Soul Of The Enterprise:

The Soul of Enterprise Ronald J Baker, Ed Kless, 2015-02-26 The world's economy has been transformed from a twentieth century materials based economy to the Age of the Knowledge Based Economy and the currency of this realm is ideas imagination creativity and knowledge According to The World Bank 80% of the developed world's wealth now resides in human capital Perhaps President Ronald Reagan said it best in his address to Moscow State University on May 31 1988 Like a chrysalis we're emerging from the economy of the Industrial Revolution an economy confined and limited by the Earth's physical resources into as one economist titled his book the economy in mind in which there are no bounds on human imagination and the freedom to create is the most precious natural resource Written by Ronald Baker and Ed Kless hosts of The Soul of Enterprise Business in the Knowledge Economy the popular radio show on Voice America's Business Channel The Soul of Enterprise Dialogues on Business in the Knowledge Economy sounds the clarion call that organizations can no longer ignore this seismic shift that has occurred in the economy since 1959 The Soul of Enterprise introduces the three components of Intellectual Capital human capital social capital and structural capital and how to leverage them to create wealth in today's economy by revealing The physical fallacy why wealth no longer consists of tangible things but of ideas imagination and knowledge from human minds The best learning tool ever invented After Action Reviews Why Frederick Taylor and the Scientific Management movement was a fraud and the wrong focus for knowledge workers The fact that effectiveness always and everywhere trumps efficiency The First Law of Pricing All value is subjective The Second Law of Pricing All prices are contextual The Morality of Markets Doing well and doing good Why your organization and you need to be driven by a higher purpose than profit The Soul of Enterprise will inspire and challenge readers to unlock the enormous financial and competitive power hidden in the intellectual capital of their organizations and knowledge workers

Breaking Grounds Bingxin Hu, 2004 Hu records her experiences as a pioneering Chinese business woman who succeeded in modernizing the aging Chinese retail business Based on her years of business experience Hu recounts the turmoil clashes of concepts and behind the scene decisions in the Chinese retail business as well as psychological shocks emotional perplexes and intellectual apprehension she went through As CEO of a large department store in China Bingxin Hu initiated a number of groundbreaking moves that substantially changed and revitalized the Chinese retail business **Biker Gangs and Transnational Organized Crime** Thomas Barker, 2014-10-17 Biker Gangs and Transnational Organized Crime Second Edition describes and analyzes a rapidly expanding global problem criminal acts committed by motorcycle gangs Thomas Barker one of the world's top experts on outlaw biker gangs offers fascinating details about the Bandidos the Vagos the Mongols and other one percenters criminal biker gangs as opposed to the vast majority of motorcycle enthusiasts He combines this data with a strengthened conceptual framework that makes sense of this complicated picture U S based motorcycle gangs like the Hells Angels have proliferated especially in Canada and Europe to the point where these gangs

have more members in other countries than in the United States Increasingly more often in recent years their crimes are not limited to rumbles or drug use these gangs challenge the dominance of organized crime leading to violent conflicts between the rivals Germany Scandinavia the UK the Netherlands and Canada are particularly hard hit by this rising violence One of Barker s unique contributions is his Criminal Organization Continuum building on the groundbreaking network approach to organized crime proposed by Klaus von Lampe Introduced in the first edition Barker elaborates his continuum tool and makes it more multi dimensional to help refine the definition of adult criminal gangs The product of years of research this book lays the groundwork for further study by offering students police and researchers the most thorough account available of outlaw motorcycle gangs [How to Develop Peace in the World](#) Simon Monbaron,2003 Normal trade discount apply
