## Sort Of Samurai:

*A Deadly Kind of Love* Victor J. Banis, 2018-03-13 A Tom and Stanley Mystery Nothing bad is supposed to happen in Palm Springs At least that's what San Francisco private detective Tom Danzel and his partner Stanley Korski believe But when their friend Chris finds a dead body in his hotel room bed Tom and Stanley drive out to help the local police investigate What they discover is a rather nasty green snake and an elegant hotel that offers delicacies not usually found on a room service menu As the body count increases the two detectives are going to have to rely on their skills and each other if they're going to survive this very deadly kind of love Continues the Deadly Mysteries Series published with MLR Press Martial Arts and the Body Politic in Meiji Japan Denis Gainty, 2013-08-22 In 1895 the newly formed Greater Japan Martial Virtue Association Dainippon Butokukai held its first annual Martial Virtue Festival butokusai in the ancient capital of Kyoto The Festival marked the arrival of a new iteration of modern Japan as the Butokukai's efforts to define and popularise Japanese martial arts became an important medium through which the bodies of millions of Japanese citizens would experience draw on and even shape the Japanese nation and state This book shows how the notion and practice of Japanese martial arts in the late Meiji period brought Japanese bodies Japanese nationalisms and the Japanese state into sustained contact and dynamic engagement with one another Using a range of disciplinary approaches Denis Gainty shows how the metaphor of a national body and the cultural and historical meanings of martial arts were celebrated and appropriated by modern Japanese at all levels of society allowing them to participate powerfully in shaping the modern Japanese nation and state While recent works have cast modern Japanese and their bodies as subject to state domination and elite control this book argues that having a body being a body and through that body experiencing and shaping social political and even cosmic realities is an important and underexamined aspect of the late Meiji period Martial Arts and the Body Politic in Meiji Japan is an important contribution to debates in Japanese and Asian social sciences theories of the body and its role in modern historiography and related questions of power and agency by suggesting a new and dramatic role for human bodies in the shaping of modern states and societies As such it will be valuable to students and scholars of Japanese studies Japanese history modern nations and nationalisms and sport and leisure studies as well as those interested in the body more broadly **The Art of the Gut** Robin M. LeBlanc, 2010 A beautifully written book The Art of the Gut reads as easily as a fast paced novel Searching beyond the formal structures regulations and demographic counts associated with elections to consider the potential for one man to make a difference takes LeBlanc into an investigation of codes of masculinity in contemporary Japan as she studies how these men both employ and defy these codes in their political lives Jan Bardsley Associate Professor Japanese Humanities The University of North Carolina Chapel Hill **Collected Works** H. G. Wells, 2021-01-26 This comprehensive collection without images and optimized in file size for quick access contains A Modern Utopia A Short History of the World An Englishman Looks at the World Being a Series of Unrestrained Remarks upon Contemporary Matters Ann Veronica A Modern Love Story

with Jules Verne and the publisher Hugo Gernsback utopian works and foresaw the advent of aircraft tanks space travel  
nuclear weapons satellite television and something resembling the World Wide Web His science fiction imagined time travel  
alien invasion invisibility and biological engineering *European Modernism and the Information Society* W. Boyd  
Rayward, 2017-05-15 Uniting a team of international and interdisciplinary scholars this volume considers the views of early  
twentieth century European thinkers on the creation dissemination and management of publicly available information  
Interdisciplinary in perspective the volume reflects the nature of the thinkers discussed including Otto Neurath Patrick  
Geddes the English Fabians Paul Otlet Wilhelm Ostwald and H G Wells The work also charts the interest since the latter part  
of the nineteenth century in finding new ways to think about and to manage the growing body of available information in  
order to achieve aims such as the advancement of Western civilization the alleviation of inequalities across classes and

countries and the promotion of peaceful coexistence between nations In doing so the contributors provide a novel historical context for assessing widely held assumptions about today s globalized post modern information society This volume will interest all who are curious about the creation of a modern networked information society *Betty Standish* Arthur James Anderson,1914 [Six Questions of Socrates: A Modern-Day Journey of Discovery through World Philosophy](#) Christopher Phillips,2011-01-17 How people around the world grapple with the great questions posed by Socrates What is virtue What is moderation What is justice What is courage What is good What is piety Socrates thought that understanding the perspectives of others on these six great questions would help him become a more excellent human being Following in Socrates s footsteps Christopher Phillips Johnny Appleseed with a master s degree Utne Reader investigates these same questions beginning in the marketplace of modern day Athens He goes on to investigate the timely responses and outlooks of people from different cultures and backgrounds around the world from Greece and Spain to Japan and Korea Mexico City and Chiapas where the region s indigenous people struggle for fundamental human rights Phillips also traveled throughout the United States holding dialogues in diverse communities from New York City to the Navajo Nation Introducing us to less familiar thinkers in non Western traditions who were kindred spirits of Socrates Phillips enlarges our perspectives on life s fundamental questions creating an innovative world survey of philosophy **A History of Economic Thought in Japan** Hiroshi Kawaguchi,Sumiyo Ishii,2022-01-13 This ground breaking book provides the first English language survey of economic thought in modern Japan Significantly it offers both a detailed study of economic thought from 1600 to 1945 and a nuanced analysis of Western and Asian perspectives on the field of Japanese economic history Expertly translated from Japanese and written by leading scholars in the field this exciting study includes A novel approach to economic thought which contextualizes the core values of thinkers across the period A comparative analysis of Japanese economic history which looks at the continuities across the Meiji divide The extensive use of archival sources many of which were previously unavailable in English A History of Economic Thought in Japan 1600 1945 serves as a case study of how Western economic ideas spread to non Western regions and interacted with indigenous ideas It will therefore be of immense value to both scholars of economic thought and those seeking a deeper understanding of the moral intellectual and societal forces that shaped modern Japan **First and Last Things** Herbert George Wells,1908 *The Samurai's Daughter* John J. Healey,2019-08-27 A tale of personal discovery familial obligations and competing cultural expectations is at the heart of this exciting sequel to *The Samurai of Seville* Soledad Maria called Masako by her father is a child of two worlds Born in Seville in the seventeenth century she is the daughter of a beloved Spanish lady and a fearsome samurai warrior sent to Spain as a member of one of the most intriguing cultural exchanges in history After her mother s death Soledad Maria and her father set out to return to Japan though a journey across the world can never be without peril Once they return even their position in her father s home is not secure As they try to stay one step ahead of those who would harm them Soledad Maria finds

herself grappling with not only the physical challenges of her many voyages but with who she is which legacy to claim that of a proper Spanish lady or of a samurai and which world she can really call home The Samurai s Daughter is an essential and timeless story of accepting ourselves and finding our place in the world **Canadian Unionist** ,1927 The Way of the Conscious Warrior P. T. Mislberger,2019-09-27 The early 21st century is a complex time presenting unique challenges for men This book examines many of those challenges from dysfunctional relationships and confusion about what it means to be male in the postmodern world to understanding the dark side of the masculine psyche as well as how to apply the best qualities of warrior consciousness to experience overall success and fulfilment in life *Ninja Warrior* Jennifer Warner,2014-06-24 Ninjas have been protecting Japan in the shadows for hundreds of years No warrior has ever operated with such honor and skill The ten ninjas profiled here are amongst the greatest Japan has ever known They forever shaped both the history and folklore of the Ninja Profiles are included of the following Ninja s Kirigakure Saizo Mochizuki Chiyome Ishikawa Goemon Fuma Kotaro Kato Danzo Hino Kumawaka Yagyu Munetoshi Hattori Hanzo Jinichi Kawakami Yamato Takeru *Sword of Zen* Peter Haskel,2012-10-25 Takuan S ho s 1573 1645 two works on Zen and swordsmanship are among the most straightforward and lively presentations of Zen ever written and have enjoyed great popularity in both premodern and modern Japan Although dealing ostensibly with the art of the sword Record of Immoveable Wisdom and On the Sword Taie are basic guides to Zen user s manuals for Zen mind that show one how to manifest it not only in sword play but from moment to moment in everyday life Along with translations of Record of Immoveable Wisdom and On the Sword Taie the former composed in all likelihood for the shogun Tokugawa Iemitsu and his fencing master Yagy Munenori this book includes an introduction to Takuan s distinctive approach to Zen drawing on excerpts from the master s other writings It also offers an accessible overview of the actual role of the sword in Takuan s day a period that witnessed both a bloody age of civil warfare and Japan s final unification under the Tokugawa shoguns Takuan was arguably the most famous Zen priest of his time and as a pivotal figure bridging the Zen of the late medieval and early modern periods his story presented in the book s biographical section offers a rare picture of Japanese Zen in transition For modern readers whether practitioners of Zen or the martial arts Takuan s emphasis on freedom of mind as the crux of his teaching resonates as powerfully as it did with the samurai and swordsmen of Tokugawa Japan Scholars will welcome this new annotated translation of Takuan s sword related works as well as the host of detail it provides illuminating an obscure period in Zen s history in Japan *Kyoto University Economic Review* ,1928 **KidsROCC.org** Robert C Wingate,2006-06 *The Contemporary Review* ,1906 **Preacher and Homiletic Monthly** ,1913 *The Homiletic Review* ,1913 **The Works of H.G. Wells** Herbert George Wells,1925

## **Sort Of Samurai** Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has become much more evident than ever. They have the capability to inspire, provoke, and ignite change. Such could be the essence of the book **Sort Of Samurai**, a literary masterpiece that delves deep into the significance of words and their impact on our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
