The First Crusade A New History The Roots Of Conflict Between Christianity And Islam:

The First Crusade Thomas S. Asbridge, 2004 On the last Tuesday of November 1095 Pope Urban II delivered an electrifying speech that launched the First Crusade Now in The First Crusade Thomas Asbridge offers a gripping account of a titanic three year adventure filled with miraculous victories greedy princes and barbarity on a vast scale The First Crusade Thomas Asbridge, 2005 The chilling reverberations of the brutal First Crusade still echo in the world today as revealed in this gripping account of the titanic three year adventure Maps An Analysis of Jonathan Riley-Smith's The First Crusade and the Idea of Crusading Damien Peters, 2017-07-05 Perhaps no work of history written in the 20th century has done more to undermine an existing consensus and cause its readers to re evaluate their own preconceptions than has Jonathan Riley Smith s revisionist account of the motives of the first crusaders Riley Smith s thesis based on extensive original research and firmly rooted in his refusal to uncritically accept the evidence or reasoning of earlier historians is that the majority of the men who travelled to the east on crusade in the years 1098 1100 were primarily motivated by faith This finding which ran directly counter to at least four centuries of consensus that other motives not least greed for land were more important has helped to stimulate exciting reappraisals of the whole crusading movement Riley Smith backed it up with forensic examination of the key crusader inspiring speech delivered by Pope Urban II looking to clarify the meanings of five competing contemporary accounts in order to understand how an initially simple and rather confused appeal for help became a sophisticated rationale for the concept of just war **The First Crusade and the Idea of Crusading** Damien Peters, 2017-07-05 Riley Smith s 1986 book gives convincing case for a revisionist view of the crusades challenging the common belief that the crusades were motivated by fanaticism and were designed to plunder the Holy Lands After studying handwritten documents held in churches across Western Europe in which crusaders explained their personal reasons for heading out on the holy war he pioneered the use of computer spreadsheets to cross reference data on individual crusaders and their families allowing him to paint a much more complete picture than had been possible previously Riley Smith determined that most crusaders were motivated by spiritual devotion and a genuine desire to atone for past sins **A Study Guide for Torquato Tasso's "Gerusalemme Liberata"** Gale, Cengage Learning, 2016 A Study Guide for Torquato Tasso s *Gerusalemme Liberata* excerpted from Gale s acclaimed *Epics for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Epics for Students* for all of your research needs **The Oxford Encyclopedia of Medieval Warfare and Military Technology** Clifford J.
