

SONNET 147

My love is as a fever, longing still
For that which longer nurseth the disease,
Feeding on that which doth preserve the ill,
Th' uncertain sickly appetite to please.

My reason, the physician to my love,
Angry that his prescriptions are not kept,
Hath left me, and I desperate now approve
Desire is death, which physic did except.
Past cure I am, now reason is past care,
And frantic-mad with evermore unrest
My thoughts and my discourse as madmen's
are,

At random from the truth vainly expressed
For I have sworn thee fair, and thought thee
bright,

Who art as black as hell, as dark as night

Captive Victors Heather Dubrow, 2019-05-15 Drawing both on the tenets of classical rhetoric and on contemporary critical theory Heather Dubrow here offers a bold and persuasive reading of Shakespeare's nondramatic poems She calls into question prevailing critical views of Venus and Adonis The Rape of Lucrece and the sonnets and asserts that in these poems Shakespeare uses rhetoric with great subtlety and force to effect characterizations as rich in psychological and moral complexities as those found in the plays *Poems in Captivity (Classic Reprint)* John Still, 2016-08-30 Excerpt from Poems in Captivity N the long years of captivity in Turkey where each one of us was driven to seek inside himself some alleviation of the daily dullness many of us there found things we had not suspected to exist For to find distraction we were thrown back more upon our own creative powers and were helped less by our surroundings than ever is the case in normal life Some found the wit to write plays and others the talent to play them Some discovered the power to draw and one at least found much music in his mental storehouse Some developed into expert carpenters and others less profitably into hardly less expert splitters of hairs I Some found in others a depth of kindness more durable I think than the depths of hate this war has generated I found these verses all of which were written there and their discovery made more happy many of the eleven hundred and seventy nine days I spent as a prisoner of war Few there were who found no resource and they perhaps found the more endurance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Sonnets and other poems* Elizabeth Horsley Whiteman, 1872 *Elizabethan Sonnets* Sir Sidney Lee, 1904 **Captivity** Laurie Sheck, 2012-06-27 The exquisite and haunting Booklist collection of poems built around the language and mystique of American captivity narratives in which Sheck enters the vivid life we live inside our own minds and selves and takes us into the mysterious underside of consciousness and selfhood *The Dreamer, and Other Poems* William Dixon Cocker, 1920 **The Cornell Wordsworth A Supplement** Jared Curtis, 2008-01-01 A unified index to titles and first lines for the entire series a guide to the hundreds of manuscripts treated in the twenty one volumes and a comprehensive list of the contents of Wordsworth's many lifetime editions Pref *The Fetters of Rhyme* Rebecca M. Rush, 2024-12-17 How rhyme became entangled with debates about the nature of liberty in sixteenth and seventeenth century English poetry In his 1668 preface to Paradise Lost John Milton rejected the use of rhyme portraying himself as a revolutionary freeing English verse from the troublesome and modern bondage of Riming Despite his claim to be a pioneer

Milton was not initiating a new line of thought English poets had been debating about rhyme and its connections to liberty freedom and constraint since Queen Elizabeth's reign The Fetters of Rhyme traces this dynamic history of rhyme from the 1590s through the 1670s Rebecca Rush uncovers the surprising associations early modern readers attached to rhyming forms like couplets and sonnets and she shows how reading poetic form from a historical perspective yields fresh insights into verse's complexities Rush explores how early modern poets imagined rhyme as a band or fetter comparing it to the bonds linking individuals to political social and religious communities She considers how Edmund Spenser's sonnet rhymes stood as emblems of voluntary confinement how John Donne's revival of the Chaucerian couplet signaled sexual and political radicalism and how Ben Jonson's verse charted a middle way between licentious Elizabethan couplet poets and slavish sonneteers Rush then looks at why the royalist poets embraced the prerational charms of rhyme and how Milton spent his career reckoning with rhyme's allures Examining a poetic feature that sits between sound and sense liberty and measure The Fetters of Rhyme elucidates early modern efforts to negotiate these forces in verse making and reading *Edmund Spenser and Animal Life* Rachel Stenner, Abigail Shinn, 2024-02-20 This book is the first extended critical study of the early modern poet Edmund Spenser from the perspective of animal studies With an introduction situating Spenser in current discussions of animal life and literary form and early modern animal studies the book proceeds in four sections Animals and Cultural Practices Animals Slavery and Race Animals in Complaints Readers and Poetics in The Faerie Queene Contributors discuss a broad range of Spenser's work putting it into dialogue with a number of early modern discourses including politics poetics and natural history **The Captives, and Other Poems** Mrs. P. Farmer, 1856 **Six Authors in Captivity** Nicole Thatcher, Ethel Tolansky, 2006 This book examines the varied responses of six French authors to war the French occupation and imprisonment Jean Cassou was imprisoned as a member of a Resistance network and held incommunicado During this time he composed sonnets in his head which he was able to publish later Jean Cayrol's deportation to Mauthausen concentration camp as a result of his Resistance activities inspired his poems and novels Madeleine Riffaud aged only 18 in 1942 portrayed her Resistance experience imprisonment and torture in her post war prose and poems A well known literary critic and writer Pierre Henri Simon composed poetry in his Stalag and wrote fiction after the war Max Jacob who died in Drancy wrote poems and letters reflecting his personal views and feelings on the imprisonment of the Occupation itself Philippe Soupault was actively engaged in Resistance with the founding of Radio Tunis to combat the Italian Fascist station Radio Bari broadcasting across the Mediterranean and North Africa Imprisoned for these activities in 1942 he used poetry to keep a spirit of resistance alive Each of these authors sought to maintain the spirit of the Resistance bear witness to the times and contribute to the future using literature as their instrument Julia Alpinula, with the Captive of Stamboul and Other Poems Jeremiah Holmes Wiffen, 1820 **Elizabethan sonnets**, 1909 *The Brigand, Death of Gerstein, Songs of the Captives and Other Poems* William J. Wisdom of Akhnaton A. E. Grantham,1920 **The Sonnets of Thomas Pringle** Patrick Lenahan,2023-07-17 When the Scottish poet Thomas Pringle emigrated to the Cape Colony in 1820 he voyaged also into a new creative life and an art responsive to his colonial home sterner verse for darker scenes Accompanying him to the Cape the sonnet became his most consistent choice for capturing his experiences and convictions his personal crises and the greater trauma of colonial appropriation and racial oppression In this study his unique contribution to the Romantic era sonnet is for the first time given its full due through readings that are as attentive to form and formal agency as to the cultural social and historical conditions in which they are enmeshed Moving beyond colonial theory to consider issues of literary migration this illuminating work shows how Pringle effectively opened up a radical conversation between the habitual modes of perception and response of British Romanticism and his new southern world **Poetry by American Women, 1900-1975** Joan Reardon,Kristine A.
