Spencer, 2012 Much has been written about the songs gathered in North America in the first half of the 20th century However there is scant information on those individuals responsible for gathering these songs *The Ballad Collectors of North America* How Gathering Folksongs Transformed Academic Thought and American Identity fills this gap documenting the efforts of those who transcribed and recorded North American folk songs Both biographical and topical this book chronicles not only the most influential of these song catchers but also examines the main schools of thought on the collection process the leading proponents of those schools and the projects that they shaped Contributors also consider the role of technology especially the phonograph in the collection efforts Chapters organized by region cover such areas as Appalachia the West and Canada while others devoted to specialized topics from the cowboy tune and occupational song to the commercialization of folk music through song collections and anthologies *Ballad Collectors* investigates the larger role of the ballad in the development of American identity from the national appreciation of cowboy songs in popular culture to the use of Appalachian song forms in radio broadcasts to the role of dustbowl ballads in the urban folk revival of the 1950s and 1960s Finally this collection assesses the changing role of songs and song texts in the academic fields of folklore anthropology musicology and ethnomusicology Scholars and students of American cultural and social history as well as fans of North American folk and popular music will find *The Ballad Collectors of North America* a fascinating story of how the American folk tradition gained greater visibility fueling the revolutions that would follow in the writing and performance of American music **Brass Bands of the British Isles 1800-2018 - a historical directory** Gavin Holman, Of the many brass bands that have flourished in Britain and Ireland over the last 200 years very few have documented records covering their history This directory is an attempt to collect together information about such bands and make it available to all Over 19 600 bands are recorded here with some 10 600 additional cross references for alternative or previous names This volume supersedes the earlier *British Brass Bands a Historical Directory* 2016 and includes some 1 400 bands from the island of Ireland A separate work is in preparation covering brass bands beyond the British Isles A separate appendix lists the brass bands in each county *The Wisconsin Supper Clubs Story* Ron Faiola, 2021-11-09 In *The Wisconsin Supper Clubs Story* An Illustrated History with Relish the third in his popular series Ron Faiola invites readers to pull up a chair as he regales us with more than a century of history behind this beloved dining tradition guiding readers from London to Hollywood to New York City and finally to his own home state The journey begins with the world s very first supper clubs which emerged in
