Blinder, 2018-03-27 A bestselling economist tells us what both politicians and economists must learn to fix America's failing economic policies American economic policy ranks as something between bad and disgraceful As leading economist Alan S Blinder argues a crucial cultural divide separates economic and political civilizations Economists and politicians often talk and act at cross purposes politicians typically seek economists advice only to support preconceived notions not to learn what economists actually know or believe Politicians naturally worry about keeping constituents happy and winning elections Some are devoted to an ideology Economists sometimes overlook the real human costs of what may seem to be the obviously best policy to a calculating machine In Advice and Dissent Blinder shows how both sides can shrink the yawning gap between good politics and good economics and encourage the hardheaded but softhearted policies our country so desperately needs      **Lead Positive** Kathryn D. Cramer, 2014-02-17 How to implement effective magnetic leadership by applying asset based thinking and shifting your mindset from the negative to the positive Lead Positive takes the fundamentals of Asset Based Thinking ABT and turns them into a playbook for successful leadership ABT is a simple mindset management process that shows people how to make small shifts in perception and thinking to achieve great results Cramer shows leaders how to apply ABT to shift their attention away from what is negative and learn to intentionally shine the spotlight on the positive beneficial facts of a situation As they make this mental shift from negative to positive aspects they improve their optimism empathy and confidence When their mindset zooms in on what is strong valuable and possible what they say and do is far more likely to inspire others to action In short ABT helps leaders shift internally so they can excel externally Lead Positive weaves
