woman Kahlan Amnell appears in Richard Cypher's forest sanctuary seeking help and more. His world, his very beliefs are shattered when ancient debts come due with thundering violence. In a dark age it takes courage to live and more than mere courage to challenge those who hold dominion. Richard and Kahlan must take up that challenge or become the next victims. Beyond awaits a bewitching land where even the best of their hearts could betray them. Yet Richard fears nothing so much as what secrets his sword might reveal about his own soul. Falling in love would destroy them for reasons Richard can't imagine and Kahlan dare not say. In their darkest hour, hunted relentlessly, tormented by treachery and loss, Kahlan calls upon Richard to reach beyond his sword to invoke within himself something more noble. Neither knows that the rules of battle have just changed or that their time has run out. This is the beginning. One book. One Rule. Witness the birth of a legend. Book 2. Stone of Tears. An Epic of Awesome Power. Kahlan has at last gained the one goal she had always thought was beyond her grasp: love. Against all odds, the ancient bonds of secret oaths and the dark talents of men long dead, Richard has won her heart. Amid sudden and disastrous events, Richard's life is called due to satisfy those treacherous oaths. To save his life, Kahlan must forsake Richard's love and cast him into the chains of slavery, knowing there could be no sin worse than such a betrayal. Richard is determined to unlock the secrets bound in the magic of ancient oaths and to again be free. Kahlan, alone with the terrible truth of what she has done, must set about altering the course of a world thrown into war. But even that may be easier than ever winning back the heart of the only man she will ever love. Book 3. Blood of the Fold. An Epic of Two Worlds. In a world as rich and real as our own, Richard Rahl and Kahlan Amnell stand against the ancient forces which besiege the New World, forces so terrible that when last they threatened, they could only be withstood by sealing off the Old World from whence they came. Now the barrier has been breached and the New World is again beset by their evil power. War and treachery plague the world and only Richard and Kahlan can save it from an armageddon of unimaginable savagery and destruction. Terry Goodkind, author of the brilliant bestsellers *Wizard's First Rule* and *Stone of Tears*, has created his most masterful epic yet: a sumptuous feast of magic and excitement replete with the wonders of his unique fantasy vision.

Wizard's First Rule Terry Goodkind,1994-08-15 Fantasy roman **Temple of the Winds** Terry Goodkind,1998-09-15 Fantasy roman **The Shape of Fantasy** Charul Palmer-Patel,2019-10-23 The Shape of Fantasy is an in depth look at Heroic Epic Fantasy It depicts structural and narrative patterns with models stemming from science and philosophy Although Fantasy Fiction is generally defined by its impossibility Fantasy Fiction not an illogical form It is in fact governed by a sense of rules and structure one that reflects our current understanding of space time and cosmology These models are an integral part of the structure of Heroic Epic Fantasy itself Thus this book introduces new ways of perceiving current productions of the Fantasy genre In doing so it also explores how Fantasy Fiction exhibits a conscious awareness of its own form

Subcreation: Fictional-World Construction from J.R.R. Tolkien to Terry Pratchett and Tad Williams Stefanie Schult,2017-01-26 The doctoral thesis argues that the term Subcreation with its revised and broadened definition in part differing from J R R Tolkien s original term sub creation may be used for the discussion of the making of fictional worlds in literary discourse The successful conception of a fictional world depends on the reader s willing suspension of disbelief This depends both on the author and his skilled composition of the world and all its aspects as well as on the reader s acceptance of this invented fictional world The author needs to create a narrative with an inner consistency which is crucial to achieving the effect of the reader s immersion in the fictional world The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories Language and Linguistic Variation Physiopoeia Anthropoeia and Mythopoeia Furthermore this thesis shows that as contemporary examples of fantastic literature both Tad Williams s and Terry Pratchett s fictional worlds are successfully created through the realization of these aspects of Subcreation Apart from commenting on the success of the subcreative process this thesis also remarks upon the cultural influences both authors include in their writings While both may be considered Anglophone in a general categorization Pratchett s Discworld retains a feeling of Britishness that is not to be found in Williams s Otherland The thesis proposes several approaches to Subcreation that may be studied subsequently So for example it may be possible to determine the success of an author s Subcreation by collecting empirical data Apart from literary works this field of studies may also include other media **Sword of Truth** Terry Goodkind,2000-01-01 **Faith of the Fallen** Terry
