The Stones of the Abbey Fernand Pouillon, 1970 *The Stones of the Abbey* Fernand Pouillon, 1976-09-01 Stone, 1900 Stone of Destiny Thor Stonewell, 2012-06-18 Through an onslaught of gunfire a well known professor leaps to his death off the mighty Irish Cliffs of Moher Discovering a buried secret was his last fruitless act keeping hidden a far greater secret a secret concealed by the Queen of England herself was his sacrificial intention As cogs drop into play throughout the United Kingdom a young American in London finds himself caught up in the world s greatest unknown conspiracy With the life of his grandfather on the line and the legitimacy of the British royal family in question Trevor Emerson races against time and history in his shared quest to find the Stone of Destiny From Edinburgh Castle to Piccadilly Circus to King Arthur s ancient Isle of Avalon join our heroes down the rabbit hole of royalty where the right secret sufficiently veiled can ensure the lifelong reaping of billions of dollars and worse the lifelong ruling over billions of lives Is the Queen of England playing the world for a con Where is the Stone of Destiny To answer one question is to answer the other The Montgomeryshire Collections Powys-land Club, 1891 **Beyond the Stones** Martin J Lake, 2022-04-22 Magic is gone from the world Lost It is an age of science and technology In the early 21st century magic has been consigned to myth and legend Not since the time of King Arthur had men and women known the secrets of how to wield magic But that is about to change The magical seal at Stonehenge that has protected the world for 1 500 years has been broken An age old enemy is free again This time only total conquest will suffice Men will need magic once more And their old alliances Camron has a past he does not know about A forgotten promise made centuries before which he must now try and keep With his grandmother s help he must rediscover who he is and the vow he made to protect the world Their only hope is for him to lead a small group of unlikely heroes on a quest to find the only magic powerful enough to defeat the enemy But finding it is just the beginning The Temple and the Stone Katherine Kurtz, Deborah Turner Harris, 2016-07-05 During the fight for Scotland s independence the mystical Order of the Knights Templar battles ancient evil and a treacherous king in this gripping alternate history A powerful order of warrior monks forged in the fires of the Crusades during the twelfth century the legendary Knights Templar did not vanish entirely following their failed campaigns in the Holy Land Having attained great power and arcane skill they withdrew from the public eye but remained hidden in the shadows prepared to do battle against the enemies of Christianity and the adherents of the old malevolent gods Now these noble defenders of the faith recognize Scotland as the next battleground foretold in dreams and visions as legendary Scottish heroes William Braveheart Wallace and Robert the Bruce take up arms against the forces of the English King Edward I in the terrible Anglo Scottish War Charged with establishing their holy fellowship s temple in the disputed land loyal knights Arnault de Saint Clair the French cleric and Torquil Lennox of Scottish birth arrive in the midst of the bloody conflict to help prevent the conquest of Scotland and assure the ascension of its rightful liege But the magical stone upon which every Scottish king must be crowned has been drained of its mystical power and only an

extreme sacrifice can revive the magic A perilous endeavor must be undertaken to stem the supernatural evil that is growing amidst the chaos in the land as a powerful Pictish shaman attempts to raise the ancient pagan gods from the darkness to feed on blood and terror Coauthors of the acclaimed Adept historical fantasy series Katherine Kurtz and Deborah Turner Harris imagine an alternate history that will appeal to fans of the occult Scottish history and the fabled Knights Templar
