JAYANTH MURALI, 2025-07-30 They vanished not in flames or flood but in silence Spirited away beneath velvet shawls swallowed by cargo holds entombed behind sterile museum glass they were no mere artefacts They were the breath of a multitude the incandescent soul of a civilisation memories forged in imperishable bronze divinity etched in eternal stone They were waiting aching for the whisper of a forgotten prayer the fiery touch of remembrance When Dr K Jayanth Murali an IPS officer nearing retirement took charge of Tamil Nadu s obscure Idol Wing he never expected a calling But what began as duty became destiny a ghost war fought not for land but for the essence of a people waged not with ballistic fury but with unyielding grit and the quiet thrum of sacred legacy Chasing the Lost Gods is the electrifying soul stirring true story of how an unheralded Idol wing team defied oblivion to reclaim India's plundered spirit Through midnight raids ancient whispers and digital shadows they unearthed what centuries of theft had buried This is a breathtaking odyssey across crumbling temples lost timelines and the beating heart of a nation reclaiming its memory Spellbinding Heart rending Soul awakening This is not

merely a tale of theft and reclamation it is an epic of gods stolen and gloriously found To resurrect what was lost one must embark on the most perilous hunt the hunt for the gods themselves The Damned L. A. Banks, 2006-01-24 Lilith the consort of the Unnamed One has released the Damned tortured souls from all levels of Hell to walk the streets as the living dead A dark chaos leaks onto Earth taking the form of a deadly contagion that not even the Neteru team can handle One touch from these deadly creatures infects a human driving him to madness death and worse This time Damali Richards the Vampire Huntress aka the millennium Neteru Carlos and the Guardians cannot effectively close ranks The infection spreads to key team members and threatens to wipe out the entire squad Even the Covenant is infected They must track down the Chairman before members of the Neteru Guardian team are lost and the team implodes The only antidote is to behead Lilith But first they must find her Irish qirl with no soul Max Marshall, 2024-04-11 Grandpa Andrew sits on the couch and tells grandson Scott the story of his youth In his youth he was seduced by the red haired beautiful Irish witch Samantha on St Patrick's Day She turned out to be a witch sucking the souls of men after which they lost their memory In Andrew's youth there was a legend about a beautiful red haired Irish witch who seduced men in bars and then sucked their soul out of them Andrew did not believe in this and calmly went to bars Until one day tragedy Photographing Ambiguity Ted Hiebert, 2025-05-02 Photographing Ambiguity examines photography as a metaphor for technological culture arguing that a relational exploration of the medium can shed light on the dominant ideological tendencies of our time The book advocates for photographic practices that emphasize ambiguity suggesting that this approach fosters more conscientious ecological and creative relationships within the technological ecosystem of contemporary life Ted Hiebert critiques the notion that images should primarily serve to verify or document the external world He contends that these quantifiable perspectives while rooted in historical trends towards technology and data have become so pervasive that they represent a dominant ideological bias in the twenty first century In response to this data driven consciousness the book presents a series of exercises designed to cultivate an embodied experience with digital living not in opposition to the flood of images but within it Ultimately Photographing Ambiguity encourages readers to understand photographs not as benchmarks of reality but as ambiguous constructions of our present and future imaginaries Undead Case Files Markie Madden, 2016-12-19 Fang and Claw Lieutenant Lacey Anderson of the Dallas Police Department heads up a elite new squad dedicated to solving crimes involving Immortals like herself Lacey a Vampire left for dead when her family was slaughtered by Werewolves still has nightmares about the attack Detective Colton Scarber is her unwilling partner and second in command He s a Werewolf a descendant of those who killed Lacey's coven She's unaware of this but she doesn't trust him from the start When the fragile beginning of the team is threatened by the truth can they learn to trust one another as partners must or will the Undead Unit be doomed to failure A mysterious suspect and strange physical evidence leads them to solve a case spanning decades and leaves Lacey with no other choice but to rely on her enemy when her very life is at stake Souls of the Reaper A rogue Reaper is on the

loose in the city of Dallas Su Xiong is a sociopath with no care for human life He steals souls whose numbers are not yet up in order to become a more powerful Immortal While he s on the prowl to gain power his soulless victims roam the streets without morals without inhibitions without any code of conduct or social mores Crime has risen tenfold petty crimes road rage prostitution drinking and gambling But for each soul that he captures and keeps his own mental stability begins to degrade a fact that Xiong is dangerously blind to Can Lacey and Colton along with Doctors Matthews and Dilorenzo find him and stop him before the insanity inside spoils the souls he holds within Blood Lust On the back cover Is the man Lacey loves really a murderer Lacey is awakened by a chilling phone call Her boyfriend a Vampire wakes alone in his home covered in blood with no memory of what happened It looks like he s violated the Undead Oath and fed on a human While he s in custody more reports come in from all over the city Other Vampires covered in human blood know nothing about what they we done Lacey and her team struggle to find the person responsible for framing Vampires for murder Can the Undead Unit put a stop to the worst hate crime in Dallas history and can Lacey overcome accusing the man she loves of homicide

Splatter Soul Andrea B. Lamoureux, 2021-01-08 Five wicked souls have been stolen from the underworld If they aren t returned every realm will crumble Vivivka s worst fear has come true She s lost Elias to the darkness She s made peace with it but when an angel steals five souls from the underworld Vivika's forced to work with him in order to return the souls If they fail their dark realm will fall apart taking everyone with it Elias has no room in his heart left for love But everything is about to change His new abilities as a fallen angel make him the only one who can help Vivika collect the missing souls but the goddess who created Elias wants revenge and she s about to get her wish Now Vivika must decide whether she needs to save the underworld first or find a way to rescue the fallen angel she can t turn her back on no matter how hard she tries Can Vivika and Elias bring the souls back to the underworld before the realm turns to dust And will their hearts find their way back to each other Find out in the final book of the complete His Mortal Demoness series The Religion of the Tempasuk Dusuns of North Borneo I. Public Libraries, Art Gallery and Museum, 1907 The Speaker, 1895 Transnational Crime Fiction Maarit Piipponen, Helen Mäntymäki, Marinella Rodi-Risberg, 2020-10-27 Focusing on contemporary crime narratives from different parts of the world this collection of essays explores the mobility of crimes criminals and investigators across social cultural and national borders The essays argue that such border crossings reflect on recent sociocultural transformations and geopolitical anxieties to create an image of networked and interconnected societies where crime is not easily contained The book further analyses crime texts wider sociocultural and affective significance by examining the global mobility of the genre itself across cultures languages and media Underlining the global reach and mobility of the crime genre the collection analyses types and representations of mobility in literary and visual crime narratives inviting comparisons between texts crimes and mobilities in

a geographically diverse context The collection ultimately understands mobility as an object of study and a critical lens through which transformations in our globalised world can be examined Modern English literature, a selection of the works circulated by Boots book-lovers library Boots co. ltd,1903 Night Pleasures/Night Embrace Sherrilyn Kenyon, 2005-10 In Night Pleasures Kyrian of Thrace an immortal who protects humans from vampires wakes up one morning handcuffed to the one thing that can scare him a conservative woman in a button down shirt But Amanda Devereaux turns out to be his perfect partner for hunting down a deadly foe and for helping him to regain his soul and learn that love doesn t have to bite Night Embrace spins the story of Talon an ancient Celtic warrior who killed the son of the god Camulus Camulus cursed Talon decreeing death for everyone he loved Now a Dark Hunter in modern day New Orleans Talon meets Sunshine who is key to ending his curse once and for all Not to mention helping him to save New Orleans from an ancient god bent on total destruction Enter a realm like none you ve ever experienced with Night Pleasures and Night Embrace Now together in one volume Billons Kin Djaferd, 2012-09-01 When the Devil separated his soul from himself hiding it in his anti world the Creator realised that He wouldn t be able to change the fate of the genius of evil It would only be possible to save the human soul from the truth of God's outcast by the means of an event which would reveal a saviour to the people This event provided people with their last chance to turn to the truth disclosing to them the path to Heaven Universal evil was late in solving the event s mystery but he carried away the strength from God s house and mankind was forced to live in false truth and in visible but not genuine happiness Why didn t the Creator save man s soul from evil permanently This is the eternal question of those that are lost between good and evil in the search of the meaning of their own fates The Creator is silent He has already given people more than everything He has endowed them with truth and revealed the saviour but people haven t realised that this truth is not exchangable Salvation won t come to them as long as men turn themselves into billons The **Art of Greenland** Bodil Kaalund, 1983-01-01 Describes the art of Greenland from the earliest times to the present Night **Embrace** Sherrilyn Kenyon, 2010-04-01 Dear Reader Life is great for me I have my chicory coffee my warm beignets and my best friend on the cell phone Once the sun goes down I am the baddest thing prowling the night I command the elements and I know no fear For centuries I ve protected the innocent and watched over the mankind making sure they are safe in a world where nothing is ever certain All I want in return is a hot babe in a red dress who wants nothing more from me then one night Instead I get a runaway Mardi Gras float that tries to turn me into roadkill and a beautiful woman who saves my life but can t remember where she put my pants Flamboyant and extravagant Sunshine Runningwolf should be the perfect woman for me She wants nothing past tonight no ties no long term commitments But every time I look at her I start yearning for dreams that I buried centuries ago With her unconventional ways and ability to baffle me Sunshine is the one person I find myself needing But for me to love her would mean her death I am cursed never to know peace or happiness not so long as my enemy waits in the night to destroy us both Talon of the Morrigantes The Cursed Unicorn Alice Hemming, 2020-09-03 A cursed
