Alistair McDowall Plays 2 Alistair McDowall, 2025-08-21 ALISTAIR MCDOWALL uses language with virtuosity He folds it unfolds it dirties it mishandles it and in doing so he celebrates it It is as a poet that he uses writing to honour its promises to excite the imagination to stimulate play to provoke staging and to elevate the theatre Le Monde McDowall's plays are portals to the extraordinary Guardian X McDowall masterfully plants ideas that grow until they explode into extraordinary shapes Filthy humour breaks down into a cracked algorithm of letters and loss a play that will gnaw away at you The Stage The Glow A mind bending ambitious play which attempts impossible things demonstrating the power of theatre to bridge the gap between imagination and reality Exeunt all of it Genius an epic of inner life McDowall brilliantly captures how febrile consciousness scribbles around our spoken half truths Guardian Northleigh 1940 Quietly devastating McDowall is extraordinary at channelling his disturbing poetic vision of the characters hidden worlds The Times Zero for the Young Dudes A play for youth groups commissioned by the National Theatre and performed around the country in 2017 Story Plays Louise C. Wright, 1923 The Methuen Drama Dictionary of the Theatre Jonathan Law, 2013-12-16 The Methuen Drama Dictionary of the Theatre is an essential reference tool and companion for anyone interested in the theatre and theatre going Containing over 2500 entries it covers the international spectrum of theatre with particular emphasis on the UK and USA With biographical information on playwrights actors and directors entries on theatres and theatre companies explanation of technical terms and theatrical genres and synopses of major plays this is an authoritative trustworthy and comprehensive compendium Included are synopses of 500 major plays biographical entries on hundreds of playwrights actors directors and producers definitions of nearly 200 genres and movements entries on over 100 key characters from plays information about more than 250 theatres and companies Unlike similar products The Methuen Drama Dictionary of the Theatre avoids a dry technical approach with its sprinkling of anecdotal asides and fascinating trivia such as how Michael Gambon gave his name to a corner of a racing track following an incident on BBC's Top Gear programme and under advice to actors the sage words of Alec Guinness First wipe your nose and check your flies and the equally wise guidance from the master of his art No 1 Coward Just know your lines and don't bump into the furniture As a companion to everything from the main stage to the fringes of theatrical fact and folklore this will prove an irresistible book to all fans of the theatre *British Playwrights, 1956-1995* William W. Demastes, 1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage During that time playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich varied and vital as any national theater in history This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period Included are entries for some three dozen British playwrights active between 1956 and 1995 Entries are arranged alphabetically to facilitate use Each entry supplies biographical information the production history for particular plays a

The Second Wave (Routledge Revivals) John Russell Taylor, 2013-12-19 In the 1970s the revolution that had swept the British theatre in the 1950s had already become accepted as the new establishment Areas that had been previously regarded as remote ideals including permanent repertory companies a lively provincial theatre and an extensive spread of avant garde and fringe theatrical activities were now considered commonplace In this title first published in 1971 John Russell Taylor assesses the prospects of the British theatre at the start of the 1970s and indicates its points of weakness and its strengths In this context are placed the key figures among the Second Wave of dramatists and detailed critical commentaries on the work of writers such as David Mercer Tom Stoppard and Peter Terson This is an indispensable introduction for any student with an interest in the history and development of the British theatre and the people who have played instrumental roles in this

Eldridge Plays: 2 David Eldridge, 2011-11-01 This second collection of plays by David Eldridge showcases the development of one of the most impressive playwriting talents of recent years His plays combine emotional impact with complexity realistic characterisation with humour and are among the most powerfully moving dramas of contemporary playwriting *Incomplete* and *Random Acts of Kindness* moves between a dream story and real lives to tell an intricate complex story of a young man dealing with the break up of his family and the legacy of race responsibility *Market Boy* is a gloriously raucous rites of passage drama set in Romford Market in the 1980s Bringing a market jungle to life with the decade's Thatcherite capitalist fervour this spectacular savage and beautiful yarn is a tale looks at a boy's coming of age and loss of innocence *The Knot of the Heart* has themes of love family and addiction and explores the creeping onset of self destruction beneath a veneer of respectability Full of David Eldridge's trademark lyricism within everyday family life and interaction this is a play where emotions are high and relationships are sensitively written *The Stock Da* wa explodes the wafer thin

bonhomie of a long awaited reunion into a blackly funny maelstrom of pique and long repressed truth telling and with shocking consequences Eldridge Plays 2 contains the definitive version of the four plays and an introduction by the author
