Soul Sex A Sexual Adventure Through The Chakras With Erotic Escapades In Exotic Lands:

Soul Sex Pavitra, 2004 A sexual adventure about a New Zealand girl traveling the world in search of the ultimate sexual experience 12 chapters and 12 different countries Along the way she has a lot of sexual and spiritual awakenings and in the end discovers Soul Sex Reading Soul Sex is an outrageous experience The sense of adventure the awareness of human sexuality and the close focus on the chakras and their physical experience makes for a dizzying read as you follow the voice of the narrator through the outback of Australia African jungles and the deserts of the Middle East All this from the perspective of a woman Be it fiction or not just imagining a woman free to move physically through the world alone and unafraid is a breath of fresh air The bravado and strength that comes through the story is empowering as well as being erotic and entertaining Pavitra has taken a new approach to timeless material and refreshed it in such a way that the reader is hardly conscious of their assimilation of information With the narrator we make our way through the workings of the chakras the differences in global cultures and of course sex Without a moment of lecturing the narrator reminds us of the importance of living every moment and of honoring oneself as well as a reminder to get out into the world to see the amazing array of cultures ways of living environments and sensations A very special personal and touching story about the discovery of the self and a highly recommended read Vision Magazine CA
