Surgery of the Hip Joint Raymond G. Tronzo, 2012-12-06 The first edition of Surgery of the Hip joint has had certain measures of success Its cover won the Outstanding Award for art at a publishers trade show A year later it was translated into Spanish for exposure to the vast world of the Spanish speaking peoples As I traveled through Europe it was repeatedly a pleasant surprise to have the book recognized as an authoritative reference This was a great tribute to the experts whose diligent efforts made it all possible Apparently the book has stood the test of time to judge from the many inquiries and constructive comments made toward urging us on to write a second edition It was not an easy task to gather another cadre of authorities to update our knowledge of the hip joint People who have earned respected positions in their field are unavoidably burdened with a busy schedule so a chapter in this text must be appreciated as coming from someone devoted to giving up some of his precious time for the sake of sharing his knowledge with peers and students *Quantitative Characterization and Performance of Porous Implants for Hard Tissue Applications* Jack E.
