Thomas Jeanie Tracy Anita Ward Martha Wash Carol Williams Jessica Williams and Norma Jean Wright *Hearing Brazil* Jonathon Grasse, 2022-04-19 Minas Gerais is a state in southeastern Brazil deeply connected to the nation's slave past and home to many traditions related to the African diaspora. Addressing a wide range of traditions helping to define the region, ethnomusicologist Jonathon Grasse examines the complexity of Minas Gerais by exploring the intersections of its history, music, and culture. Instruments, genres, social functions, and historical accounts are woven together to form a tapestry revealing a cultural territory's development. The deep pool of Brazilian scholarship referenced in the book, with original translations by the author, cites over two hundred Portuguese language publications focusing on Minas Gerais. This research was augmented by fieldwork observations and interviews completed over a twenty-five year period and includes original photographs, many taken by the author. *Hearing Brazil: Music and Histories in Minas Gerais* surveys the colonial past, the vast hinterland countryside, and the modern twenty-first century state capital of Belo Horizonte, the metropolitan region of which is today home to over six million. Diverse legacies are examined, including an Afro-Brazilian heritage, eighteenth and nineteenth-century liturgical music of the region's Minas Baroque, the instrument known as the viola, a musical profile of Belo Horizonte, and a study of the regionalist themes developed by the popular music collective, the Clube da Esquina. Corner Club, led by Milton Nascimento, with roots in the 1960s. *Hearing Brazil* champions the notion that Brazil's unique role in the world is further illustrated by regionalist studies presenting details of musical culture. **Classical Music** Alexander J. Morin, 2002. Encompassing more than five hundred classical composers past and present, this listener's guide to classical music discusses the best recordings of symphonies, operas, choral pieces, chamber music, and more by the world's leading composers as performed by a variety of outstanding musicians and conductors, and includes essays on the classical repertoire, composers, instruments, and more. Original. **The British Catalogue of Music**, 2004. **Early English Viols: Instruments, Makers and Music** Michael Fleming, John Bryan, 2016-11-18. Winner of the Nicholas Bessaraboff Prize. Musical repertoire of great importance and quality was performed on viols in sixteenth and early seventeenth-century England. This is reported by Thomas Mace, 1676, who says that "Your Best Provision for playing such music is a chest of old English viols" and he names five early English viol makers, than which there are no better in the world. Enlightened scholars and performers, both professional and amateur, who aim to understand and play this music require reliable historical information and need suitable viols, but so little is known about the instruments and their makers that we cannot specify appropriate instruments with much precision. Our ignorance cannot be remedied exclusively by the scrutiny or use of surviving antique viols, because they are extremely rare, they are not accessible to performers, and the information they embody is crucially compromised by degradation and alteration. Drawing on a wide variety of evidence, including the surviving instruments, music composed for those instruments, and the documentary evidence surrounding the trade of instrument making, Fleming and Bryan draw significant conclusions about the changing nature and varieties of viol in early

New Music of the Nordic Countries Jean Christensen, 2002 New Music of the Nordic Countries describes the music of Denmark, Finland, Iceland, Norway and Sweden composed during the latter half of the twentieth century.

Along with providing biographical material on most of the living Nordic composers, the book discusses in detail the major trends in Scandinavian contemporary music as well as many of the recent musical works.

The 800 page volume is edited by John D. White, a former Scholar to Iceland and a Fellow of the American Scandinavian Foundation. White is the author of Part III: New Music in Iceland and has enlisted five other distinguished Nordic musical scholars to write the remaining sections of the book.

Bound together philosophically, geographically and to a significant extent ethnically, the five Nordic countries hold a unique place in today's world. They are populated by talented creative achievers and each nation possesses its own special qualities. This is certainly true in its music, yet little of Nordic tone art of the late twentieth century.
