The Final Hour:

The Final Hour Taylor Caldwell, 2018-10-02 In the final chapter of the saga that began with *Dynasty of Death* and *The Eagles Gather* a global munitions empire must take sides in World War II Peter Bouchard journeyed from afar to intervene in the power struggle between Armand and Christopher Bouchard At stake was control of the family's vast conglomerate spanning the armament airplane and automobile industries Now Peter and his wife Celeste have returned from Europe where the winds of war are blowing once again Peter warns that the coming conflict will be one of the darkest chapters in human history but the Bouchards have always profited in dark times Henri Bouchard has grown into a ruthless tycoon but when he sees the threat to America he throws himself into the war effort with single minded determination As he battles bureaucracy and rival powers within his own family he finds himself drawn to Celeste the woman he once loved This one of Taylor Caldwell's most subtle romances awakens Henri's compassion even as it threatens his grip on the Bouchard dynasty A sprawling lush novel that captures the clamor and uncertainty of the years before the Second World War *The Final Hour* is a fitting conclusion to the trilogy that stands as one of Caldwell's finest achievements Kirkus Reviews

The Final Hour Taylor Caldwell, 1945

Until the Final Hour Gertraud Junge, 2004 Offering an insider's perspective on the final days of the Third Reich the recollections of a woman who became Hitler's secretary in 1942 sheds new light on his day to day life character and habits

The Final Hour Naguib Mahfouz, 2010-08-01 Hamid Burhan a retired government employee and his loyal wife Saniya have built themselves a home in the quiet southern suburb of Helwan where they raise their son and two daughters expecting life to remain as blessed as it was in the photograph of the happy family at a picnic in a Nile side park in the early 1930s Events in the wider world impinge wars revolution peace with Israel while Saniya and the old house in Helwan remain the bedrock of the family's values But everyone else is buffeted in one way or another by the tumultuous processes of change in Egyptian politics and society In this compact novel written in 1982 Naguib Mahfouz again uses a family saga as he did in his *Cairo Trilogy* to reflect on the processes of enormous social transformation that Egypt underwent in the space of a few generations in the twentieth century

Until the Final Hour Traudl Junge, 2012-11-15 To have such an uncomplicated unaffected witness present at some of the key defining moments of the 20th century was fortunate for historians her

testimony rings absolutely true when other politically motivated accounts of the last days of Hitler do not. Andrew Roberts Traudl Junge was 22 years old and dreamt of a career as a ballerina until the opportunity of her life beckoned and she was appointed as Adolf Hitler's secretary. From 1942 until his death she was at his side in the bunker typing his correspondence, his speeches and even his last private and political will and testament. It was only after the war that the horrible reality of Hitler's regime began to dawn on her and she became racked with guilt for liking the greatest criminal ever to have lived. Her journal written in 1947 is a startling eyewitness account of Hitler's court during its final years and of the building sense of doom as the war progressed.

“The Last Seven: A Novel of Earth's Final Hour” DR. PAUL CRAWFORD, 2025-08-01. *The Last Seven: A Novel of Earth's Final Hour* By Dr Paul Crawford. What if everything you thought you had time to do suddenly didn't matter anymore? In the blink of an eye millions vanish. Planes fall from the sky, cars crash without drivers and chaos engulfs every corner of the globe. The Rapture has taken place and the age of grace has come to a sudden shattering end. The world that remains is a fractured shell of what it once was. Governments collapse. Faith is outlawed. A new world order rises from the ashes promising peace but delivering tyranny. And at the center of it all is one man, charismatic, cunning and possessed by a power not of this earth who claims to be humanity's only hope. This is not a work of fantasy. It is a fictional reflection of biblical prophecy made terrifyingly real. *The Last Seven* follows the lives of those left behind during the seven-year Tribulation foretold in Scripture: a time of unprecedented wrath, supernatural judgment and unimaginable suffering. But it is also a story of hope. A story of those who find faith in the fire. Who rise in the darkness. Who choose truth in a world ruled by lies. Told through the eyes of broken skeptics, repentant rebels, weary warriors and unlikely heroes, this novel spans continents and chronicles every trumpet blast, every seal broken, every bowl poured out from the heavens above. As the earth groans under judgment and evil rises to its final height, the countdown begins not just for the end of the world but for the ultimate return of the King. Are you ready for what's coming? Welcome to *The Last Seven: A Novel of Earth's Final Hour*. The clock has started. Eternity is near.
