

Sonnet, Give Me A Hope Of Love (From, The Lost Sonnets)

**Give me a hope of love if my heart breaks
Whatever is here waiting I wonder,
In all my thoughts drift away and ponder
As the mind again to reality awakes;
From the alone fantasy the heart takes
What is rejoined and what is asunder,
When there is flame in what is there under
Returning to soft from feelings of rakes.**

**Is the end now coming to times right here
When there is burning desire to play with,
Has there been lost words from across caring?
What can we say if all goes to nowhere
And love in my heart is all like a myth,
That got me going crazy with awing.**

Sonnets Of Love Lost Love Sought And Love Found:

Sonnets of Love Lost, Love Sought and Love Found Gregory Hugh Marshall, 2000-12 *Sonnets of Love Lost Love Sought and Love Found* is Marshall's first published collection of original poems since 1983. In the present work the poet has taken one hundred and eighteen of his sonnets written over a twenty-four year period and assembled them into a three-part sequence in which the sadness and joy of love unfold in a moving display of imagery, meter and rhyme. The lover of poetry will delight in the result of applying a centuries-old form to an eternal theme: love poems that can be read and enjoyed again and again and which resonate in the heart and mind of the modern reader.

Making Whoopee Evan Morris, 2004-01-01 The creator of the popular Web site Word Detective.com sheds new light on the origins, etymologies and evolution of 150 common words and phrases used to define romance and love, answering questions about such key words as flirtation, tryst, adultery, hanky-panky, puppy love, flirt, chaperone, concupiscence and many more.

Romantic Renaissance Sonnets Altruist, 2017-11-14 *Romantic Renaissance Sonnets Volume 1* comprises two hundred poems. They include romantic and nuanced corporate, political, social protest and socially sensitive poems for the general public's reading entertainment. This edition is the first of a series of ten typical poetic genres, volume 1 to Volume 10, planned for publications of one book annually and written by the author. Most of the domestic and global profits (95 percent) obtained from the sales of all the editions are mandated donations to UMG Foundation Organization and its affiliated and associated domestic and overseas nonprofit entities to sustainably contribute indefinitely to its global humanitarian project funding programs, initiatives and objectives.

Dictionary of English Literature William Davenport Adams, 1879 *A Comprehensive Guide to Shakespeare's Sonnets* Roland Weidle, 2024-11-14 This book provides readers with the tools to unravel the complexities of one of the most difficult sonnet sequences, introducing them to the literary tradition, themes, stylistic features and cultural contexts of the genre and the collection, and offering close readings of more than 100 sonnets. This combined approach enables readers not only to disentangle the complex relationships of the poems' characters but also to appreciate their philosophical, sensual, topical and subversive qualities. Of the book's two sections, the first 'Contexts and Forms' includes chapters on the sonnet tradition, early publication history, the structural features of the sequence and the Shakespearean sonnet, as well as the main characteristics of the *dramatis personae*. The second section 'Themes' consists of 5 chapters and explores the theme clusters that can be identified throughout the sequence: preservation, writing, desire, deception, imagination. Additional features of the book include a step-by-step approach to a Shakespeare sonnet, a model interpretation of a sonnet as well as charts and tables identifying and summarizing the sequence's mini-narratives, groups, addressees and themes. For easy reference, the sonnets discussed in the book are cross-referenced and listed in the index, which also includes key terms and names of works and people. Suggestions for further reading are provided at the end of each chapter and the annotated bibliography includes brief descriptions of the most useful works for further study.
