Summer Cannibals Melanie Hobson, 2018-09-11 Sisterly bonds dark desires and terrible secrets converge in this tale of scorching family dysfunction that ranges among the gothic domestic and carnal Publishers Weekly Summoned to their magnificent family home on the shores of Lake Ontario a paradisiacal mansion perched on an escarpment above the city three adult sisters come together in what seems like an act of family solidarity Pregnant and unwell the youngest has left her

husband and four young children in New Zealand and returned home to heal But while their home features immaculate gardens the likes of which few could imagine possessing it is also a place of trauma and vengeance where family togetherness leads to feasting on each other s sexual appetites and weaknesses Each daughter has her own particular taste and overlaying everything is their parents with unquenchable cravings of their own As the affluent family endures six intense days in one another s company old fissures reappear When long buried truths finally come to light the sisters and their parents must face the unthinkable consequences of their actions Ruff Life Donna Harris,2011-04-15 Bob and Mickey s peaceful retirement on Anna Maria Island Florida is disrupted when their grandchildren from Indiana spend the summer While the kids confront young local bullies their grandparents face senior citizen bullies as their Condo Homeowners Association board uses rules and fines to force them to move away from this tropical Paradise Sabra is a precocious deaf ten year old who flirts with college boys and pressures her grandparents to learn American Sign Language Davids twelve yearning for teenage independence while still dealing with childish fears Island boys Bone and Heath just want to make everyone miserable Reading this book is like living for a summer on the island Readers will feel the sea breeze enjoy meeting the AMI Privateers and walk the beach with Turtle Watch volunteers Youll spend time at the Community Center and party with families at Deaf Service Center events Come and enjoy real island locations take a cruise to Egmont Key and meet rescued dogs veterans cowards heroes and villains Boys' Life ,1995-03 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting *Stingrays and Eagle Rays* Pasquale De Marco,2025-04-06 Rays are a fascinating and diverse group of fish that can be found in all oceans around the world This book takes a comprehensive look at the world of rays covering their anatomy diet habitat behavior and reproduction It also explores the different types of rays that exist from the common stingray to the more exotic manta ray Readers will learn about the unique adaptations that rays have evolved in order to survive in their unique environment such as their flattened bodies venomous tail spines and specialized sensory organs They will also learn about the important role that rays play in the marine ecosystem both as predators and as prey This book is packed with amazing facts and stunning photographs that bring the world of rays to life Readers will learn about the largest ray in the world the manta ray which can grow to a wingspan of over 20 feet They will also learn about the smallest ray in the world the dwarf sawfish which is only about the size of a human hand In addition to providing a wealth of information about rays this book also highlights the threats that these creatures face such as habitat loss overfishing and pollution Readers will learn about the conservation efforts that are underway to protect rays and ensure their survival for future generations Whether you are a marine biologist an aquarium enthusiast or simply someone who is curious about the underwater world this book is sure to fascinate and inform you Dive in and learn more about the amazing world of rays today Rays are a truly remarkable group of creatures They are ancient having evolved over hundreds of millions of years They are also incredibly

diverse with over 500 known species Rays can be found in all oceans from the shallows to the deep sea They are also found in a variety of habitats including coral reefs seagrass beds and sandy flats No matter where you live there is a good chance that you have seen a ray at some point in your life Stingrays are often found in shallow waters near beaches and they can be a hazard to swimmers Eagle rays are also found in shallow waters but they are more common in open ocean Manta rays are the largest rays in the world and they can be found in tropical and subtropical waters around the world If you like this book write a review

Sharks of the Shallows Jeffrey C. Carrier, 2017-08-31 Thrilling underwater photographs enrich this unique guide to the shallow water sharks of Florida and the Bahamas Agile sleek and precise sharks display many qualities we can admire and appreciate These marvels of evolution have adapted to thrive in every major aquatic realm on the planet from frigid Arctic waters through temperate but stormy seas and on into the tropics However few places on Earth are home to the amazing diversity of shark species that beautify the shallow waters of Florida and the Bahamas In this first ever book dedicated to the sharks of this region biologist Jeffrey C Carrier reveals the captivating lives of these large marine predators and describes how they have survived for over 400 million years Guiding readers through basic biology key attributes and identification tips the book explores what makes sharks such successful apex predators Carrier explains fascinating phenomena including the reason for the bizarre shape of the hammerhead how a bull shark is able to swim hundreds of miles up freshwater rivers what lies behind sharks remarkable capability to learn and remember and why many scientists believe that they are equipped with the most sophisticated sensory systems in the animal kingdom With the stunning full color underwater photography of Andy Murch Jillian Morris and Duncan Brake *Sharks of the Shallows* brings boaters fishers divers and shark lovers directly alongside these unfairly maligned creatures And not a moment too soon Sharks are experiencing stresses unlike any in their long history and are struggling to survive in a changing ocean They will continue to grace our coastlines only if we care enough to understand them *Sharks, Skates, and Rays of the Gulf of Mexico: A Field Guide*, 2006

Tampa Bay and Florida's West Coast Adventure Guide Chelle Koster Walton, 2008 This easy to use book is packed with practical information and enticing facts that make it fun to read Sarasota owes its development and artistic reputation to ironically the circus which wintered there beginning in the late 1800s In contrast to circus raucousness however John Ringling was a man swayed by esthetics The art he loved had a bit of three ring showiness to it nonetheless as shown by the baroque Italianate palace he built himself in Sarasota A clean attractive layout makes it easy to find what you're looking for within each of the book's six sections whether it be suggestions for finding the best food lodging kayaking fishing or shopping even driving directions are included Provided by publisher **Stingrays** Deborah Coldiron, 2007-09-01 Introduces young readers to the fascinating and incredible underwater world of stingrays **Grammar, Meaning, and Concepts** Susan Strauss, Parastou Feiz, Xuehua Xiang, 2018-05-11 Grammar Meaning and Concepts A Discourse Based Approach to English Grammar is a book for language teachers and learners that focuses on the meanings of grammatical constructions within

discourse rather than on language as structure governed by rigid rules This text emphasizes the ways in which users of language construct meaning express viewpoints and depict imageries using the conceptual meaning filled categories that underlie all of grammar Written by a team of authors with years of experience teaching grammar to future teachers of English this book puts grammar in the context of real language and illustrates grammar in use through an abundance of authentic data examples Each chapter also provides a variety of activities that focus on grammar genre discourse and meaning which can be used as they are or can be adapted for classroom practice The activities are also designed to raise awareness about discourse grammar and meaning in all facets of everyday life and can be used as springboards for upper high school undergraduate and graduate level research projects and inquiry based grammatical analysis Grammar Meaning and Concepts is an ideal textbook for those in the areas of teacher education discourse analysis applied linguistics second language teaching ESL EFL and communications who are looking to teach and learn grammar from a dynamic perspective
