Sons of Thunder Giles Kristian,2012-09-25 In the heart of the ninth century ferocious men wielding swords and gleaming axes dare face a massive Crusader force And in Giles Kristian s thrilling series history comes alive as vividly as the crash of clashing steel The Norsemen have come across the Channel up a winding river in the land of the great Frankish emperor In the belly of their fearsome dragon ship beneath warriors and weapons is a book wrapped in cloth guarded by an English monk who alone knows the true worth of his prize And by the side of their leader is Raven with a blood spot in his eye and magic in his soul Accompanied by the woman he loves Cynethryth runaway daughter of an English king Raven is plunging into an epic clash of men and faiths A brilliant story beautifully told Sunday Express Impressive world building The pace of the novel is unrelenting The series is among the best adventure historical fiction today Fantasy Book Critic An excellent read which compares favourably with writers like Bernard Cornwell and Conn Iggulden Historical Novels Review Gripping splendidly conjures up the sounds sights and smells of Dark Age Britain Harry Sidebottom author of the Warrior of Rome series on Raven Blood Eye *Sons of Thunder* John James Boanerges,2020-06-10 A few years ago I gave my granddaughter a KJV Bible On the inside cover I wrote In this book are all of the answers to all of life s questions At one time in our history nearly every home had a family Bible In it were kept the records of births deaths marriages and many other events that occurred in the family If a home today has a Bible it is most likely to gather dust To those who attend church it may or may not be opened up on Sunday Bible studies have become more social planning events than they have in studying the Word of God Dark days are upon us Most people have just enough religion to inoculate them against the real thing Too many have embraced their vanities and have fallen prey to the ravenous lion My prayer is that this book will prompt readers to examine more closely both what they believe and why they believe it It is my hope that the reader will become more educated and encouraged to study God s Word If this writing encourages but one soul to seek a deeper relationship with Jesus then all will have been worth every effort No greater reward can be given to the writer than to know that I had some small role to play in the salvation of a wandering soul Solomon made us to know that of the making of books there is no end The technological era that we live in has us plugged into all sorts of devices Perhaps we should unplug from the world long enough to discover what really matters **Son of Thunder** Murray Leeder,2012-10-02 It was the best thing that ever happened to him It was his god s blessing It was hell Vell was content to be a mere warrior in the Thunderbeast tribe staying behind on the hunt to guard the camp But then something alien awakened deep within him the spirit of a behemoth that he could not control With it came attacks from the sky visitors from far lands and a mysterious command from their ancestral totem Find the living And this time no one was going to let him just stay behind *Boanerges* Allen Nay,Angela D. Lease,2010-10 In my first book Ride to the Wall Jack began a new journey in life The road he took had been chosen for him by a kind and loving Father Jack just started paying attention My basic intention in writing this book was to show that a life

in Christ knows no boundaries and is packed with wonder and excitement As one studies the life of Jesus Christ it s not hard to find a Son who was totally committed to doing whatever his Father bid him to do even to give his life over to those who were determined to end it Jack and the Soldiers have just gotten a small sample of how God does things in the Kingdom I believe with all my heart that God desires to use each one of us in the ways I ve written about While my first book was more of a journal of those things that God was putting on my heart over the course of ten years I knew that the story must continue This book is called Boanerges The Sons of Thunder for I ve been impressed of God to take Jack and the Soldiers through real life situations that follow the writings of the Apostle John through the eyes of him and his brother James Jesus gave these two brothers the name Boanerges which was the surname of the sons of Zebedee their father and then called them the Sons of Thunder My hope is that as you read this book you will do so with your Bible open My goal is not to entertain you but to encourage you I pray every day that my words would open a heart to Gods Holy Spirit and that someone would find the love of Jesus Christ as a consequence of these words The reality is that the Words of God are more precious than gold or silver and does not need any help from a knot head like me But I m one of his many sons and He gets blessed when I do what He wants of me and I want to bless Him so I write
