The First Things Of Jesus:

First Things, 2007 **Spiritual Dangers** Dag Heward-Mills, 2014-08 A Christian walks in the midst of many dangers snares and traps This book will open your eyes to the many subtle dangers that lie in wait to harm injure and destroy us Help yourself save yourself and deliver yourself through this powerful book on spiritual dangers *God's Divine Plan for Humanity Vol. 1* Felix Wantang, 2023-01-31 This book is Volume 1 of God's Divine Plan for Humanity series You are a very important part of God's divine plan for humanity God wants to draw you closer to him and bring you to that place where you reach the full potential of your life far beyond your imaginable dreams When you read this book you will never look at your life and the world the same again you will start to see the world and understand the Bible better than ever before This book will take you to God's creative library step by step to unveil the mysteries of God's plan for humanity using the language of heaven The knowledge you gather from this book will draw you closer to God just like Abraham Isaac Jacob Joseph Moses David and Joshua all used the secret of the language of heaven to draw closer to God and fearlessly fight the spiritual forces of this sinful world Learn the hidden secrets of the supernatural language of heaven and see the world through the eyes of the author of life Jesus Christ When you look at the world do you believe there is something seriously wrong with the whole system Do you believe there is something not natural that for some inexplicable reason is holding humanity hostage You can analyze it from all political angles but the truth is the world is controlled by supernatural spiritual forces and unless you understand what it is and how it operates you will remain a slave to the system The Bible teaches in Psalm 24:1-2 that God owns the world and everything in it If God owns it all then he is in absolute control and God has the tools to set you free from the satanic forces of this sinful world The battles we face in this world are not natural Any attempt to use natural weapons to fight these battles is a big mistake you cannot use natural weapons to fight a supernatural battle When you believe the enemy and look at life through the eyes of the enemy you become engulfed and enslaved by the enemy but when you believe in Jesus and look at life through the eyes of Jesus you will ultimately become united to Jesus In life what you believe determines what you see The battle is in your mind The choice is yours In this world you will have trouble But take heart I have overcome the world John 16:33 *Meditations and Inspirations from the First Christian Bible (the Aramaic Peshitta) Volume 2* Rev. The New Conspirators Tom Sine,2009-10-25 If you have faith as small as a mustard seed Jesus says in the Gospel of Matthew nothing will be impossible for you That sounds good but does it work in a world where seeds are genetically altered by an impatient few and hard to come by for countless others In a world where the gulf between the very rich and the profoundly poor is constantly growing can a mustard seed faith make any difference And can such a little bit of faith be sustained in a world whose future is so uncertain on so many fronts Tom Sine says yes and he has the audacity to try to prove it in his latest book In The New Conspirators Tom surveys the landscape of creative Christianity where streams of renewal are flowing freely from diverse sources The emerging church Contemporary monastic movements The missional church The mosaic movement Individuals and communities of faith are coalescing in and drawing energy from these four streams to retrofit the church as it leads serves and gives witness to the kingdom of God in the turbulent times facing us Read the book and you ll want to and be prepared to join God s conspiracy to create a better future I'm Spiritual Not Religious David Cooper,2015-06-22
