Stories of an Alchemist Falco Tarassaco (Oberto Airaudi),2021-05-17

Alchemy has been discussed for millennia and many are the texts that one can consult all complex occult and suggesting experiments that are difficult to implement Tradition handed down the image of the alchemist as a solitary researcher who surrounded by alembics and distillers tries to turn lead into gold manipulating toad tails bat wings and other strange elements His quest a metaphor for human evolution But centuries pass times change and disciplines and the ways to achieve goals are transformed too The alchemical laboratory full of bottles retorts and dusty tomes jealously protected from the light and the curiosity of the uninitiated is no longer needed We are in the Age of Aquarius and the alchemical laboratory is us We are in the Age of Aquarius and the alchemical laboratory is us Everyone is the Alchemist at work the laboratory and the element that gradually changes and becomes the result of the Great Work All at the same time Falco Tarassaco s research of redefines the paradigm of alchemy bringing it up to date and making it accessible to men and women of today Alchemy means self transformation with a desire to achieve spiritual results and more knowledge acting on the laws governing time matter and thought The objective is to balance and learn to use the precious elements inside each one in order to become Magicians aware creators of our spiritual path and our evolution [Life of dom Bosco.
