The History Politics Of Private Prisons A Comparative Analysis

Michael Rajnik

The History Politics Of Private Prisons A Comparative Analysis:

The History and Politics of Private Prisons Martin P. Sellers, 1993 The purpose of *The History and Politics of Private Prisons in America* is to examine the history of the movement establish how politics affects it and provide practitioners politicians academics and students with alternative thinking about the value of privatizing prison management In the first two chapters author Martin P Sellers provides a brief history of incarceration and surveys the current privatization movement in the United States identifying its roots in economics politics and administration Chapter 3 identifies the many political economic social and administrative arguments against privatization and attempts to explain how these arguments developed In chapter 4 Sellers analyzes three private prisons comparing them to three public prisons to determine which group is more efficient at providing prison services particularly health and education services

Captive Market Anna Gunderson, 2022 A novel explanation for state prison privatization that they do so to limit legal and political accountability for inmate lawsuits One of the most controversial developments in the American criminal justice in the last few decades has been the development of the modern private prison industry While there are many explanations proffered for the adoption of this policy including partisanship economic stress unionization and lobbying efforts by private prison firms none fully explain why states privatize their prisons In *Captive Market* Anna Gunderson proposes a novel explanation for why states adopt this policy She shows that states privatize prisons to limit legal and political accountability for inmate lawsuits an unintended consequence of the legal rights revolution for prisoners Evidence from an original dataset and interviews with private prison companies government officials and advocacy groups suggest that growing prisoner lawsuits are a significant driver of prison privatization in the United States With over 160 000 inmates currently held in private facilities across the country it is vital to understand the causes of this rise and the nuances of private prison policy one with significant consequences for the American criminal legal system An eye opening account of an industry that many are aware of but few know much about this book will reshape our understanding of the fundamental nature of the American carceral state

Handbook on Prisons Yvonne Jewkes, 2012-08-21 Focusing on prisons this title is a useful reference for practitioners working in prisons and other parts of the criminal justice system It explores a range of historical and contemporary issues relating to prisons imprisonment and prison management

Prisons 2000 Peter Francis, Roger Matthews, 1996-07-13 A collection of original articles from a number of the world s leading authorities on imprisonment The aim of the book is to review the current state of imprisonment around the world and to look at possible future developments The underlying theme of the book is that imprisonment is undergoing a significant change in a number of different countries and that there are important lessons which can be learned from the analysis of these changes At the same time this book is perceived as a state of the art collection which provides an informed and comprehensive analysis of the major aspects of imprisonment Consequently the book should be of interest to a wide ranging international audience of academic researchers and policy makers as well as

students Privatizing Prisons Professor Adrian L. James, Professor, Professor Keith Bottomley, Professor Alison Liebling, Dr Emma Clare, 1997-07-02 This book makes public for the first time a full account of the development of the privatization of prisons centred on the only full scale empirical study yet to have been undertaken in Britain After providing an up to date overview of the development of private sector involvement in penal practice in the United Kingdom North America Europe and Australia the authors go on to describe the first two years in the life of Wolds Remand Prison the first private prison in Britain They look at the daily life for remand prisoners assess the duties and morale of staff and compare the workings of Wolds to a new local prison in the public sector The authors conclude by discussing some of the practical and theoretical issues to have emerged from contracting out ethical issues surrounding the whole privatization debate and implications for the future of the prison system and penal policy **Politics in Captivity** Lena Zuckerman, 2024-07-02 From the 1811

German Coast Slave Rebellion to the 1971 Attica Prison Uprising from the truancy of enslaved women to the extreme self discipline exercised by prisoners in solitary confinement Black Americans have through time resisted racial regimes in extraordinary and everyday ways Though these acts of large and small scale resistance to slavery and incarceration are radical and transformative they have often gone unnoticed This book is about Black rebellion in captivity and the ways that many of the conventional well worn constructs of academic political theory render its political dimensions obscure and indiscernible While Hannah Arendt is an unlikely theorist to figure prominently in any discussion of Black politics her concepts of world and worldlessness offer an indispensable framework for articulating a theory of resistance to chattel and carceral captivity Politics in Captivity begins by taking seriously the ways in which slavery and incarceration share important commonalities including historical continuity In Zuckerman's account of this commonality the point of connection between enslaved and incarcerated people is not exploited labor but rather resistance The relations between the rebellions of both groups appear in the writings of Muhammed Ahmad Angela Davis George Jackson Ruchell Magee and Assata Shakur a genre Zuckerman calls Black carceral political thought The insights of these thinkers and activists figure into Zuckerman's analyses of large scale uprisings and quotidian practices of resistance which she conceives as acts of world building against conditions of forced worldlessness In a moment when a collective racial reckoning is underway when Critical Race Theory is a target of the Right when prison abolition has become more prominent in mainstream political discourse it is now more important than ever to look to historical and contemporary practices of resistance to white domination **Prison**

Privatization Byron Eugene Price, John Charles Morris, 2012-09-20 This book examines the current state of both the theory and practice of prison privatization in the United States in the 21st century providing a balanced compendium of research that allows readers to draw their own conclusions about this controversial subject This three volume set brings together noted scholars and experts in the field to provide a comprehensive treatment of the subject of privatized prisons in the United States It is a definitive work on the topic that synthesizes current thought on both the theory and practice of prison

privatization Volume I provides a broad brush overview of private prisons that discusses the history of prison privatization and examines the expansion of the private prison industry and the growth of inmate populations in the United States Volume II focuses on the corrections industry itself providing essays that explore the business models profit motivations economic factors and operations of the corporations that offer corrections services while Volume III explores the political and social environment of prison privatization Academics practitioners policy makers and advocates for and against private prisons will find this work useful and enlightening while general readers can use the unbiased information to draw their own conclusions in respect to the merits of prison privatization The Shadow of El Centro Jessica Ordaz, 2021-01-29 Bounded by desert and mountains El Centro California is isolated and difficult to reach However its location close to the border between San Diego and Yuma Arizona has made it an important place for Mexican migrants attracted to the valley's agricultural economy In 1945 it also became home to the El Centro Immigration Detention Camp The Shadow of El Centro tells the story of how that camp evolved into the Immigration and Customs Enforcement Service Processing Center of the 2000s and became a national model for detaining migrants a place where the policing of migration the racialization of labor and detainee resistance coalesced Using government correspondence photographs oral histories and private documents Jessica Ordaz reveals the rise and transformation of migrant detention through this groundbreaking history of one detention camp The story shows how the U S detention system was built to extract labor to discipline and to control migration and it helps us understand the long and shadowy history of how immigration officials went from detaining a few thousand unauthorized migrants during the 1940s to confining hundreds of thousands of people by the end of the twentieth century Ordaz also uncovers how these detained migrants have worked together to create transnational solidarities and innovative forms of resistance

Privatizing Governmental Functions Deborah Ballati, 2001 Offers a discussion and analysis of the procurement process and its political setting strategies for contractors and financing issues This book includes chapters devoted to such areas as public housing correctional facilities waste disposal and more It is useful for attorneys contractors government officials consultants and scholars *English Prisons* Allan Brodie, Jane Croom, James O Davies, 2014-06-15 For most of us the prison is an unfamiliar institution and life inside is beyond our experience However more than 60 000 people now live in our gaols some serving their sentences in buildings with Victorian or more ancient origins others in prisons dating from the last twenty years *English Prisons An Architectural History* is the result of the first systematic written and photographic survey of prisons since the early 20th century It traces the history of the purpose built prison and its development over the past 200 years Over 130 establishments that make up the current prison estate and over 100 former sites that have surviving buildings or extensive documentation have been investigated institutions ranging from medieval castles and military camps to country houses that have been taken over and adapted for penal use The Prison Service granted the project team unprecedented access to all its establishments allowing the compilation of an archive of more than 5 000 images ad 250

research files The team was allowed to go anywhere to photograph almost anything except where this could compromise security and to speak to any inmate A selection of the images from the archive illustrates this book **Detention Empire** Kristina Shull,2022-08-30 The early 1980s marked a critical turning point for the rise of modern mass incarceration in the United States The Mariel Cuban migration of 1980 alongside increasing arrivals of Haitian and Central American asylum seekers galvanized new modes of covert warfare in the Reagan administration s globalized War on Drugs Using newly available government documents Shull demonstrates how migrant detention operates as a form of counterinsurgency at the intersections of US war making and domestic carceral trends As the Reagan administration developed retaliatory enforcement measures to target a racialized specter of mass migration it laid the foundations of new forms of carceral and imperial expansion Reagan s war on immigrants also sowed seeds of mass resistance Drawing on critical refugee studies community archives protest artifacts and oral histories Detention Empire also shows how migrants resisted state repression at every turn People in detention and allies on the outside including legal advocates Jesse Jackson s Rainbow Coalition and the Central American peace and Sanctuary movements organized hunger strikes caravans and prison uprisings to counter the silencing effects of incarceration and speak truth to US empire As the United States remains committed to shoring up its borders in an era of unprecedented migration and climate crisis reckoning with these histories takes on new urgency

Changing the Guard Alexander Tabarrok,2002-10-01 Changing the Guard is an authoritative survey of one of the most controversial aspects of criminal justice and corrections the growing use of private prisons When prison privatization began in the United States in the early 1980s many policy analysts claimed it would increase costs decrease quality and erode state authority Has it Changing the Guard brings together leading criminal justice researchers to tackle this and related questions Does prison privatization make economic sense What are the prospects for enlarging prison privatization Changing the Guard also examines the broader questions that surround the prison privatization debate What are the historical precedents for prison privatization What do we know about punishment and recidivism How long must a prison sentence be to deter crime Are too many people in prison or too few Should legal reform take precedence over prison reform to ensure that privatization does not simply make the criminal justice system more efficient at abusing civil liberties and executing legal injustices

Education Behind the Wall Mneesha Gellman,2022-09-07 This edited volume seeks to address some of the major issues for faculty teaching college classes to incarcerated students It is composed of a series of case studies showcasing the strengths and challenges of teaching in prison as well as honest reflection on the reality of education in a constrained environment

Public Values and Public Interest Barry Bozeman,2007-10-24 Economic individualism and market based values dominate today s policymaking and public management circles often at the expense of the common good In his new book Barry Bozeman demonstrates the continuing need for public interest theory in government Public Values and Public Interest offers a direct theoretical challenge to the utility of economic individualism the prevailing political theory in

the western world The book s arguments are steeped in a practical and practicable theory that advances public interest as a viable and important measure in any analysis of policy or public administration According to Bozeman public interest theory offers a dynamic and flexible approach that easily adapts to changing situations and balances today s market driven attitudes with the concepts of common good advocated by Aristotle Saint Thomas Aquinas John Locke and John Dewey In constructing the case for adopting a new governmental paradigm based on what he terms managing publicness Bozeman demonstrates why economic indices alone fail to adequately value social choice in many cases He explores the implications of privatization of a wide array of governmental services among them Social Security defense prisons and water supplies Bozeman constructs analyses from both perspectives in an extended study of genetically modified crops to compare the policy outcomes using different core values and questions the public value of engaging in the practice solely for the sake of cheaper food Thoughtful challenging and timely *Public Values and Public Interest* shows how the quest for fairness can once again play a full part in public policy debates and public administration

Understanding Criminal Justice Philip Daniel Smith,Kristin Natalier,2005 Providing an overview of the sociological approaches to law and criminal justice this book focuses on how law and the criminal justice system inevitably affect one another and the ways in which both are intimately connected with wider social forces

Human Rights Or Global Capitalism Manfred Nowak,2017 Human Rights or Global Capitalism examines the application of neoliberal policies from a human rights perspective and asks whether states by outsourcing to the private sector many services with a direct impact on human rights abdicate their responsibilities to uphold human rights and violate international law

Imprisonment Roger Matthews,1999 The International library of Criminology Criminal Justice and Penology is an important publishing initiative that brings together the most significant contemporary published journal essays in current criminology criminal justice and penology

Routledge Handbook on American Prisons Laurie A. Gould,John J. Brent,2020-11-01 The Routledge Handbook on American Prisons is an authoritative volume that provides an overview of the state of U S prisons and synthesizes the research on the many facets of the prison system The United States is exceptional in its use of incarceration as punishment It not only has the largest prison population in the world but also the highest per capita incarceration rate Research and debate about mass incarceration continues to grow with mounting bipartisan agreement on the need for criminal justice reform Divided into four sections Prisons Security Operations and Administration Types of Offenders and Populations Living and Dying in Prison and Release Reentry and Reform the volume explores the key issues fundamental to understanding the U S prison system including the characteristics of facilities inmate risk assessment and classification prison administration and employment for profit prisons special populations overcrowding prison health care prison violence the special circumstances of death row prisoners collateral consequences of incarceration prison programming and parole The final section examines reform efforts and ideas and offers suggestions for future research and attention With contributions from leading correctional scholars this book is a valuable resource for scholars

with an interest in U S prisons and the issues surrounding them It is structured to serve scholars and graduate students studying corrections penology institutional corrections and other related topics **Bibliographic Index** ,1995 Color behind Bars Scott W. Bowman,2014-08-11 A diverse critical analysis of racial and ethnic disparities within the American criminal justice system that encourages critical thinking by providing various sides to the issues Low income African Americans Latin Americans and American Indians bear the statistical brunt of policing death penalty verdicts and sentencing disparities in the United States Why does this long standing inequity exist in a country where schoolchildren are taught to expect justice for all The original essays in this two volume set not only examine the deep rooted issues and lay out theories as to why racism remains a problem in our prison system but they also provide potential solutions to the problem The work gives a broad multicultural overview of the history of overrepresentation of ethnic minorities in our prison system examining white black disparities as well as racism and issues of ethnic based discrimination concerning other ethnic minorities This up to date resource is ideally suited for undergraduate students who are enrolled in criminal justice or racial ethnic studies classes and general readers interested in the U S criminal justice system

The History Politics Of Private Prisons A Comparative Analysis Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The History Politics Of Private Prisons A Comparative Analysis PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The History Politics Of Private Prisons A Comparative Analysis PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual

property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The History Politics Of Private Prisons A Comparative Analysis free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The History Politics Of Private Prisons A Comparative Analysis Books
