Songs And Heroes:

Songs and Song Legends Edward Lippitt Fales, 1887 **Hero Tales and Legends of the Serbians** Woislav M. Petrovitch, Vuk Stefanović Karadžić, 1914 A collection of Serbian folk tales preceded by background to the history and cultural traditions of the Slavic people including short essays on good and evil spirits vampires superstition Christmas Eve wedding rites etc **The Children's Hour: Stories of legendary heroes**, 1907 **The Words and Music of David Bowie** James E. Perone, 2007-06-30 All Music Guide s Stephen Thomas Erlewine has written Even when he was out of fashion in the 80s and 90s it was clear that Bowie was one of the most influential musicians in rock for better or worse In this comprehensive analysis of David Bowie s career author James Perone examines the many identities and styles Bowie has developed over the years and in so doing provides a stunning chronicle of creativity at work Born David Jones in a London suburb in 1947 David Bowie changed his name in the late 60s to avoid confusion with the singer David Jones of The Monkees This name change would turn out to be a highly prescient act for in incorporating an exceptionally wide variety of styles Bowie would become the most notorious chameleon of the rock era Due in large part to his early success in the glam rock subgenre and his claims of homosexuality dismissed by many writers as a ploy to generate public interest and record sales Bowie raised serious issues about sexual orientation in rock music regardless of whether or not his claimed homosexuality was genuine or part of his on stage character His regular use of theatrical personae also raises interesting issues concerning authenticity and the perception of authenticity in rock music Although Bowie has been primarily an album artist his recordings of Fame Golden Years Let s Dance China Girl Blue Jean and Dancing in the Streets all made it into the Billboard top 10 singles charts Of these all but one was written or co written by Bowie Even more notable are the songs he wrote and recorded that have made an impact far in excess of their chart standing These include Space Oddity Rebel Rebel Changes Modern Love and Young Americans From his early 1970s albums like Hunky Dory and The Rise Fall of Ziggy Stardust and the Spiders from Mars in both of which he assumed the character of the fictional androgynous Stardust to Diamond Dogs Heroes Tin Machine and Black Tie White Noise Bowie s albums generated both significant word of mouth interest and some of the most contentious critical reactions of any artist of the rock era This long overdue investigation lets Bowie s artistry speak for itself After a biographical introduction chronologically arranged chapters discuss the singer s fascinating and iconoclastic body of work A discography and annotated bibliography conclude the book *Six More Songs* Ivor Moody, 2023-08-18 In a society many consider now to be post Christian with traditional rituals and expressions of belief and faith struggling to maintain their appeal we desperately need different signs and symbols to help us realise afresh the message of the Christian Gospel and the importance of faith Ivor Moody argues that the songs studied in this book can provide a way to do just that They are familiar much loved icons of music played and admired by millions and famous throughout the world but also they might contain a message to the world of faith and spirituality to look again at how the

sacred can be found within the secular They are stories of a priest and a parishioner feeling crippled by their loneliness a musician who has ended up in a dead end bar with others who need to blot out life for a little while a community living with division and repression a dying soldier a singer experiencing a kind of epiphany and people living with mental illness Each song connects us to something in our own story Songs which have been with us for years and which thread through our lives but which could provide those new signs and symbols which will be able to inform and enrich our relationship with God
