Jazz Notes Sanford Josephson, 2009-06-30 Jazz is a vibrant and a living art and this volume serves to remind us of that fact through interviews with Art Tatum Maynard Ferguson Dizzy Gillespie and Dave Brubeck along with almost 20 other jazz greats Meet the greatest musicians in the history of jazz From Hoagy Carmichael to David Sanborn these interviews and their subjects reflect the diverse appeal and deep roots of a truly American art form Some of the interviews in Jazz Notes Interviews across the Generations remain intact from their original publication Others are updated to include conversations with younger artists influenced by these legends and attempting to carry on their legacies The interviews range from the 1970s to the present day and are followed by a concluding section that provides perspective from current artists In the course of the interviews the history of American art and culture receives interesting augmentation Some artists such as Dave Brubeck and Maynard Ferguson discuss how they broke through to the top of the pop charts Of course many African American jazz musicians endured difficult and demeaning conditions while on the road in the 1930s 1940s and 1950s and their memories of these experiences are a bittersweet counterpoint to remembered triumphs *Clearer, Closer, Better*

Emily Balcetis, 2021-02-23 Successful people literally see the world differently Now an award winning scientist explains how anyone can leverage this perception gap to their advantage Get ready for this book to change how you see everything you see Adam Grant New York Times bestselling author of *Originals* and *Give and Take* When it comes to setting and meeting goals we may see quite literally our plans our progress and our potential in the wrong ways We perceive ourselves as being closer to or further from the end than we may actually be depending on our frame of reference We handicap ourselves by looking too often at the big picture and at other times too long at the fine detail But as award winning social psychologist Emily Balcetis explains there is great power in these misperceptions We can learn to leverage perceptual illusions if we know when and how to use them to our advantage Drawing on her own rigorous research and cutting edge discoveries in vision science cognitive research and motivational psychology Balcetis offers unique accounts of the perceptual habits routines and practices that successful people use to set and meet their ambitions Through case studies of entrepreneurs athletes artists and celebrities as well as her own colorful experience of trying to set and reach a goal she brings to life four powerful yet largely untapped visual tactics that can be applied according to the situation Narrow your focus Closing the aperture of your attention helps you exercise effectively save money and find more time in your day Widen the bracket Seeing the forest instead of the trees reduces temptations and helps you recognize when a change of course is in order Materialize your plan and your progress Creating checklists and objective assessments inspires better planning and adjusts your gauge of what's really left to be done Control your frame of reference Knowing where to direct attention improves your ability to read others emotions negotiate better deals foster stronger relationships and overcome a fear of public speaking A mind blowing and original tour of perception Clearer Closer Better will help you see the possibilities in what you can't see now Inspiring motivating and always entertaining it demonstrates that if we take advantage of our visual experiences they can lead us to live happier healthier and more productive lives every day [Fangirl](#) Ken Baker, 2012-10-02 Baker presents a modern fairy tale romance between a teenage girl and her teen pop idol *Big Bands and Great Ballrooms* Jack Behrens, 2006 Where did big bands and swing music go They didn't leave but many Americans actually believe they disappeared along with ballrooms jukeboxes bobby sox and zoot suits decades ago Band leader Brooks Tegner who has recreated the great music of World War II with his Army Air Corps Review Big Band offers a good response In order for something to come back it needs to have gone away Big bands have wrongly been put in that category They never went away And that's the essence of the chapters of my book about America's big bands ballrooms and dancing's past and present And there's a good look at the future through the eyes of a number of young bandleaders from the east to west coast who carry on in the tradition of Guy Lombardo Glenn Miller Harry James Woody Herman Duke Ellington and a host of other music legends in their own distinctive way The struggle to survive in the music business hasn't been without losses and a need for life support It did when Miller Benny Goodman James and Ellington were in their heyday It's a financially precarious business regardless of your talent Inevitably

music and dancing evolved and matured The reasons are numerous and linked to our heritage But like marching bands on the 4th of July imagine a country club new year s eve without live dance music and a big band Think about the many community social events and high school and college proms let alone wedding receptions that still insist on having live bands to play the foxtrots and swing numbers people enjoy My research shows that while there were approximately 800 big bands on the road during the swing era of the 1940s today there are nearly 1 300 big bands according to a Google search and a review of hundreds of territory bands Consequently neither the bands nor the music vanished they scattered throughout the American countryside The Guinness Encyclopedia of Popular Music Colin Larkin,1995 Covers jazz stage and film musicals rock country western folk rap blues heavy metal punk techno world music and raggae *All Music Guide to Rock* Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2002-04 This fun to read easy to use reference has been completely updated expanded and revised with reviews of over 12 000 great albums by over 2 000 artists and groups in all rock genres 50 charts *The British Catalogue of Music* ,2002 **World Music: Africa, Europe and the Middle East** Simon Broughton,Mark Ellingham,Richard Trillo,1999 First published in 1994 in one volume An A Z of the music musicians and discs 2006 edition available as an e book
