**The Stone Heart** Leo Harrell Lynn, 2016-11-11 These words are my only way out of this self built dungeon I am not seeking redemption or salvation I long ago traded God s grace for pride and praise This journal is meant for those who still fall for the fairytale of true love to educate them in the folly behind this mindless faith by revealing the ravages that come from believing in hopes and dreams in passion and love My only hope is that readers of this diary discover what I found out too late that believing in the lie that is true love is a dead end Maybe then those who read these words will understand why I threw myself into the restless azure waves 150 feet below my front window My journal bound in a cover made from a burlap bag that once held oysters my daddy shucked and ate lies wedged between two rocks on the cliff s edge so it will not blow over the side and join my body amidst the shells and stones below I start at the beginning I tell the truth even about the lies

There are many devotional books available containing brief daily inspirations that benefit all who read them. This book is different in two respects. The first is obvious: it contains two readings per day, 732 in all. The second, more important difference is that the author wanted to do more than offer inspiration; this would make this book no different than so many others. The messages in the book are study sketches in that the content is not only inspirational but also educational, challenging, and encouraging. Most of these writings were based on author Michael J. Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God. **Sweet Things: A Dirty Boss Romance** K.M. Scott, 2021-09-17.

From the moment I met Maddie, I wanted her. I can have any woman I want, but she's all I can think of. She's supposed to be my in-house cook, except for the fact that I rarely eat at home. So why do I have a cook at all? That's Louis DeVill's fault. I don't know how he did it, but the owner of DeVill Staffing somehow convinced me to hire a cook despite the fact that I don't need or want one. What I do want is Maddie. From the moment I met her, I haven't been able to think of anything but her. It's like I'm under a spell, and I won't be normal again until I have her.
