A Night in the Theatre Lawrence Casler, 1993 Margaret and Stanley Locker and their friends Donna and Walter Pace are at the theatre for their weekly dose of culture This week's ordeal is Hamlet After they seat themselves with some confusion the play consists of their incessant and hilarious chatter about themselves their children a dead friend and even occasionally Shakespeare's play Secrets emerge and friendships unravel amid the audiences's laughter You may even recognize these rude playgoers as the obnoxious people who sometimes sit behind you This comedy with bite can be simply staged with a single set four adjacent theatre seats or it can be enhanced with an abbreviated mimed version of Hamlet that provides six additional non speaking roles In this version the audience

Rice,2016-02-25 Its always about change and the futility of depending on people and circumstances not to change We take cold comfort in relying on maxims which insist that change can be controlled over time everything is supposed to get easier it doesn't small words are the easiest to understand they never are and hard work always pays off in the end rarely You may recall a time when you made a major decision worked through a difference of opinion or learned from others mistakes These stories and plays are a catalog of people in transition and a reminder that the questions in life never change but the answers are always different **The Projection Room** Carol Golembiewski,2020-07-28 The strange and deadly event that occurred in the projection room at the Milwaukee Art Museum were almost a distant memory for Bruce Mallory a talented scientist and inventor Several years had passed and Bruce has settled into family life but his contented existence is turned upside down when he is contacted by the new director of the museum wanting the room reinstalled to its original site Things become even more ominous when Agent Baker catches wind that the two stolen Angels of Death paintings and their location has been uncovered as well A short time later Bruce and the mysterious Agent Baker are immersed in a treacherous quest to recover Georges Bosque's Angels of Death paintings Bruce who understands the dark power behind the artwork has vowed to destroy the priceless paintings if he unearths them first Meanwhile both Bruce and Baker are aware they're being manipulated and guided on their mission by a power within the military intelligence echelon Now the men must race to find the artwork before the ruthless Casper Layton and his genetically modified experimental soldiers feed his desire for revenge and release the deadly entities back into the land of the living In this ongoing tale of danger and vengeance a scientist and a mysterious agent embark on a life and death mission to find and destroy priceless paintings before a dark power releases his evil onto the world **Shepherd Warrior** David T. Peckham,2007-06-04 The Battle of Hastings fought in A D 1066 was without question the most important event in British history The conquering of England by William Duke of Normandy changed the way the inhabitants of the Isle of Mist had lived since the Roman Armies left their shores 650 years previously in A D 410 Seeking the throne of England which he believed was rightfully his William stormed the south coast of England with an army consisting of Norman French and Belgian forces Following his victory over King Harold William was crowned King of England on Christmas Day 1066 He appointed Odo his half brother as his Bishop not because he felt the need of religion or God's help but because he felt those who served him would be more faithful to his cause if God was on their side The fictional side of this story revolves around a Saxon family who operated a sheep ranch in Senlac a small yet important village about seven miles from Hastings Bruce a widower raised a daughter and three sons each one involved in the operation of the ranch This close knit family is shattered when the invading Normans ravish their farm looking for food to feed their 10 000 man army **The Encyclopedia of Best Films** Jay Robert Nash,2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema
