RETOLD STORIES Umesh Behari Mathur,2020-02-14 Retold Stories Autobiography of a field Geologist is authored by a geologist who has seen 80 springs in his life Written in a simple and lucid manner it is not only an autobiography but also a collection of interesting events not necessarily in the order that they happened in One of them is related to the author s Man Friday in the field Singheshwar Mahato an unassuming gentleman Recollections narrated about his activities are hilarious as well as amusing While travelling through the length and breadth of India the author has met a bizarre assortment of characters about whom he has added many episodes to the book which make its reading pleasurable **Raghogarh Diaries** Lakshman Singh,2024-12-06 Raghogarh Diaries chronicles the rich and dynamic history of Raghogarh an ancient town in Madhya Pradesh from its princely heritage to its contemporary struggles and triumphs The book delves into the life and legacy of the author s family blending personal stories with historical events to provide a vivid portrait of a land and its people The narrative captures Raghogarh s evolution from the establishment of the royal family in the 18th century to its role in the Indian independence movement and post independence governance It discusses the transition from royal patronage to political engagement offering an insider s perspective on politics social justice and environmental conservation The author shares heartfelt anecdotes ranging from humorous childhood adventures to poignant reflections on political challenges forest conservation efforts and societal inequality With a rich blend of personal and historical storytelling Raghogarh Diaries serves as both a memoir and a historical document shedding light on India s cultural and political transformations This book is an ode to resilience legacy and the enduring spirit of a region and its people The Stories of My Life Joseph J. Jen,2021-08-03 The author had an interesting life He wrote this autobiography in story style It was a fun and enjoyable reading He was one of the few people who had enjoyed high profile positions in academia industry and government Some of the stories contained educational materials from which most people could learn lessons The first half of the book dealt with his youth and student days in Taiwan and the first seven years of struggles as a graduate student in the US It showed his deep understanding of Chinese culture that few people of his own age had the chance to obtain It was followed by thirty two years of challenges faced by a first generation immigrant trying to survive in the US while continuing to improve himself These years gave him the chance to understand the three major cultures of US the coastal immigrant culture the Southern religious and patriotic culture and the Midwest heartland culture These cultures created conflicts and opportunities for him in his life The second half of the book dealt with his five years in Washington DC as a powerful subcabinet officer Without interest in political life

after his term he was able to complete several major projects that benefited the citizens of US and the world The last part dealt with his retirement years and his devotion to solving the food safety dilemma in society The book is highly recommended for students and parents to read and learn from
