Perone, 2012-10-17 This four volume work provides provocative critical analyses of 160 of the best popular music albums of the past 50 years from the well known and mainstream to the quirky and offbeat **The Album A Guide to Pop Music s Most Provocative Influential and Important Creations** contains critical analysis essays on 160 significant pop music albums from 1960 to 2010 The selected albums represent the pop rock soul R B hip hop country and alternative genres including artists such as 2Pac Carole King James Brown The Beatles and Willie Nelson Each volume contains brief sidebars with biographical information about key performers and producers as well as descriptions of particular music industry topics pertaining to the development of the album over this 50 year period Due to its examination of a broad time frame and wide range of musical styles and its depth of analysis that goes beyond that in other books about essential albums of the past and present this collection will appeal strongly to music fans of all tastes and interests *Ten Summoner's Tales* Sting (Musicien), 1993

All Music Guide Vladimir Bogdanov, Chris Woodstra, Stephen Thomas Erlewine, 2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre [Sting and Religion](#) Evyatar Marienberg, 2021-01-06 On the back cover of one of his most groundbreaking solo albums *Nothing like the Sun* of 1987 Sting Gordon Matthew Sumner b 1951 in Wallsend UK somberly stands close to a statue of Mary the mother of Jesus The album was released a few months after his own mother Audrey died The picture was taken on the island of Montserrat where he was recording the album apparently on the day of her death I said goodbye to my mother as I had a recording date in Montserrat and she died a week later When asked by the author if his mother was particularly connected to Mary and if this was why he chose this image he replied No but I did This evocative photograph and Sting s quick answer encapsulate the two pillars of this book a microhistory of a specific British Catholic parish in the 1950s 60s and the impact that growing up there had on Sting s artistic output And beyond that this book opens a window onto the influence of Catholic education and imagination on millions of less famous people who had similar upbringings , **501 Essential Albums of the '90s** Gary Graff, 2024-10-22 Break out the flannel scrunchies and high rise jeans and indulge in this nostalgic illustrated trip through the 1990s most influential albums across all genres In *501 Essential Albums of the 90s* Gary Graff leads a cast of fellow music journalists in presenting the music of everyone s favorite decade the last decade before the proliferation of social media and digital downloads With lively descriptions of the releases and over 600 images this hefty 448 page volume curates 501 albums spanning genres and subgenres pop hip hop R B grunge metal country world music and features Year by year organization Knowledgeable rundowns of every album featured Album art for each selection Artist imagery Record label release date and producer s for each Soundtracks and compilation releases also included The journalists detail the circumstances of the releases notable singles from each their influence on contemporary and later

artists in short why each is considered one of the best of the decade Britney or Body Count Nirvana or NSync Metallica or Morissette Garth or Green Day Weezer or Wu Tang whatever your tastes you will relish this ultimate retrospective of the decade s music *All Music Guide to Rock* Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2002-04 This fun to read easy to use reference has been completely updated expanded and revised with reviews of over 12 000 great albums by over 2 000 artists and groups in all rock genres 50 charts **Robertson's Book of Firsts** Patrick Robertson,2011-11-11 Completely unlike any encyclopedia before it The Book of Firsts is the product of decades of archiving and research from the incredible Patrick Robertson For many years the proprietor of a stock photo archive and collector of all forms of ephemera Robertson boasts a library that includes ads clippings and archival materials going back well over 100 years In this amazing work Robertson indexes and describes the things he considers socially relevant such as the first black head of a white government it s not who you think the first baby carriage and the first department store He writes about all this with an unparalleled knowledge and impossible to fake fluency with a staggering number of subjects What s more Robertson renders this massive reference with subtle but distinctive humor and an eye for fascinating detail Every entry in this book includes a first time in America and many also have firsts from elsewhere in the world With a handsome design and an oversized trim this will be both a groundbreaking work of reference and a beautiful gift for trivia heads **Let's Meet Blockchain** Sylvain Metz,2023-12-26 A quiet revolution is taking place within the computer ecosystem one that will change the way we do business on the internet It s called blockchain and it promises to disrupt the way people interact with one another online whether its messaging banking keeping up with medical records land records booking a vacation socializing or voting Programs are also being developed to use blockchain to serve as one s identity papers Blockchain technology is based on the idea that all online transactions should be between two people without the need for public or private third party oversight Blockchain technology developers believe thoughts and ideas should be shared not quashed It s a world where web platforms are governed by their members not a board of directors privacy comes first and one s personal information is kept private not for third parties to take and sell as they please Blockchain technology offers everyone opportunities to take part Anyone can participate in the fast growing world using non fungible tokens NFTs where works of art music literature and poetry can be tokenized and sold or traded on a blockchain These components comprise the next generation of the world wide web which is referred to as Web 3 0 Billions of dollars are being spent to create infrastructure to create a viable framework to mainstream blockchain This book offers a peek into this new world with examples of how this technology is being used today as well as the hurdles including legal challenges it must overcome to be viable So if you re ready let s meet blockchain **The Words and Music of Sheryl Crow** Christopher Gable,2016-09-06 Offering commentary musical analysis and detailed interpretation of her songs lyrics this book examines the qualities of Sheryl Crow s music that have served to establish the artist s success and popularity Sheryl Crow continues to be celebrated for her legacy as a singer songwriter and pop culture icon This book

provides an introduction to Sheryl Crow's entire music catalog. Organized into chronological periods of time, the author weaves biographical facts throughout a narrative rich with details about her songs, how they were created, recorded, distributed, and modified in live performance. Accompanying commentary features song analysis including song structure, chord progression, and melody, and provides fascinating insights into the lyrical content of Crow's songwriting. The work begins with Crow's upbringing, her musical roots and influences, and how they manifested themselves in her later career. Subsequent sections delve into her road to success and eventual stardom, revealing how her rise to fame and widespread popularity was littered with broken friendships, acrimony, and suicide. The last several chapters follow her life after a diagnosis of breast cancer and the adoption of her sons. The work also includes a chapter on B-sides and rare songs by Crow.

Music Melting Round Edith Borroff, 2003-06-18. Now in Paperback. Music Melting Round: A History of Music in the United States provides a colorful introduction for students and nonspecialists alike to the scope of musical styles and venues in America from colonial to contemporary times. Covering all aspects of music including classical, ragtime, blues, jazz, popular, minstrel shows, and music on radio and television, and in film, the text also contains a variety of photographs and illustrations, three time lines presenting highlights in American history, the arts, and music, an appendix of basic musical concepts, a glossary, and two indexes. Milk of Paradise Lucy Inglis, 2019-02-05 Poppy tears opium heroin fentanyl humankind has been in thrall to the Milk of Paradise for millennia The latex of papaver somniferum is a bringer of sleep of pleasurable lethargy of relief from pain and hugely addictive A commodity without rival it is renewable easy to extract transport and refine and subject to an insatiable global demand No other substance in the world is as simple to produce or as profitable It is the basis of a gargantuan industry built upon a shady underworld but ultimately it is an agricultural product that lives many lives before it reaches the branded blister packet the intravenous drip or the scorched and filthy spoon Many of us will end our lives dependent on it In Milk of Paradise acclaimed cultural historian Lucy Inglis takes readers on an epic journey from ancient Mesopotamia to modern America and Afghanistan from Sanskrit to pop from poppy tears to smack from

morphine to today's synthetic opiates. It is a tale of addiction, trade, crime, sex, war, literature, medicine, and above all, money. And as this ambitious, wide-ranging, and compelling account vividly shows, the history of opium is our history, and it speaks to us of who we are.
