Pegler, 2003-05-13 Stores of the Year No 14 shows with over 225 full color photos how top professionals in the fields of design architecture lighting and fixtures turn spaces into marketplaces Both newcomers and famous designers present new solutions to the complex problems of retail design and visual merchandising Spotlighted in this 14th book in the Stores of the Year series are the elements of good store design architecture fixturing lighting and merchandise presentation The selected projects illustrate how top professionals in the field of store design turn spaces into marketplaces that sell the goods The many faces approaches and attitudes of store design are presented herewith The book's 176 colorful pages feature boutiques shops and stores in the following retail categories women's fashion men's fashion lifestyle children's wear and fashion accessories With a plethora of design solutions Stores of the Year No 14 is a book you'll refer to time and again for creative innovation and ideas whether you're an interior designer architect visual merchandiser or retail executive Anyone responsible for creating exciting atmospheres for today's shopper will find great new ideas in this book Book jacket

Stores of the Year Martin M. Pegler, 2000 **Store Presentation & Design** Martin M. Pegler, 2004 Store Presentation Design showcases the very best in store visual merchandising demonstrating how the creative use of design architecture lighting fixturing and merchandise presentation and display can turn selling space into sales This book illustrates how store design visual merchandising and display have become closely inter related and keeps you abreast of the latest trends in new materials fixturing lighting interior design store layout props and signage Learn why the store itself is the most influential salesperson it's the store's design and displays that showcase the merchandise project the store's image entice the customer to buy and create a customer's most lasting impression **Designing the Department Store** Emily M. Orr, 2019-11-28 The book builds an original argument for the department store as a significant site of design production and therefore offers an alternative interpretation to the mainstream focus on consumption within retail history Emily M Orr presents a fresh perspective on the rise of modern urban consumer culture of which the department store was a key feature By investigating the production processes of display as well as fascinating information about display making's tools and technologies the skills of the displayman and the meaning and context of design decisions which shaped the final visual effect are revealed In addition the book identifies and isolates display as a distinct moment in the life of the commodity and understands it as an influential channel of mediation in the shopping experience The assembly and interpretation of a diverse range of previously unexplored primary resources and archives yields fascinating new evidence showing how display achieved an agency which transformed everyday objects into commodities and made consumers out of passersby Display World, 1962
