SIR ARTHUR CONAN DOYLE 1859-1930 was a Scottish physician and author best known for his stories about the groundbreaking master detective Sherlock Holmes. Doyle wrote a total of 56 short stories and four novels about Sherlock Holmes and his constant companion Dr Watson. Silver Blaze Arthur Conan Doyle, 2024-11-20 In Silver Blaze Sherlock Holmes investigates the mysterious disappearance of a famous racehorse Silver Blaze and the murder of its trainer in the moors of England. Holmes and Dr Watson delve into a case that seems unsolvable as clues point in confusing directions including the peculiar silence of a dog on the night of the crime. Holmes ultimately unveils a clever solution revealing surprising motivations and culprits behind the horse's disappearance and the trainer's death. **Silver Blaze** Sir Arthur Conan Doyle, 2016-07-01 The entire series of Sherlock Holmes stories by Arthur Conan Doyle is now available in large print using the best practices for senior readers and those who are visually impaired. The Adventure of Silver Blaze tells the story of the disappearance of the famous race horse, the apparent murder of the horse's trainer, and the relentless application of logic and reason by Sherlock Holmes until the mystery is solved. It contains the brilliant and well-known insight of Holmes: the curious incident of the dog in the night time. If you are a fan of horse racing, you will enjoy it all the more. We had left Reading far behind us before he thrust the last one of them under the seat and offered me his cigar case. **The Adventure of Silver Blaze - The Adventures of Sherlock Holmes Re-Imagined** Sir Arthur Conan Doyle, 2020-08-15 Sherlock Holmes, the world's only unofficial consulting detective, was first introduced to readers in *A Study in Scarlet*, published by Sir Arthur Conan Doyle in 1887. The Silver Blaze, Sherlock Holmes (Large Print) Arthur Conan Doyle, 2015-04-30 I am afraid Watson that I shall have to go said Holmes as we sat down together to our breakfast one morning Go Where to To Dartmoor to King's Pyland I was not surprised Indeed my only wonder was that he had not already been mixed up in this extraordinary case which was the one topic of conversation through the length and breadth of England For a whole day my companion had rambled about the room with his chin upon his chest and his brows knitted charging and recharging his pipe with the strongest black tobacco and absolutely deaf to any of my questions or remarks Fresh editions of every paper had been sent up by our news agent only to be glanced over and tossed down into a corner Yet silent as he was I knew perfectly well what it was over which he was brooding There was but one problem before the public which could challenge his powers of analysis and that was the singular disappearance of the favorite for the Wessex Cup and the tragic murder of its trainer When therefore he suddenly announced his intention of setting out for the scene of the drama it was only what I had both expected and hoped for I should be most happy to go down with you if I should not be in the way said I My dear Watson you would confer a great favor upon me by coming And I think that your time will not be misspent for there are points about the case which promise to make it an absolutely unique one We have I think just time to catch our train at Paddington and I will go further into the matter upon our journey You would oblige me by bringing with you your very excellent field glass
