

Songs Made Famous By The Temptations

Peter Dunbavan

Songs Made Famous By The Temptations:

The World's Best Music, 1903 *Motown Encyclopedia* Graham Betts, 2014-06-02 Motown means different things to different people The mere mention of perhaps the most iconic record label in history is often enough to invoke memories and mental images of Marvin Gaye Diana Ross Stevie Wonder The Temptations The Jackson 5 The Supremes and numerous others With each group recalled there is an accompanying piece of music of the mind from Baby Love My Girl Signed Sealed Delivered I Heard It Through The Grapevine ABC and Tears Of A Clown and countless more Quite often you can ask people what kind of music they like and they will simply answer Motown and both they and you know exactly what is meant Or rather what is implied The Motown they are invariably thinking of is the label that dominated the charts in the mid 1960s with a succession of radio friendly dance orientated hits most of which were written and produced by the trio of Brian Holland Lamont Dozier and Eddie Holland This period is referred to naturally enough as the Golden Era when Motown was not only the dominant force in its home city of Detroit but carried The Sound of Young America all around the world The kind of music that had them Dancing In the Street from Los Angeles to London Miami to Munich and San Francisco to Sydney It was the kind of music that attracted scores of imitators some good some not so good The kind of music that appealed to the public and presidents alike and still does It was that Motown that this book was intended to be about However when you start digging deeper into the Motown story you realise that throughout its life which for the purposes of this book is its formation in 1959 through to its sale in 1988 it was constantly trying other musical genres looking to grab hits out of jazz country pop rock middle of the road and whatever else might be happening at the time Of course it wasn't particularly successful at some of the other genres although those who claim Motown never did much in the rock market conveniently overlook the healthy sales figures achieved by Rare Earth the group and focus instead on the total sales achieved on Rare Earth the label This book therefore contains biographies of all 684 artists who had releases on Motown and their various imprints as well as biographies of 16 musicians 23 producers 19 writers and 13 executives There are also details of the 50 or so labels that Motown owned licensed to or licensed from All nine films and the 17 soundtracks are also featured Every Motown single and album and EP that made the Top Ten of the pop charts in either the US or UK also have their own entries with 222 singles 84 albums and five EPs being featured Finally there are 36 other entries covering such topics as the Hollywood Walk of Fame the Motortown Revues Grammy Awards and the most played Motown songs on radio The 1 178 entries cover every aspect of Motown and more of the link between Granny in The Beverly Hillbillies and Wonder Woman of the artists from Abbey Tavern Singers to Zulema and the hits from ABC to You Really Got A Hold On Me The Motown Encyclopedia is the story of Motown Records Yesterday Today Forever **All Music Guide to Soul** Vladimir Bogdanov, 2003-08 With informative biographies essays and music maps this book is the ultimate guide to the best recordings in rhythm and blues 20 charts *Icons of R&B and Soul [2 volumes]* Bob Gulla, 2007-12-30 Drawn from a mosaic of

influences including folk gospel and blues R B represents both everything that came before and nothing that was heard before This is the music that bridged the gap between audiences and helped at the very height of racism in America to dismantle racial barriers So much of today s music is derived directly from the highly influential and critically important sounds of R B that without it we would have never known the classic soul of the late 50s and 60s the glory days of the genre Similarly rock n roll as seen through the eyes of Bill Haley and Elvis Presley would have never evolved without the foundation laid by their R B predecessors Through substantial entries on the chief architects and innovators Icons of R B and Soul offers a vibrant overview of the music s impact in American culture and how it reflected contemporary society s politics trends and social issues Numerous sidebars highlight Motown prominent record labels hit songs related singers and songwriters key events and significant aspects of the music industry Also included is a list of important print and Web resources as well as a list of selected recordings An essential reference for high school and public libraries this encyclopedia will help students explore the historical and cultural framework of R B and soul music through the musicians who have come to define the genre Among the featured Ray Charles Little Richard Fats Domino New Orleans R B Ruth Brown Sam Cooke Etta James James Brown Aretha Franklin The Supremes Otis Redding Ike Tina Turner Curtis Mayfield Berry Gordy Stevie Wonder Marvin Gaye Smokey Robinson The Temptations Prince Musicological Identities Jacqueline Warwick,2017-07-05 No music scholar has made as profound an impact on contemporary thought as Susan McClary a central figure in what has been termed the new musicology In this volume seventeen distinguished scholars pay tribute to her work with essays addressing three approaches to music that have characterized her own writings reassessing music s role in identity formation particularly regarding gender sexuality and race exploring music s capacity to define and regulate perceptions and experiences of time and advancing new modes of analysis more appropriate to those aspects and modes of musicking ignored by traditional methods Contributors include in overlapping categories many fellow pioneers current colleagues and former students and their essays like McClary s own work address a wide range of repertoires ranging from the established canon to a variety of popular genres The collection represents the generational arrival of the new musicology into full maturity dividing fairly evenly between pre eminent scholars of music and a group of younger scholars who have already made their mark in significant ways But the collection is also and fundamentally interdisciplinary in nature in active conversation with such fields as history anthropology philosophy aesthetics media studies film music studies dramatic criticism women s studies and cultural studies **33 1/3 Revolutions Per Minute** Mike Segretto,2022-07-15 Whether you re a lifelong collector or have only just gotten hip to the vinyl revival navigating the vast landscape of rock albums can be a daunting prospect Enter Mike Segretto and his mammoth 33 1 3 Revolutions Per Minute a history of the rock LP era told through a very personal selection of nearly 700 albums Beginning with the birth of rock and roll in the 1950s Segretto moves through the explosive innovations of the 1960s the classic rock and punk albums of the 1970s the new wave classics of the 1980s and

the alternative revolution of the 1990s always with an eye to both the iconic and the ephemeral the failed experiments and the brilliant trailblazers It s all here everything from the classics Sgt Pepper s Lonely Hearts Club Band Purple Rain Nevermind and countless other usual suspects to such oddities as albums by Johnny Guitar Watson P P Arnold The Dentists and Holly Golightly Throughout Segretto reveals the perpetual evolution of a modern art form tracing the rock album s journey from a vehicle for singles and filler sold to kids through its maturation into a legitimate self contained medium of expression by 1967 and onward to its dominance in the 70s 80s and 90s Whether you read it from cover to cover seek out specific albums or just dip in at random and let the needle fall where it may 33 1 3 Revolutions Per Minute is a fun informative and unapologetically opinionated read

The Encyclopedia of Popular Music Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day

Portraits Of The African-American Experience In Concord-Cabarrus, North Carolina 1860-2008 Bernard Davis Jr.,2010-03-18

From Baseballs to Bombshells Art Graham,2018-04-04 Growing technology and affluence rock n roll baseball and muscle cars all told through the youth and early adult years of a small town Montana boy and war veteran This is a history of the glorious 50s and 60s in America It is a history also of politicians the indecency of segregation and war and the struggle for racial equality and peace A history of two great nations Intertwined is the unique history of Vietnam and the Vietnamese long struggle for independence It is a rendering also of the unique culture of Vietnam with fascinating stories of emperors within the walls of a Forbidden City Included in the book is a review of the relationship of two nations one mighty and one resistant ultimately entangled in a catastrophic war Nearly fifty nine thousand Americans lost to family friends wives and lovers More than two million Vietnamese soldiers and civilians perished in a war that could not be won

All Music Guide Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre

The Guide to United States Popular Culture Ray Broadus Browne,Pat Browne,2001 To understand the history and spirit of America one must know its wars its laws and its presidents To really understand it however one must also know its cheeseburgers its love songs and its lawn ornaments The long awaited Guide to the United States Popular Culture provides a single volume guide to the landscape of everyday life in the United States Scholars students and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United

States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1 010 pages 1 600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive index **Popular Culture** Michael Burgan,2013 From soul and psychedelia to punk and pop art Cover
