Six Girls Without Pants Poems:

Six Girls Without Pants Paisley Rekdal, 2002 In Paisley Rekdal's second book of poems all the flavors of one's expectations every conceivable misconception and desire each relationship loss and spectacle are brought forth naturally as though they had simply stepped from behind some trees The poems frequently find themselves standing in Japanese block prints or in Delos or before a painting by Caravaggio or inside the tale of Atalanta and Meleager Rekdal's is a poetry of subtlety and grace but shocking in its directness its refusal to obscure or deny the difficult life to which self-knowledge must bring us It is a poetry born not of mere technique but of the unrelenting necessity to know and then to speak *The Best American Poetry 2012* Mark Doty, 2012-09-18 Mark Doty brings the vitality and imagination that illuminate his own work to his selections for the twenty-fifth volume in the Best American Poetry series He has chosen poems of high moral earnestness and poems in a comic register poems that tell stories and poems that test the boundaries of innovative composition This landmark edition includes David Lehman's keen look at American poetry in his foreword Mark Doty's gorgeous introduction and notes from the poets revealing the germination of their work Over the last twenty-five years The Best American Poetry has become an annual rite of the poetry world and this year's anthology is a welcome and essential addition to the series

Wenying Xu, 2012-04-12 Asian American literature is one of the most recent forms of ethnic literature and is already becoming one of the most prominent given the large number of writers the growing ethnic population from the region the general receptivity of this body of work and the quality of the authors In recent decades there has been an exponential growth in their output and much Asian American literature has now achieved new levels of popular success and critical acclaim Nurtured by rich and long literary traditions from the vast continent of Asia this literature is poised between the ancient and the modern between the East and West and between the oral and the written The Historical Dictionary of Asian

American Literature and Theater covers the activities in this burgeoning field First its history is traced year by year from 1887 to the present in a chronology and the introduction provides a good overview The most important section is the dictionary with over 600 substantial and cross referenced entries on authors books and genres as well as more general ones describing the historical background cultural features techniques and major theatres and clubs More reading can be found through an extensive bibliography with general works and those on specific authors The book is thus a good place to get started or to expanded one s horizons about a branch of American literature that can only grow in importance

A Crash of Rhinos Paisley Rekdal,2000 In these quizzically probing and provocative poems atoms and torture tattoos and laundromats mug shots the theory of light and such personalities as Joe Louis and Bruce Lee join in shaping a simultaneously personal and historical narrative of love family and desire The tension between the public and the private saturates these poems with a breathless energy that carries the reader through Rekdal s self aware depiction of American culture and romance complete with Harlequin romance novels and an account of her parents courtship Though Rekdal delights in turning traditional images of love upside down what she finally offers is a grateful and graceful view of humanity which convinces us that as she says in Convocation Nothing is a single moment No private event lacks history

Monticello in Mind Lisa Russ Spaar,2016-02-09 Thomas Jefferson was a figure both central and polarizing in his own time and despite the passage of two centuries he remains so today Author of the Declaration of Independence and the Virginia Statute for Religious Freedom yet at the same time a slaveholder who likely fathered six children by one of his slaves Jefferson has been seen as an embodiment of both the best and the worst in America s conception and in its history In Monticello in Mind poet Lisa Russ Spaar collects fifty contemporary poems most original to this anthology that engage the complex legacy of Thomas Jefferson and his plantation home at Monticello Many of these poems wrestle with the history of race and freedom at the heart of both Jefferson s story and America s own Others consider Jefferson as a figure of Enlightenment rationalism who scrupulously excised evidence of the supernatural from the gospels in order to construct his own version of Jesus s moral teachings Still others approach Jefferson as an early colonizer of the West whose purchase of the Louisiana territory and launch of the Lewis and Clark expedition anticipated the era of Manifest Destiny Featuring a roster of poets both emerging and established including Lucille Clifton Rita Dove Claudia Emerson Terrance Hayes Robert Hass Yusef Komunyakaa Tracy K Smith Natasha Tretheway Charles Wright and Kevin Young this collection offers an aesthetically and culturally diverse range of perspectives on a man whose paradoxes still abide at the heart of the American experiment

Reading Seattle Peter Donahue,John Trombold,2014-05-01 Seattle with its spectacular natural beauty and rough frontier history has inspired writers from its earliest days This anthology spans seven decades and includes fiction memoirs histories and journalism that define the city or

use it as a setting imparting the flavor of the city through a literary prism Reading Seattle features classics by Horace R Cayton Richard Hugo Betty MacDonald Mary McCarthy Murray Morgan and John Okada as well as more recent works by Sherman Alexie Lynda Barry David Guterson J A Jance Jonathan Raban and others It includes cutting edge work by emerging talents and reintroduces works by important Seattle writers who may have been overlooked in recent years The writers featured in this volume explore a variety of neighborhoods and districts within the city delineating urban spaces and painting memorable portraits of characters both historical and fictional

Racial Ambiguity in Asian American Culture Jennifer Ann Ho, 2015-05-12 The sheer diversity of the Asian American populace makes them an ambiguous racial category Indeed the 2010 U S Census lists twenty four Asian ethnic groups lumping together under one heading people with dramatically different historical backgrounds and cultures In Racial Ambiguity in Asian American Culture Jennifer Ann Ho shines a light on the hybrid and indeterminate aspects of race revealing ambiguity to be paramount to a more nuanced understanding both of race and of what it means to be Asian American Exploring a variety of subjects and cultural artifacts Ho reveals how Asian American subjects evince a deep racial ambiguity that unmoors the concept of race from any fixed or finite understanding For example the book examines the racial ambiguity of Japanese American nisei Yoshiko Nakamura deLeon who during World War II underwent an abrupt transition from being an enemy alien to an assimilating American via the Mixed Marriage Policy of 1942 It looks at the blogs of Korean Taiwanese and Vietnamese Americans who were adopted as children by white American families and have conflicted feelings about their honorary white status And it discusses Tiger Woods the most famous mixed race Asian American whose description of himself as Cablinasian reflecting his background as Black Asian Caucasian and Native American perfectly captures the ambiguity of racial classifications Race is an abstraction that we treat as concrete a construct that reflects only our desires fears and anxieties Jennifer Ho demonstrates in Racial Ambiguity in Asian American Culture that seeing race as ambiguous puts us one step closer to a potential antidote to racism

Harriet Monroe, 2002

Nightingale Paisley Rekdal, 2019-06-18 Nightingale is a book about change This collection radically rewrites and contemporizes many of the myths central to Ovid's epic The Metamorphoses Rekdal's characters changed not by divine intervention but by both ordinary and extraordinary human events In Nightingale a mother undergoes cancer treatments at the same time her daughter transitions into a son a woman comes to painful terms with her new sexual life after becoming quadriplegic a photographer wonders whether her art is to blame for her son's sudden illness and a widow falls in love with her dead husband's dog At the same time however the book includes more intimate lyrics that explore personal transformation culminating in a series of connected poems that trace the continuing effects of sexual violence and rape on survivors Nightingale updates many of Ovid's subjects while remaining true to the Roman epic's tropes of violence dismemberment silence and fragmentation Is change a physical or a spiritual act Is transformation punishment or reward reversible or permanent Does metamorphosis literalize our essential traits or change us into something utterly new

Nightingale investigates these themes while considering the roles that pain violence art and voicelessness all play in the changeable selves we present to the world *The Night My Mother Met Bruce Lee* Paisley Rekdal,2007-12-18 When you come from a mixed race background as Paisley Rekdal does her mother is Chinese American and her father is Norwegian thorny issues of identity politics and interracial desire are never far from the surface Here in this hypnotic blend of personal essay and travelogue Rekdal journeys throughout Asia to explore her place in a world where one s appearance is the deciding factor of one s ethnicity In her soul searching voyage she teaches English in South Korea where her native colleagues call her a hermaphrodite and is dismissed by her host family in Japan as an American despite her assertion of being half Chinese A visit to Taipei with her mother who doesn t know the dialect leads to the bitter realization that they are only tourists which makes her further question her identity Written with remarkable insight and clarity Rekdal a poet whose fierce lyricism is apparent on every page demonstrates that the shifting frames of identity can be as tricky as they are exhilarating **Willow Springs** ,2003 **Appropriate** Paisley Rekdal,2021-02-16 A timely nuanced work that dissects the thorny debate around cultural appropriation and the literary imagination How do we properly define cultural appropriation and is it always wrong If we can write in the voice of another should we And if so what questions do we need to consider first In *Appropriate* creative writing professor Paisley Rekdal addresses a young writer to delineate how the idea of cultural appropriation has evolved and perhaps calcified in our political climate What follows is a penetrating exploration of fluctuating literary power and authorial privilege about whiteness and what we really mean by the term empathy that examines writers from William Styron to Peter Ho Davies to Jeanine Cummins Lucid reflective and astute *Appropriate* presents a generous new framework for one of the most controversial subjects in contemporary literature
