The Mystery of Doggerland Graham Phillips, 2023-07-25 A scientific exploration of the advanced ancient civilization known as Doggerland or Fairland that disappeared 5 000 years ago Looks at the latest archaeological and scientific evidence preserved beneath the North Sea and on the tiny island of Fair Isle Examines Doggerland s sophisticated technology including how its people were able to melt solid rock to create vitrified structures far stronger than concrete Shows how the survivors of the destruction of Doggerland sailed to the British Isles and established the megalithic culture that built Stonehenge New marine archaeological evidence has revealed the remains of a large landmass to the north of Britain that hosted an advanced civilization 1 000 years before the recognized first civilizations of ancient Egypt Mesopotamia or India Remembered in Celtic legends as Tu lay and referred to by geologists as Doggerland or Fairland this civilization began at least as early as 4000 BCE but was ultimately destroyed by rising sea levels huge tsunamis and a terrible viral epidemic released from melting permafrost during a cataclysmic period of global warming Exploring the latest archaeological findings and recent scientific analysis of Doggerland s underwater remains Graham Phillips shows that this ancient culture had sophisticated technology and advanced medical knowledge He looks at evidence detected with remote sensing and seismic profiling of many artificial structures complex settlements gigantic earthworks epic monoliths and huge stone circles dated to more than 5 500 years ago preserved beneath the ground and on the ocean floor He also looks at the small part of the Fairland landmass that still exists Fair Isle a tiny island some 45 miles north of the Orkney Islands of Scotland Phillips shows how when Fairland sank beneath the waves around 3100 BCE its last survivors traveled by boat to settle in the British Isles where they established the megalithic culture that built Stonehenge Revealing the vast archaeological evidence in support of the existence of Doggerland as well as its threads of influence in early cultures around the world Phillips also shows how the fate of this sophisticated ancient culture is a warning from history the cataclysmic events that happened to the first civilizations could happen again as the world heats up

Hidden Bible Taboos

Forbidden By Organized Christianity James Slobodzien, 2014-05-01 Have you ever wondered about the Mysteries of God s wisdom or the secret to knowledge Jesus condemned the religious leaders of his day for taking away the Key to Knowledge Luke 11 52 This remarkable article anthology may have accidentally uncovered some of these ancient mysteries that are now considered TABOO to help you to read and really understand the Bible Less Could the 7 Pillars or dimensions of Wisdom Pro 9 1 possibly be related to the Key to Knowledge Hidden Bible Taboos began as one short essay that just for fun proposed a 7 Dimension Theory of Everything but several readers encouraged me to continue researching it and I soon discovered that it is the nature of the Universe for things to exist in 7 s For example there are 7 types of Matter and 7 forms of Energy in the

universe When we consider Time the 7 Day calendar week continues to be universal and immemorial in its observance among all nations and in all times Space our earthly physical space is divided up into 7 Continents 7 Oceans and 7 Seas After studying the multiple patterns of 7s in the universe s numerical DNA I turned my focus to ancient cultures and was shocked to find that in the ancient wisdom writings including Christianity the number 7 stands for spiritual perfection and divine completeness For example the Bible s book of Isaiah mentions the 7 Spirits of God the Father Isaiah 11 2 The Apostle John mentions the 7 Stars of God the Son Rev 1 20 and the Apostle Paul mentions the 7 Gifts of God the Holy Spirit Rom 12 6 8 In addition Zechariah mentions the 7 Eyes of the Lord which range throughout the earth Zech 4 10 This incredible phenomenon of multiples of 7 cannot be explained by chance or human design It is in these 7 Pillars of God s Wisdom that I have experienced a paradigm shift that has opened my eyes to see this divine tapestry to gain a better understanding of the Bible The 7 Dimension articles were written as independent brief essays over a period of 7 years After receiving comments from many readers over the years sometimes secretly a theme became apparent that seemed to be pointing to the fact that these divine truths of the 7 dimensional 7D biblical patterns of 7 were not being taught by the professional religious leaders of Catholic and Protestant Churches because they were forbidden by custom or tradition They are TABOO This compilation of independent articles indirectly provides a historical overview of the ancient world that leads up to the time of Jesus and the Early Church and reveals some Taboos related to sex drugs violence and racism The majority of the Taboos in this book however are not related to ancient mysterious pagan practices The most significant Taboos in this book are coming from professional church leaders of organized religions of Christianity today who forbid their church members from knowing and practicing what is written in the New Testament and commanded by Jesus and his Apostles Hidden Bible Taboos is a collection of these 7D articles that have accidentally uncovered and systematically integrated ancient religious mythologies archeological mysteries scientific and historical facts and End Time prophecies to reveal the Christian Sun god conspiracy It is not a formal theological treatise on spirituality and or religion as it is a work in progress that is very very far from perfect With the above disclaimer to having and or knowing the absolute truth I would like to present what I believe to be the 7 dimension 7D origins of ancient religious knowledge and ageless wisdom that have been passed down to us by our ancestors So put on your 7D glasses Dedication This book is dedicated to Peter Waldo Founder of the Waldensians and the 50 million other Christians who were persecuted and slaughtered by the Organized Religion of Christianity Papacy in the middle ages and later Spiritual Religious Reading Material Warning The contents of this article anthology may shock and inspire you into developing your spiritual life Don t let yourself or your friends go without reading this life changing book

Essentials and Almost Essentials of Christianity Robin Wright,2022-08-01 What does a person have to believe to be a Christian With hundreds of different denominations and probably thousands of beliefs are there some essentials that all people must believe in to be a Christian An obvious answer to that is yes What are the essentials that people must believe in to be a Christian The

author answers that question with eight essential beliefs in part 1 Part 2 adds eight more beliefs that are almost essential The third part of the book lists eight essential practices of Christians As you read question both the author and your own beliefs by searching the Scriptures

People Are Dumb Alex P. Hewing, 2012-11 *People Are Dumb* is a humorous contemporary approach to evaluating social problems in the world The author's views on areas such as politics education religion prejudice and the danger of ignorance are diligently expressed with a realistic tone and demeanor *People Are Dumb* was initially written as a personal journal under the author's pretense that the best way to reach his audience is by making the material personal so that it can be applied to practical use Some of the other subjects that are discussed throughout the book are history science philosophy addiction sex and psychology Author Alex P Hewing emphasizes leaving no single thought unwritten in the hopes that the journey through his thoughts will leave his readers both entertained and enlightened From the Author My book has been called many things witty informative poignant hilarious and the definition of satire and caustic wit In truth it's all of those things I share my own opinions about several areas of social problems such as sex psychology racism prejudice religion politics genocide education and ignorance supported by my own research But I'll let you decide

How Water Influences Our Lives Per Jahren, Tongbo Sui, 2016-11-22 This beautifully illustrated book explains how water influences our culture the many phases of water from ice to gas its simple but still so unpredictable nature and water resources on Earth how water is distributed in ice oceans rivers lakes and more how it creates transport possibilities how it produces and absorbs energy how it is constantly changing the surface of the Earth how there is enough water on Earth yet sometimes there is too much or too little the role of water in recreation and how water supplies us with food in a myriad of ways Few things are like water a subtle and thought provoking element so simple and yet complicated so conspicuous yet unpredictable so soft and peaceful yet powerful and so universal yet unique Water is by far the world's largest commodity Though it belongs to all of us it is still not shared by all We very seldom take time to reflect on the many ways that water affects our lives Though it would be too ambitious to believe that it claims all the meanings and roles of water this book by showcasing water's versatility and by sharing the experiences and insights gained by the two authors during their many travels across the globe contributes to a greater awareness of the most important substance in our society water The book offers an insightful and intriguing read for anyone interested in science and culture related to water from laymen to students and decision makers
