The Flim-flam Man and Other Stories Guy Owen, 1980 **The New Encyclopedia of Southern Culture** M. Thomas Inge, Charles Reagan Wilson, 2014-02-01 Offering a comprehensive view of the South's literary landscape past and present this volume of *The New Encyclopedia of Southern Culture* celebrates the region's ever flourishing literary culture and recognizes the ongoing evolution of the southern literary canon As new writers draw upon and reshape previous traditions southern literature has broadened and deepened its connections not just to the American literary mainstream but also to world literatures a development thoughtfully explored in the essays here Greatly expanding the content of the literature section in the original *Encyclopedia* this volume includes 31 thematic essays addressing major genres of literature theoretical categories such as regionalism the southern gothic and agrarianism and themes in southern writing such as food religion and sexuality Most striking is the fivefold increase in the number of biographical entries which introduce southern novelists playwrights poets and critics Special attention is given to contemporary writers and other individuals who have not been widely covered in previous scholarship **Southern Writers** Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of *Southern Writers* assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners *Southern Writers* is an indispensable reference book for anyone intrigued by the subject **The Idiot And Other Stories** Fyodor Dostoyevsky, 2020-09-28 Towards the end of November during a thaw at nine o'clock one morning a train on the Warsaw and Petersburg railway was approaching the latter city at full speed The morning was so damp and misty that it was only with great difficulty that the day succeeded in breaking and it was impossible to distinguish anything more than a few yards away from the carriage windows Some of the passengers by this particular train were returning from abroad but the third class carriages were the best filled chiefly with insignificant persons of various occupations and degrees picked up at the different stations nearer town All of them seemed weary and most of them had sleepy eyes and a shivering expression while their

complexions generally appeared to have taken on the colour of the fog outside When day dawned two passengers in one of the third class carriages found themselves opposite each other Both were young fellows both were rather poorly dressed both had remarkable faces and both were evidently anxious to start a conversation If they had but known why at this particular moment they were both remarkable persons they would undoubtedly have wondered at the strange chance which had set them down opposite to one another in a third class carriage of the Warsaw Railway Company One of them was a young fellow of about twenty seven not tall with black curling hair and small grey fiery eyes His nose was broad and flat and he had high cheek bones his thin lips were constantly compressed into an impudent ironical it might almost be called a malicious smile but his forehead was high and well formed and atoned for a good deal of the ugliness of the lower part of his face A special feature of this physiognomy was its death like pallor which gave to the whole man an indescribably emaciated appearance in spite of his hard look and at the same time a sort of passionate and suffering expression which did not harmonize with his impudent sarcastic smile and keen self satisfied bearing He wore a large fur or rather astrachan overcoat which had kept him warm all night while his neighbour had been obliged to bear the full severity of a Russian November night entirely unprepared His wide sleeveless mantle with a large cape to it the sort of cloak one sees upon travellers during the winter months in Switzerland or North Italy was by no means adapted to the long cold journey through Russia from Eydkuhnen to St Petersburg The wearer of this cloak was a young fellow also of about twenty six or twenty seven years of age slightly above the middle height very fair with a thin pointed and very light coloured beard his eyes were large and blue and had an intent look about them yet that heavy expression which some people affirm to be a peculiarity as well as evidence of an epileptic subject His face was decidedly a pleasant one for all that refined but quite colourless except for the circumstance that at this moment it was blue with cold He held a bundle made up of an old faded silk handkerchief that apparently contained all his travelling wardrobe and wore thick shoes and gaiters his whole appearance being very un Russian *The Whole Story* John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences *Flim-flam Man* Jennifer Vogel,2004 An intense psychological portrait of a man a doting father a scheming philanderer a charming scammer counterfeiter and would be killer is recorded by the daughter who loved him *Live Nude Aliens and Other Stories* JD DeLuzio,2022-03-11 From a technological dystopia to small town Canada this collection of short fiction explores themes of change memory and things hiding in the shadows These tales previously published and new take classic space opera pest problems and the recent past in new and fresh directions Will electric light cast a world into darkness Do you remember 1971 when Kennedy was in the White House Hendrix sang about space and the extraterrestrials returned Has the invasion of the live nude aliens already begun When you look at the world and see things slightly askew our reality tilted just a few degrees then you get stories like these **The Umbrella and Other Stories** ,1904 **The State** ,1979-06 **The Flim-Flam City** Elvin C. Bell,2020-09-09 A sip and flip thriller The reader will meet

elected officials who rule their custom made government through murder corruption and cover up The strong determination of a victim s widow to see justice done takes matters into her own hands until finally the Federal Strike Force shows up But there are new dangerous obstacles to face before law and order is restored
