The Firebird Trilogy:

The Firebird Trilogy Kathy Tyers, 2004 These critically acclaimed novels deftly chronicle one courageous woman's spiritual and physical battles and the eternal consequences of her struggle. With her own people seeking her sacrifice, Lady Firebird finds herself swept toward an exciting but perilous destiny. A Million Worlds with You Claudia Gray, 2016-11-01 The fate of the multiverse rests in Marguerite's hands in the final installment of the Firebird trilogy by New York Times bestselling author Claudia Gray. Ever since she used the Firebird, her parent's invention to cross through alternate dimensions, Marguerite has been at the center of a cross-dimensional feud. Now she has learned that the evil Triad Corporation plans to destroy hundreds of universes using their ultimate weapon: another dimension's Marguerite, who is wicked, psychologically twisted, and always one step ahead. Even though her boyfriend Paul has always been at Marguerite's side, the Triad's last attack has left him a changed man, and he may never be the same again. Marguerite alone must stop Triad and prevent the destruction of the multiverse. It's a battle of the Marguerites, and only one can win. In the epic conclusion to the sweeping series that kicked off with *A Thousand Pieces of You*, fate and family will be questioned, loves will be won and lost, and the multiverse will be forever changed. *Firebird* Katy Oden, 2015-07-10 Adelina Addie Stanton, her boyfriend, and her ex-best friend face overwhelming challenges they must overcome. Addie is a small-town girl who never knew the truth about her family's past; she's governed by a secret she spent her life unaware of. To help her are playboy ex-friend and secretive boyfriend. Join them as they fight for their lives while Addie unveils the truths of lies that surround her. Together they must find a way to protect Addie without revealing the truth of her to the world, but how? Can Addie save herself and those she cares for and keep her secret? *Beast* Katy J. Oden, 2016-10-01 Addie has just lost her best friend; not only does she have to deal with his loss but also his replacement. Gray spent his life looking for his purpose; now he is faced with it, and all the trouble that comes with her. Not only is he surrounded by his own curse, but Garret's also. How will they survive this time when all the world is against them? How will they win while their hearts and minds still suffer the losses of the past and present? The Firebird's Trail Louisa Dwyer, 2018-04-25 Happy are we to live in the Third Age; is the much-repeated refrain of Master Bards across the Six Kingdoms. Yet for the long-lived and highly evolved Peoples of the Upper Face, the world still presents many unknowns. A King reigns whose arm bears the golden mark of a Living Tale, and yet its meaning is a mystery. Why does he refuse to marry, and what strange apparition haunts his dreams? What is the Key to ushering in the Fourth Age? And just how old is the Old Man of the Sands? Unaware that she stands at the centre of events that will shape the world to come is Ravar, a woman of remarkable academic gifts, a Master Teacher, and a newcomer of unusual heritage. She will win more than the two great hearts who will compete for her affections, but can she accept either man when so much more is at stake? As the Forest Kingdom comes under threat, Ravar pursues her own answers, uncovering a great shame and injustice unworthy of the era. *The Firebird's Trail* is fantasy romantic fiction at its finest: an irresistible love story and a magical

adventure superbly woven together and the first in a spellbinding series **The Firebird Trilogy** Katy J Oden,2021-08-23 In Firebird Addie and Garret are introduced Both are dealing problems beyond what either of them expected In Guardian they learn some hard truths and face many losses They must fight so their love can endure In Beast new and old friends join together for the final battle Will they all come out on the other side alive *Firebird in Flight* Louisa Dwyer,2019-12-03 The burdens of Kings weigh heavy on their backs Never has the old proverb held so much meaning for the Sovereigns of the Upper Face Two maintain a dangerous secret which cannot much longer be kept Another is broken by sorrow and fire And one knows that the Hidden Places have come awake The world and its Peoples are changing Rulers must steer their nations through dangerous tides which threaten to overwhelm their realms But how can they do so when their own minds are full of uncertainty Loss and mourning hang over the West Anger and fear cloud the East It falls to Marketdawn to make the centre hold but in this Age one Kingdom cannot act alone Ravar of the Forest knows nothing of this for she is lost No one not even her Soul Friend can bring her back from her grief Commissioned with dual responsibilities and far from home how is she to know that in her hands the balance is held *Guardian* Katy Oden,2016-01-07 Addie's secret is out now she and her two guardians must fight to save their life Things are changing in their small town the witch maybe gone but there is whole world of supernatural they now have face Addie comes from a long line of demon hunters but without the proper training can she take on the demons that stand before her *The Azure Series* A.L. played out in his life a tale is spun a tale of true hearts wronged noble love gone awry dark deeds done for the sake of gold and sacrifices made for love In the end our pirate will come face to face with himself with his own death and with a God who promises grace where none is deserved Readers of Christian fantasy will once again be swept away by Bryan Polivka's compelling storytelling abilities As Publisher's Weekly said of the author's first book readers will be flipping pages eagerly
