Hundreds of titles are annotated in the book allowing librarians to develop in-house bibliographies of favorite teen series titles making this a truly useful reference source for the young adult librarian. **Collier's**, 1910 **Bowker's Complete Video Directory, 1999**, 1999 *LIFE*, 1961-10-13 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. Black Love Matters Armon R. Perry, 2020-10-30 Black Love Matters is an in-depth qualitative analysis that focuses on a diverse group of adult black men and their attitudes towards behavior in marriage and romantic relationships. To give voice to the men's narratives, Black Love Matters follows the men for four years, chronicling the experiences and the circumstances shaping their relationship trajectories. Highlights include discussions related to the roles that sex, infidelity, intimacy, trauma, family of origin, masculinity, and environmental factors play in the men's attitudes and behaviors. Given the dearth of literature on black men featuring first-hand accounts from them, Black Love Matters makes a significant contribution to the existing literature that seems to be disproportionately focused on implicating black men in discussions of what ails their families and communities. **Wives on Layaway** Joseph Ubo, 2016-10-13 Emmanuel Awak Isang decided that his wife Rose must die. That was a simple decision to make. Decisions like that experts would agree are always simple to arrive at after the decider feels perfectly wronged by the object of his ire. But carrying out a homicide without leaving a trail which dedicated hounds could pick up on and trace the crime to its source usually proves trickier than just making a financial investment in a murder tool. And that is just one obstacle. Like marriage counselors have been saying about relationships, communication is very important. In Emmanuel's case, because he did not inform the object of his extreme despise in a timely manner, either in word or action, that he was planning to do her in, unknowingly, she kept messing up his plan to kill her. **Congressional Record** United States.
