Profit at the Bottom of the Ladder Jody Heymann, 2010-05-12 Most managers assume that surviving especially in recessions requires slashing wages benefits and other workforce expenses And lowest skilled workers are often viewed as the most expendable In Profit at the Bottom of the Ladder Jody Heymann overturns these assumptions Drawing from thousands of interviews with employees from front line to C suite at companies around the world Heymann shows how enterprises have profited more by improving working conditions She also demonstrates that lower skilled employees in call centers repair services product assembly aren t expendable They can determine 90 percent of companies profitability High performers positively shape customers perceptions of businesses driving satisfaction and loyalty To attract train and retain top caliber people in these roles you must enhance working conditions creating a system in which your company and its employees profit together Profit at the Bottom of the Ladder shows what works from stock options for bakers to flexibility for factory workers to career tracks in call centers Featuring cases from companies around the globe including a leading concrete manufacturer in India a top European pharmaceutical firm operating in China and successful U S manufacturers this book shows how real

organizations are excelling financially by strengthening frontline employees working conditions **The Family And Medical Leave Act** Michael Murphy, Mark Waterfill, Janet Braun, 2004-12-01 This book is a unique masterpiece which provides the opportunity to delve into a deep understanding of health disease and healing The reader will have an adventure of discovery such as never experienced before THE BODY KNOWS BEST is the theme which underscores this unique creation The book introduces the reader to Quantum Therapy the ultimate healing modality light years ahead of anything else that s available on the planet The secret of its success is that pertinent information can be uncovered with complete certainty by approaching the highest authority THE BODY ITSELF which is the Holder of Knowledge We dwell within this body 24 hours a day 7 days a week and anything that ever happened to us injury pain infection trauma loss frustration is embedded deeply in the fiber of our tissues in the memory of every cell Through Biological Communication we can uncover the underlying causes of pathology and dysfunction identify obstacles blocks or barriers that may be an impediment to healing and pinpoint the best way of eradicating these and supporting the body in its journey toward health restoration gently quickly and completely

Raising the Global Floor Jody Heymann, Alison Earle, 2010 Working conditions impact our health the amount of time we can spend with family our options during momentous life events and whether we keep or lose a job when the unexpected occurs The global community has accepted the argument that any country that guarantees decent working conditions will suffer higher unemployment and be less competitive This book shatters this view by presenting the first ever global analysis of the relationship between labor conditions national competitiveness and unemployment rates in 90 countries **Human Resources Management** , 2006
