Soul On The Couch:

Soul on the Couch Charles Spezzano, Gerald J. Gargiulo, 2013-06-17 Ever since Freud put religion on the couch in *The Future of an Illusion* there has been an uneasy peace with occasional skirmishes between these two great disciplines of subjectivity As prime meaning givers God and the unconscious have vied for supremacy in our thinking about ourselves especially our thinking about our human nature our moral stature and our destiny Freud in his bold manner found projection fear and denial to be the wellspring of religion s domination over man In analogous fashion those giving primacy to the soul over the unconscious have long dismissed psychoanalysis as mechanistic reductionistic and hence inadequate to the examination of spirituality *Soul on the Couch* is premised on the belief that discourse about the soul and discourse from the couch can inform and not simply ignore one another It brings together scholars and psychoanalysts at the forefront of an interdisciplinary dialogue that is vitally important to the growth of both disciplines Their essays are not only models of reflective inquiry they also illuminate the syntheses that emerge when analysts and scholars of religion bridge the gap that has long separated them and speak to one another

Soul's Gate James L. Rubart, 2012-11-05 Every now and then we get a break from reality A glimpse into the other world that is more real than the reality we live in 99 percent of our days The Bible is about a world of demons and angels and great evil and even greater glory What if you could travel inside another person s soul To battle for them To be part of Jesus healing their deepest wounds To help set them free to step boldly into their divinely designed future Thirty years ago that s exactly what Reece Roth did Until tragedy shattered his life and ripped away his future Now God has drawn Reece out of the shadows to fulfill a prophecy spoken over him three decades ago A prophecy about four warriors with the potential to change the world if Reece will face his deepest regret and teach them what he has learned They gather at a secluded and mysterious ranch deep in the mountains of Colorado where they will learn to see the spiritual world around them with stunning clarity and how to step into the supernatural Their training is only the beginning The four have a destiny to pursue a freedom even Reece doesn t fully fathom But they have an enemy hell bent on destroying them and he ll stop at nothing to keep them from their quest for true freedom and the coming battle of souls Readers with high blood pressure or heart conditions be warned this is a seriously heart thumping and satisfying read that goes to the edge jumps off and builds wings on the way down Publishers Weekly

Deep State: The Soul's Pact If you seek power, sign away your soul. And if you seek wealth, fulfill your pact. Centuries ago, unseen hands moved behind the scenes of history. Kings made decisions, wars took directions, popes fell from grace, and even revolutions were all part of a preordained script. In the present day, a war is raging between CBDCs and cryptocurrencies shaking the global financial system. Some call it the redistribution of wealth, while others declare this is the beginning of control. Nemesis, who seeks to protect the world's reserve currency, Eden, who designs a new financial order. And in between them, a man forgotten by time, Simon Gray, the last descendant of the Freemasons, now reduced to a janitor in New York. Raised in an orphanage, he expected to lead an ordinary life. But the moment he finds his grandfather's journal, he begins to confront the darkness that the world has hidden. A sentence from the journal: Stay awake. For you do not know when the master will return. This journey, which began in Rome, Italy, spans across the UK and Israel, where Simon gradually faces the entities that have ruled the shadows of history: The Freemasons, Nemesis, and Eden. The Freemasons, The Crusades, the Black Plague, the Industrial Revolution, the French Revolution, the Reformation, the great turning points of history were never mere coincidences. Nemesis, a Chinese-dominated faction. Two world wars, fascism, and communism, the massive sacrifices made by nations, all part of their grand design. Eden, a Jewish-dominated faction, a competing force that promises freedom and choice. Are they truly the liberators, or is it just another form of control? Among them, who is the true good? Or does such a thing as good even exist? What is written on the final page of the torn journal: Are you ready to make the pact to know the truth?
