Society And Marketing An Unconventional View:

Society and Marketing Norman Kangun, 1972-01-01 **Consumers, Society and Marketing** Dilip S. Mutum, Ezlika M. Ghazali, 2023-09-07 Environment and social responsibility are paramount for any modern business strategy and the field of marketing is adapting itself to the new focus on sustainability The study of the interface between consumers society and marketing is crucial for understanding the complex interactions between individuals and the products and services they consume and the resulting implications In this book the authors delve into the latest research and theories on the subject providing insight into the various factors that shape consumer behavior and the broader impacts of marketing on society Whether you are a student professional or simply curious about the topic this book will provide a valuable resource for your learning and exploration Instead of treating ethical foundations and critical marketing perspectives separately this book merges them and takes a broader sustainability perspective It examines the various ways in which businesses are incorporating sustainability into their marketing strategies and the impact these efforts are having on consumers the economy and the planet Topics covered in this book include Evolution of marketing thought Critique of marketing Sustainable marketing Social marketing Evolving consumer representations and roles and many more Reassessing the Relationship between Marketing and Public Relations Lisa Dühning, 2017-04-24 Lisa Dühning reconstructs the relationship between public relations and marketing research on a metatheoretical level She presents a concise systematization of the theoretical discourse in both disciplines since the beginning of the twentieth century by differentiating key phases of development and evaluating current research approaches This study argues for a stronger connection of both disciplines and a better profiling within the mother disciplines of communication and business studies by fostering critical and interpretative approaches This book is strongly recommended to everybody interested in the history and epistemology of marketing and public relations theory and the relationship between both fields *The SAGE Handbook of Marketing Theory* Pauline Maclaran, Michael Saren, Barbara Stern, Mark Tadajewski, 2009-12-04 Bringing together the latest debates concerning the development of marketing theory featuring original contributions from a selection of leading international authors this collection aims to give greater conceptual cohesion to the field by drawing together the many disparate perspectives and presenting them in one volume The contributors are all leading international scholars chosen to represent the intellectual diversity within marketing theory Divided into six parts the Handbook covers the historical development of marketing theory its philosophical underpinnings major theoretical debates the impact of theory on representations of the consumer the impact of theory on representations of the marketing organisation and contemporary issues in marketing theory *Humanistic Marketing* R. Varey, M. Pirson, 2013-11-19 Humanistic Marketing is a response to the currently growing mega trend call for rethinking marketing The book organizes current thinking around the problems of marketing theory and practice as well as solutions and ways forward providing a diverse exploration of the position of marketing in the face of challenges for societal

transformation Expanding Disciplinary Space: On the Potential of Critical Marketing Douglas Brownlie, Paul Hower, Mark Tadjewski, 2014-10-14 Expanding disciplinary Space On the Potential of Critical Marketing provides an introduction to the major perspectives in critical marketing studies It contains theoretical reflections on critical marketing whilst building on the key concepts and ideas which are vital to the subject through detailed empirical studies An international collection of marketing experts discuss the eclectic character and potential of the critical turn within marketing theory and practice Chapters explore topics such as marketing academia consumer research political marketing marketing ethics postcolonial epistemic ideology in marketing marketing theory and marketing for community development The text is essential reading for all those interested in contemporary developments in marketing theory and practice irrespective of the discipline from which they originate This book was originally published as a special issue of the Journal of Marketing Management
