Soul Passages:

Life in Christ William Robert West, 2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it Soul Stories Gary Zukav, Linda Francis, 2012-12-11 In his bestselling

book THE SEAT OF THE SOUL Gary Zukav s driving concept was multi sensory perception an innate sense that allows people to experience the world beyond the five senses to listen harder to who they are and ultimately to save one s life Now in SOUL STORIES Gary Zukav brings this concept and many others vividly alive with marvellous true stories of how they manifest themselves in individual lives This book is enormously practical in the way the author builds on each specific story to a discussion of its application to the reader s needs leading to a deeper understanding of authentic power and inner peace And best of all it is wonderfully readable and even more accessible than THE SEAT OF THE SOUL **Soul Stories :**

Journeys of the Soul Michael Pereira, Soul Stories Journeys of the Soul Volume 1 is an extraordinary collection curated by Michael designed to ignite your passion and motivation In this six volume series Michael carefully selects and shares 60 stories that touch the depths of your soul reminding you that no obstacle is too great to overcome with faith courage and determination Delve into one story each day for the next 60 days allowing their profound impact to permeate your being This book is a catalyst for unlocking your inner fire and creating a ripple effect of positivity Experience the transformative power within you through Soul Stories Journeys of the Soul today Soul Stories Elizabeth Clark-Stern, 2011 The characters in Soul Stories are so alive and compelling that they jump off the page right into your heart Clark Stern has the rare ability to blend her imaginative poetic voice with exciting page turning plots Soul Stories will not only touch and engage young readers but are great adventures that will appeal to all ages Beverly Olevin winner of Kirkus Discoveries Best Fiction 2010 The Good Side of Bad Soul Stories explores two worlds the world we know with our feelings and senses sight scent touch belonging joy loss renewal and the parallel world of dreams intuition imagination and the dimension of the unknown Together these realms inform shape challenge and nurture the soul Safari to Mara finds our heroine on the brink of womanhood in Masai society The only daughter in a sonless family she is drafted to do work in the modern world yet tradition calls her to prepare for initiation as a wife In the wilderness of her namesake Kenya s Masai Mara she finds an improbable guide who leads her into

the mysterious recesses of her awakening heart Aria of the Horned Toad begins with the dream of a horned toad crawling out of Beatrice's eyes so real I could feel his prickly little feet on my nose And so begins an odyssey to the source of all dreaming Beatrice believes that in this dark and luminous place she can find someone to fashion a dream to fix her Mama's terrible ways and soothe the longing in her own wild spirit *S.O.U.L (Stories Of Ur Life)* Tridib Ghosh,2019-11-04 Every day millions of people live their stories Every moment is a story in itself Their sorrow fear anxiety love heartbreak fights duties achievements failures are nothing but pieces of un narrated stories I have just tried to narrate a little bit of it with some imaginative twist in the tales The figment of imaginations make one wonder are they as simple as they look Welcome to your S O U L Stories of ur life told by me S O U L is a collection of short stories that takes you though the biggest roller coaster ride called Life **A Story of the Soul's Journey in the Nag Hammadi Library** Ulla Tervahauta,2015-08-19 Authentikos Logos NHC VI 3 also known as Authoritative Teaching is a little studied story of a soul's descent and ascent in the Nag Hammadi library With her book Ulla Tervahauta fills a gap in the scholarship and provide the first monograph length study that has this writing as its primary focus The aim is to find a place and context for Authentikos Logos within early Christianity but Tervahauta also adds new insight into the scholarship of the Nag Hammadi Library and study of early Christianity Contrary to the usual discussion of the Nag Hammadi writings from the viewpoint of Gnostic studies she argues that Authentikos Logos is best approached from the context of Christian traditions of late ancient Egypt between the third and the fifth centuries Tervahauta discusses the story of the soul's journey in light of various Christian and Platonic writings Also she analyses the relationship of Authentikos Logos with the Valentinian Wisdom myth and suggests that no firm evidence connects the writing closely with Valentinian traditions And although a Platonic mind set can be assumed the writing combines motifs in a unique manner For example the four epithets used in the writing the invisible soul the pneumatic soul the material soul and the rational soul are not found thus combined elsewhere Discussion of matter hyle is connected with Christian scriptural allusions and the focus is on ethics and the evilness of matter The body on the other hand is the soul's place of contest and progress The Pauline term pneumatic body 1 Cor 15 44 is used allusively and from a Platonic perspective With this book Ulla Tervahauta makes an important contribution to the study of early Christianity in late ancient Egypt by discussing a writing that shows knowledge and creative combination of literary traditions that circulated in late ancient Egypt The Mirror of Simple Souls Margaret Porette,1999-05-15 When Dr Romana Guarnieri in a letter to Osservatore Romano 16 June 1946 announced her discovery that Margaret Porette d 1 June 1310 was the author of The Mirror of Simple Souls certainly a major French document of pre Reformation spirituality a sensation was created in the academic world Although The Mirror is one of the few heretical documents to have survived the Middle Ages in its entirety both its title and its authorship were among the most persistent and troublesome problems of scholarly research in the field of medieval vernacular languages The Mirror in its original French survives only in the fifteenth century manuscript which

the great Cond Louis II de Bourbon had acquired for his palace at Chantilly And so far as can be known all that remains with which to compare the readings of this manuscript text are those translations of The Mirror which also in manuscript are to be found in Latin Italian and Middle English This edition of The Mirror of Simple Souls is a translation from the French original with interpretive essays by Edmund Colledge O S A Judith Grant and J C Marler and a foreword by Kent Emery Jr The translators of this Modern English version rely primarily on the French yet take other medieval translations into account As a result this edition offers a reading of The Mirror which solves a number of difficulties found in the French and the introductions contributed by the translators narrate the archival history of the book for which Margaret Porette was burned alive in Paris in 1310

Roy, 2018-10-15 Recently in the past thirty years there has been an upsurge in serious treatment of Platonic mythoi which were once thought to be only literary decoration and or the simplistic presentation of philosophic conclusions for the demos dummies in effect Nevertheless the dominant tendency in the exegesis of Platonic mythoi still is to subordinate them to philosophic logos reason and not to recognize that such mythoi are philosophic in themselves in the broad sense of the love of wisdom There is something conversional about Plato's philosophic mythos reformulating and superseding traditional Greek mythos and then charting the drama of the human soul from Socratic aporia up and out of the cave and into the beyond the Idea of the Good The late Professor Eric Voegelin

understood this existential drama and his exegesis of Platonic mythos from engendering pathos to symbols is revelatory to say the least My understanding is that logos reason is a fundamental and necessary check on mythos but logos and mythos are complementary via medias neither are dispensable nor reducible one to the other Also crucial to my study of Platonic mythoi is the analogy of being that Voegelin only touches on but Erich Przywara explores and develops The relationship between the human and the divine is analogical likenesses but also significant unlikenesses and Plato certainly explored the play of opposites and affinities covering the difficult philosophical problems of becoming and being and the temporal and the eternal Most philosophic commentators on Plato ignore the suffusive presence of the divine in Plato s love of wisdom Perhaps only Platonic mythos at its best offers the philosophic imagination the vision of transcendence The Theosophical Quarterly ,1906 **The history of civilization, from the fall of the Roman empire...** Francois Pierre Guillaume Guizot,1911 The History of Civilization François Guizot,1846
