

Sickness

Imagine being sick all the time. It's definitely not fun. All I do is stay in the same room and throw up. It's not the best life. There are 7 hours of relief every night, but then I start throwing up again in the morning every day. It's sometimes nice when I get to see a real human face. The sad thing is they just grab my spew and leave. It's kind of wierd, who wants black and white vomit? People are always pushing my buttons, like do they even know what personal space is? Being a school printer isn't fun.
