behind the simplest of choices Judi James with co writer and journalist James Moore pulls no punches in her addictive and entertaining book which gets to the nub of who you really are telling you more about yourself than you ever wanted to know as well as providing an intriguing insight into the people around you From your favourite TV programme to the type of coffee you drink even down to the filling in your sandwich *The You Code* is a must for anyone who wants to find out more about themselves and more importantly what everyone else thinks of them *Dashiell Hammett and the Movies* William H.

Mooney,2014-11-03 As the father of the hardboiled detective genre Dashiell Hammett had a huge influence on Hollywood Yet it is easy to forget how adaptable Hammett s work was fitting into a variety of genres and inspiring generations of filmmakers *Dashiell Hammett and the Movies* offers the first comprehensive look at Hammett s broad oeuvre and how it was adapted into films from the 1930s all the way into the 1990s Film scholar William H Mooney reveals the wide range of films crafted from the same Hammett novels as when *The Maltese Falcon* was filmed first as a pre Code sexploitation movie then as a Bette Davis screwball comedy and finally as the Humphrey Bogart classic He also considers how Hammett rose to Hollywood fame not through the genre most associated with him but through a much fizzier concoction the witty murder mystery *The Thin Man* To demonstrate the hold Hammett still has over contemporary filmmakers the book culminates in an examination of the Coen brothers pastiche *Miller s Crossing* Mooney not only provides us with an in depth analysis of Hammett adaptations he also chronicles how Hollywood enabled the author s own rise to stardom complete with a celebrity romance and a carefully crafted public persona Giving us a behind the scenes look at the complex power relationships cultural contexts and production concerns involved in bringing Hammett s work from the page to the screen *Dashiell Hammett and the Movies* offers a fresh take on a literary titan **Houston's Homegrown Terror** Peter Alan

Olsson,2014-03-11 Psychotherapists help police find two homegrown terrorists in the crime thriller *Houston s Homegrown Terror* When two bombs explode at St John s High School in Houston psychotherapists Tom and Andrea Tolman assist their friend Houston Police Detective Mark Lane in the intense investigation They need to find the terrorists before they can strike again Andrea is a former nun who left her order to marry Tom a psychiatrist and psychoanalyst with expertise in treating adolescents and in understanding destructive religious cults and terrorist groups After 9 11 the couple and the detective became friends when they helped a family threatened by the father s involvement with a Satanic cult Now ten years later they are challenged by these local bombers The story explains the depth of psychology as well as the powerful motivations of the American homegrown terrorists and their group *The Apartment Complex* Pamela Robertson Wojcik,2018-09-13 From the bachelor pad that Jack Lemmon s *C C Baxter* loans out to his superiors in Billy Wilder s *The Apartment* 1960 to the crumbling tenement in a dystopian Taipei in Tsai Ming liang s *The Hole* 1998 the apartment in films and television series is often more than just a setting it can motivate or shape the narrative in key ways Such works belong to a critical genre identified by Pamela Robertson Wojcik as the apartment plot which comprises specific thematic visual and narrative

conventions that explore modern urbanism's various forms and possibilities In *The Apartment Complex* a diverse group of international scholars discuss the apartment plot in a global context examining films made both within and beyond the Hollywood studios The contributors consider the apartment plot's intersections with film noir horror comedy and the musical addressing how different national or historical contexts modify the apartment plot and how the genre's framework allows us to rethink the work of auteurs and identify productive connections and tensions between otherwise disparate texts

Waltraud Häcker,2023-11-23 Like a dangerous virus a man invades the life of advertising copywriter Anja Berger He talks about scent marketing and claims that he has created a scent composition to seduce her and spend beautiful nights with her Will he succeed Kai Mertens the junior boss of the advertising agency for which Anja works thinks about the future on a trip abroad about whether he should continue to advertise short lived cheap products that fill garbage dumps and ruthlessly exploit our nature He invites his friend the art historian and painter Claus Hoffmann who no longer finds his life worth living

after the death of his childhood sweetheart on his trip Can nature fill the emptiness inside him with its beauty and give his life a new meaning **Triggered** Fletcher Wortmann,2012-03-27 AS FEATURED ON NPR S TALK OF THE NATION Imagine the worst thing in the world Picture it Construct it carefully and deliberately in your mind Be careful not to omit anything Imagine it happening to you to the people you love Imagine the worst thing in the world Now try not to think about it This is what it is like for Fletcher Wortmann In his brilliant memoir the author takes us on an intimate journey across the psychological landscape of OCD known as the doubting disorder as populated by God girls and apocalyptic nightmares Wortmann unflinchingly reveals the elaborate series of psychological rituals he constructs as preventative measures to ward off the end times as well as his learning to cope with intrusive thoughts through Clockwork Orange like trigger therapy But even more than this the author emerges as a preternatural talent as he unfolds a kaleidoscope of culture high and low ranging from his obsessions with David Bowie X Men and Pokemon to an eclectic education shaped by Shakespeare Kierkegaard Catholic mysticism Christian comic books and the collegiate dating scene at the People s Republic of Swarthmore Triggered is a pitch perfect memoir a touching triumphantly funny compulsively readable and ultimately uplifting coming of age tale for Generation Anxiety Fletcher Wortmann on OCD and sex If a girl accepts an invitation to help count the tiles on your bedroom ceiling then she will probably be disappointed when she realizes you were speaking literally on OCD and religion I have found Catholicism and obsessive compulsive disorder to be deeply sympathetic to one another One is a repressive construct founded in existential terror barely restrained by complex arbitrary ritual behaviors the other is an anxiety disorder on OCD humor By the sink I noticed a perfunctory sign warning readers to wash their hands It was scrawled with graffiti NO YOU CAN T GERMS ARE UNPREVENTABLE AND INESCAPABLE on the seductiveness of OCD Every so often everything will work and you will somehow convince yourself that you are safe and the disorder will claim credit I had struck a bargain with the OCD The transaction was complete In that moment I became subservient to it
