 Forced to come into a world of martial arts if it were not a mysterious weapon with him it would be difficult for him to survive His body was instantly destroyed because of a sneak attack by a friend when they were deep in the predicament and his soul traveled through time and space to a world respected by martial arts The strong men and denominations here are as much as trees in forests He was humble at first and found it difficult to adapt But there must be a reversal in desperation When his soul fled he accidentally took away a weapon with a mysterious power With this weapon he practiced faster than others and his martial arts were also stronger Even becoming an imperial emperor is no longer whimsical About the Author Hei Pao Lao Zu an outstanding online novelist He is especially good at fantasy novels His novels are rich in twists and turns and are welcomed by most readers John's Gospel Hermann Beckh,2021-11-10 That there is a living stream of Johannine Christianity can no longer be doubted There is now an abundant literature from Rosicrucian and esoteric traditions from the deepest prayer and meditation that addresses the exalted nature of John the Evangelist as expressed through his Gospel Letters and the Book of Revelation Yet it fell to Hermann Beckh to elucidate clearly how the individual known as John became the source of such undying love and wisdom in Christ According to Rudolf Steiner John was the ailing Lazarus called from death to a new life as the disciple Jesus loved Beckh demonstrates how John s invaluable writings were based on personal spiritual knowledge and experience expressing the divine work of the Cosmic Christ on human nature and on the Earth leading far into the future Whilst Beckh s authorship originated within the context of the emerging Christian Community founded in 1922 his profoundly original books could not be confined to its framework Not only could Beckh tackle original texts in Tibetan Sanskrit and Avestan but through his independent vision he was able to establish new links with philosophical Alchemy Jakob B hme Goethe Nietzsche and Novalis He thereby stands with these figures as a co worker in a greater community Having prepared the way with his Mark s Gospel of 1928 John s Gospel could be described as the
