Sustainable Resource Development In The Third World Doug Southgate,John F Disinger,2019-09-10 Over time scientists technologists and resource managers in affluent countries have devised and institutionalized methodologies for exploiting and managing natural resources in their own environments with considerable success In doing so they have provided models at least of development and affluence that the less developed countries seek to employ An international symposium involving both invited and contributed papers addressing the technological and institutional challenges of sustainable development of natural resources in the Third World was staged in September 1985 in Columbus Ohio co sponsored by The Argonne National Laboratory of Argonne Illinois The Tropical Renewable Resources Program and

the School of Natural Resources of The Ohio State University and the United States Agency for International Development This volume presents selected papers from the symposium Journal of Tropical Medicine and Hygiene ,1901 Climate and Food Security ,1989 Food security and agricultural research Climatic variability and crop yields Climatic vulnerability of major food crops Climatic variability and factors of agricultural production Climate modeling and climate change Social and economic implications of climate food interaction Strategies for coping with climatic fluctuation and change **Annals of Tropical Medicine and Parasitology** ,1909 Liverpool School of Tropical Medicine Scientific record compiled by Dorothy Allmand a history of the school and of its activities v 15 1921 p 1 47 *Women of Tropical Africa* Denise Paulme,2013-11-05 This book is unique in its approach in that each chapter covers women in their everyday lives and the problems which concern them Until now ethnographic research has almost always been carried out with the help of the male population and as a result the picture that has emerged has been largely the image which the men and the men alone have of their society Originally published in 1963 **Tropical Agriculturist** ,1905 **Report of the Wellcome Tropical Research Laboratories at the Gordon Memorial College, Khartoum. 1st-4th ...** Wellcome Tropical Research Laboratories,Sir Andrew Balfour,1908 **Forests, Water and People in the Humid Tropics** M. Bonell,L. A. Bruijnzeel,2004 Forests Water and People in the Humid Tropics is the most comprehensive review available of the hydrological and physiological functioning of tropical rain forests the environmental impacts of their disturbance and conversion to other land uses and optimum strategies for managing them The book brings together leading specialists in such diverse fields as tropical anthropology and human geography environmental economics climatology and meteorology hydrology geomorphology plant and aquatic ecology forestry and conservation agronomy The editors have supplemented the individual contributions with invaluable overviews of the main sections and provide key pointers for future research Specialists will find authenticated detail in chapters written by experts on a whole range of people water land use issues managers and practitioners will learn more about the implications of ongoing and planned forest conversion while scientists and students will appreciate a unique review of the literature **Tropical Beef Cattle Industry in the Western Hemisphere** ,1952
