The Diva's Guide to Selling Your Soul Kathleen O'Reilly, 2005-04-05 Don't hate me because I'm beautiful Call me V I used to be a nobody just a girl from New Jersey who was probably going to hell anyway or worse mediocrity and a size 14 Now I get whatever I desire just by casting a little spell a flawless body a luxury penthouse and a Fifth Avenue shop where rich women clamor for my overpriced handbags Even better I have power I can taunt my ex husband break hearts without guilt and love every minute of it My secret I lost the one thing I never needed in the first place my soul I sold it And you'll never guess who's got it now She's a devil in disguise You know her as the dishiest gossip columnist in the city's trashiest tabloid I call her Lucy And our deal is this the more clients I recruit for her Life Enrichment Program the greater my rewards But just between us my fast track to heartless apathy has hit a few speed bumps lately I've had the totally annoying impulse to do things that are good First there was rescuing a kid in the park Then there was the date with the handsome decent guy who wasn't even a celebrity What's next giving to charity or something All I know is Lucy doesn't like it not one little bit And when she finds out there will be hell to pay

Souls for Sale Terry Lindvall, 2021-07-09 The beginning of the twentieth century evolved out of an era of Freethinking atheists and agnostics who challenged the Protestant hegemony of the day Key among these mavericks was author and filmmaker Rupert Hughes uncle to Howard Hughes In 1922 Hughes published Souls for Sale his wickedly playful satire of the Bible belt and Hollywood offering a mischievous snapshot of the film industry as it struggled against a conservative Zeitgeist The novel follows the prodigal adventures of a clergyman's daughter as she stumbles into the movie industry and finds it to be a new and liberating moral universe Hughes's adaptation of his sly work challenged the religious hierarchy of his day but ultimately fell by the wayside even with the support of Hollywood icons like Eric von Stroheim and Charlie Chaplin Souls for Sale offers a glimpse into the emerging Jazz age of moviemaking against the backdrop of a country moving from its traditional roots into the kinetic ways of Hollywood

Davis, 2020-02-02 Frankie has led a mostly benign life save for the genetic curse bestowed upon her family that snatched most of them away It has threatened her until her older sister Alex found a loophole Fast forward three years later Frankie is a dark and brooding chain smoker who spews too much profanity and loves a more than occasional vodka cocktail It's the only thing that seems to take the edge off having to show up at work every day as an Afterlife Sales Representative Frankie and her sister are now Sealers supernatural immortals who brand humans guaranteeing them a spot in the Red Realm AKA Hell for all eternity in return for whatever the human desires Fame and money and happiness are at anyone's fingertips but it comes with a price When Frankie meets Lake a beautiful being from another realm everything changes Lake enlists her help to destroy the business of soul selling and offers a way out of the devilish contract that binds her soul to Hell But Frankie can

t seem to decide whether or not she wants to give up her current situation While her freedom is limited under her bosses ruling she has come to appreciate the art of loneliness and having the ability to drown her sorrows in a bottle of booze But when Alex s soul becomes endangered Frankie is asked to make the ultimate sacrifice herself Can Frankie and her sister be saved

The Soul and Secrets of Its Structure Larisa Seklitova, Ludmila Strelnikova, 2011-04-04 Since ancient times people have known about existence of the soul Every present religion on the Earth acknowledges that the man has it and all religions confirm that the soul is immortal and its loss is equal to death People offer prayers about salvation of their souls as the greatest value Many religions accept the reincarnation theory i e incarnating of the soul when the soul leaves human body after death and moves to newly born human body to proceed its development Thus what is the soul and whats the structure Our Heavenly Teachers have decided that it is time to give the humanity of third millennium new knowledge about the soul as people of sixth race who will live on the Earth in this period of time will be able to accept and understand these revealed truths This book is devoted to this topic New knowledge about the soul is shown up with care not to shock by the avalanche of new concepts For the first time they revealed that the soul is not only the eddy of invisible spirit but it has like the human body its own structure The first chapter of the book is about the structure of the soul Creation of Soul Jesus Christ says in the Bible In my Fathers house there are many rooms This means there are many inhabited worlds in the Cosmos Souls for these worlds are created by God himself and his aides special Hierarchical Systems It takes 9 cosmic years to create one soul One cosmic year is approximately equal to 1 billion earthly years because time of God and time on the Earth flies differently God creates the soul and makes it spiritual The only God governs the Great Secret of vivification Without vivification there cannot be life as well When we asked God What is the soul He answered The soul is the integral part of the Absolute Many souls are sort of its interior filling They are its main Units like cells in your body All souls piece out the huge nature of the Absolute and God Structure of Soul The Soul is the complex energetical construction It is a volumetric favose structure matrix where one volume enters another and all are merged Cells of the matrix are completely digits which carry out energy Total volume of the soul is called configuration Types of soul configurations vary greatly The self construction principle is laid in the matrix Every soul while developing builds its configuration basing on energetical volumes which fill up cells of the matrix Qualitative and quantitative composition is different within all matrices That is the reason why there are no two absolutely similar souls The matrix is of great importance for every individual because a personality is not personality without it Individual ceases existing without the matrix as an inspired creation The soul is triune It consists of 3 principles plus minus and managerial When a soul has just been created all these three principles are equal and every part occupies 1/3 of total matrix volume In the course of development the balance between its parts constantly changes although if the managerial part reaches half the volume it maintains this balance This is a program of soul construction Soul Development Development and improvement of soul in everyday life consist in acquisition of life experience new knowledge evolving
