval personalities warships piracy strategy and tactics exploration discovery and navigation archaeology and even naval fiction Quite simply no one with an interest and enthusiasm for naval history can afford to be without this book at their side

Philosophy and the Puzzles of Hamlet Leon Harold Craig, 2014-07-31 Shakespeare's famous play *Hamlet* has been the subject of more scholarly analysis and criticism than any other work of literature in human history For all of its generally acknowledged virtues however it has also been treated as problematic in a raft of ways In *Philosophy and the Puzzles of Hamlet* Leon Craig explains that the most oft cited problems and criticisms are actually solvable puzzles Through a close reading of the philosophical problems presented in *Hamlet* Craig attempts to provide solutions to these puzzles The posing of puzzles some more conspicuous others less so is fundamental to Shakespeare's philosophical method and purpose That is he has crafted his plays and *Hamlet* in particular so as to stimulate philosophical activity in the judicious as distinct from the unskillful readers By virtue of showing what so

many critics treat as faults or flaws are actually intended to be interpretive challenges Craig aims to raise appreciation for the overall coherence of Hamlet that there is more logical rigor to its plot and psychological plausibility to its characterizations than is generally granted even by its professed admirers Philosophy and the Puzzles of Hamlet endeavors to make clear why Hamlet as a work of reason is far better than is generally recognized and proves its author to be not simply the premier poet and playwright he is already universally acknowledged to be but a philosopher in his own right

English/British Naval History to 1815 Eugene L. Rasor, 2004-10-30 The English British have always been known as the sailor race with hearts of oak the Royal Navy as the Senior Service and First Line of Defense It facilitated the motto The sun never set on the British Empire The Royal Navy has exerted a powerful influence on Great Britain its Empire Europe and ultimately the world This superior annotated bibliography supplies entries that explore the influence of the English British Navy through its history This survey will provide a major reference guide for students and scholars at all levels It incorporates evaluative qualitative and critical analysis processes the essence of historical scholarship Each one of the 4 124 annotated entries is evaluated assessed analyzed integrated and incorporated into the historiographical scholarship

A Christopher Marlowe Chronology L. Hopkins, 2005-11-29 This new Chronology offers a unique and accessible overview of key dates relevant to Christopher Marlowe's life and works and enables readers to navigate their way through the various pieces of evidence for the hotly contested dating of his plays and poems Since Marlowe's plays often focus on real historical figures details of their lives are also included to allow readers to see what liberties Marlowe has taken in his dramatizations of their lives

Old World, New World Kathleen Burk, 2009 A history of the relationship between Great Britain and the United States ranges from the establishment of the first English colony in the New World to the present day examining both nations in terms of what connected them and what drove them apart

Francis Bacon Nieves Mathews, 1996-01-01 In 1621 Bacon fell from power as Lord Chancellor the highest position in the land Charged with accepting bribes he was convicted fined imprisoned and exiled from the Court He died five years later disgraced and deeply in debt
