Songs of Pilgrimage Horace Lorenzo Hastings, 1888      **Songs Of Pilgrimage** Horace Lorenzo Hastings, 2023      **The Songs of the Temple Pilgrims** Robert Nisbet, 1863      **The Pilgrim Psalms** Jimmy Reagan, 2017-08-28 These Songs of Degrees were the songs that the people of Israel would sing as they journeyed to Jerusalem for the three great feasts every year These are the Pilgrims traveling to God's Holy City to the very presence of God They had issues to deal with as we do that would be a hindrance to reaching the presence of God Let us make their songs our own as we too are Pilgrims on our way to Heaven      **Songs for Our Pilgrimage** Worthie Harris Holden, 1920      *Songs in the House of My Pilgrimage - Selected and Arranged* Various, 2009-12 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork      **Songs of Pilgrimage** H L (Horace Lorenzo) 183 Hastings, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **Hymns and songs of pilgrim life; or, Steps to the throne** James Gabb, 1871      Songs of the Pilgrims M. **Songs of Pilgrimage** H. L. Hastings, 2017-11-28 Excerpt from Songs of Pilgrimage A Hymnal for the Churches of Christ Second he has endeavored to seek out and gather from original sources other hymns and tunes of standard authors which from various causes have fallen into disuse and are less familiar though perhaps not less meritorious than others and which by careful abridgment and revision it is hoped may be rescued from oblivion and again made useful in the Churches of Christ Third to these he has added a choice selection of more recent hymns of varied or unknown authorship many of which have not heretofore appeared in manuals of praise and some of which being abridged amended and arranged are now first fitted to be used in the service and worship of the house of prayer Fourth with these are included a number of original hymns and tunes which are sent forth with some sense of the responsibility incurred either in publishing or withholding them Hymns from the same source previously printed have been caught up republished in various collections and widely sung The reception of those contained in this collection cannot be fore seen But while many remain unpublished it has seemed proper to issue these especially as through the compactness of its mechanical arrangement the book though containing some five

hundred hymns not to be found in other collections still remains portable in form and moderate in price The unfamiliar hymns by well known and standard authors need neither apology nor recommendation and if among the new hymns there shall one be discovered which the Church of God will not willingly let die it will be a justification for the existence of this volume and an occasion of devout thanksgiving to Him who is both the source and the object of the songs of his people About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
