**Stories from Dickens** J. Walker McSpadden,1917

**Stories from Dickens** J. Walker McSpadden,2015-06-04 The title of this book rings in the ear with a pleasant sound Stories from Dickens Stories alone usually suggests such delightful rambles in the land of dreams And when it is coupled with the name of a king of story tellers by divine right the charm is increased a hundredfold These stories are as the title indicates taken directly from Dickens very largely in his own language and always faithful to his

spirit They are the stories of his most famous boys and girls merely separated from the big books and crowded scenes where they first appeared In stage talk the lime light has been turned upon them alone Their early joys and sorrows are shown but always with more of the smiles than the tears There is sadness enough in real life without emphasizing it in books for young people and so only two of the numerous deathbed scenes found in Dickens are given place here The book is not intended as a substitute however small for the complete texts but is offered in the reverent hope that it will serve as both introduction and incentive to the bulky volumes which so often alarm young people by their very size The compiler has in mind one child of the long ago who looked with awe upon a stately row of fat books kept for show like mummies in a high glass case and labelled Dickens This child never suspected that the books were intended for reading at any rate not by children so he contented himself for the time with trashy little books with highly colored pictures intended for children What a world of delight would have been opened to him if some one had placed in his hands the story of Oliver Twist or the first part of Nicholas Nickleby relating to Dotheboys Hall or the early history of David Copperfield he might have demanded all of that story or some of the inimitable Christmas tales Afterwards he would have read on and on for himself **Stories from Dickens** ,1900

**Charles Dicken's Best Stories** Charles Dickens,1969 Christmas Stories Charles Dickens,1996 Charles Dickens 1812-70 published his Christmas Stories in the weekly period ical Household Words which was incorporated into All The Year Round in 1859 and which Dickens continued to edit until his death **Three Ghost Stories Charles Dickens** Charles Dickens,2017-12-11 Under none of the accredited ghostly circumstances and environed by none of the conventional ghostly surroundings did I first make acquaintance with the house which is the subject of this Christmas piece I saw it in the daylight with the sun upon it There was no wind no rain no lightning no thunder no awful or unwonted circumstance of any kind to heighten its effect
