Library of Congress, 1980 A Brief History of Misogyny Jack Holland, 2012-06-07 In this compelling powerful book highly respected writer and commentator Jack Holland sets out to answer a daunting question how do you explain the oppression and brutalization of half the world s population by the other half throughout history The result takes the reader on an eye opening journey through centuries continents and civilizations as it looks at both historical and contemporary attitudes to women Encompassing the Church witch hunts sexual theory Nazism and pro life campaigners we arrive at today s developing world where women are increasingly and disproportionately at risk because of radicalised religious belief famine war and disease Well informed and researched highly readable and thought provoking this is a refreshingly straightforward investigation into an ancient pervasive and enduring injustice It deals with the fundamentals of human existence sex love violence that have shaped the lives of humans throughout history The answer It s time to recognize that the treatment of women amounts to nothing less than an abuse of human rights on an unthinkable scale A Brief History of Misogyny is an important and timely book that will make a long lasting contribution to the efforts to improve those rights throughout the world **Monographic Series** Library of Congress, 1978 **On Politics: A History of Political Thought: From Herodotus to the Present** Alan Ryan, 2012-10-22 Looks at the history of politics from Hobbes to the twenty first century Origin Stories in Political Thought Joanne Harriet Wright, 2004-01-01 Origin stories are a recurring motif in the history of political thought Presented as narratives that describe the beginnings of politics and power these stories are among the most provocative and politically contentious means by which Western society organizes and represents its experience Indeed as scripts of citizenship origin stories seek to manufacture consent to a preconceived and hierarchical political vision Joanne H Wright s Origin Stories in Political Thought examines Plato s Timaeus Hobbes s story of the state of nature and the social contract and early Second Wave feminist stories about the beginnings of patriarchal social relations Using a historically sensitive feminist methodology Wright documents and deconstructs the tradition of telling origin stories in the larger history of political thought Although individual tales have been assessed in current scholarship the motif of the origin story itself has until now escaped systematic analysis With meticulous research and convincing conclusions Origin Stories in Political Thought makes a groundbreaking and valuable contribution to both feminist and political studies **The Structure of Political Thought** Charles N. R. McCoy, 2017-07-05 Originally published in 1963 this classic book is a rethinking of the history of Western political philosophy Charles N R McCoy contrasts classical medieval principles against the hypotheses at the root of modern liberalism and modern conservatism In Part I The Classical Christian Tradition from Plato to Aquinas the author lays the foundation for a philosophical structure capable of producing constitutional liberty Part II The Modern Theory of Politics from Machiavelli to Marx attempts to show beginning with Machiavelli the reversal and destruction of the pre

modern structure postulated in Part I McCoy stresses the great contributions of Aristotle to political thought found in his more familiar Ethics and Politics but also includes key insights drawn from Metaphysics and Physics These contributions are developed and perfected McCoy argues by Augustine and Aquinas Two other important features include McCoy s epistemological insights into Plato s work that will be new to many readers and the author s juxtaposition of traditional natural law with the modernized theory of natural law The modern account of autonomous natural law in McCoy s view helps explain the totalitarian direction of key aspects of modern political thought This classic volume on the origins of modern philosophical thought remains a standard in the field     The British Library General Catalogue of Printed Books 1976 to 1982 British Library,1983     Teori dan Hukum Konstitusi Dr. King Faisal Sulaiman S.H.,L.L.M,2019-03-01 Buku dengan judul Teori dan Hukum Konstitusi hadir untuk melengkapi referensi ilmu hukum khususnya para penstudi hukum konstitusi di Indonesia Bagi mahasiswa dan akademisi hukum setidaknya buku ini bisa menjadi salah satu pilihan sumber acuan dan referensi proses pembelajaran atau perkuliahan di kampus Ikhwal studi terhadap aspek teoritis dan dimensi yurisdiksi konstitusional selama ini masih jarang digali dan dikembangkan oleh pencinta ilmu hukum Karena itu kehadiran buku ini diharapkan dapat menambah wawasan dan mozaik pemikiran kita mengenai studi terhadap hukum konstitusi tersebut
