Brown,2016-02-23 Surviving Stolen Innocence is my

book and personal testimony of how I survived childhood rape God blessed me with a warrior spirit that would not permit me to remain a victim When a joyous event occurred in my brother s life I was forced to face finally the residue of that long buried violation Healing is not an overnight process it requires much work and soul searching In bowing to the process of healing I was able to admit I had a problem accept that I had been sexually violated acknowledge my self worth acquire a new outlook on life and establish a new dating life with God Additionally I came to learn that in order for me to truly live a healthier life I had to embrace endless hours of praying fasting and putting forth genuine effort Surviving stolen innocence is an ongoing process of breaking free from the bondage of embarrassment hurt anger disappointment revenge unforgiveness low self esteem unworthiness and any other negative emotion as a result of one s pureness of body mind and life being tainted by another person s immoral or unethical acts These acts or behavior could be but not limited to rape domestic or
