difficult and complex issues when they arise The nature of inspiration the extent of the canon and the usefulness of modern versions are all clearly discussed The authors write The chain of communication from God to us is strong It has several solid links inspiration collection transmission and translations The strength of these links provide the contemporary Christian with the moral certitude that the Spirit inspired original text of Scripture has been providentially preserved by God so that for all practical purposes the Bible in our hands is the infallible and inerrant word of God The Narration of Creation R.E.

Franzen M.Div. BCC,2025-01-26 Imagine sitting at the feet of Jesus with Him telling you His very own story of how He created you Who better to tell God s story about you than God Himself How do we hear the purity of that story The Narration of Creation shares a progression through God s revelation of the Genesis creation in a fresh inspirational way It describes two lenses in which we interpret through and the contrast between the two God intended His story to unfold from His perspective a top down perspective rather than from the usual ground up viewpoints This study reveals the very person and nature of God Himself and in doing so offers new contributions to our understanding of God s creation story Hearing the purity of the creation narrative allows you to discover your true identity find security and belonging and feel valued and loved beyond measure Uplifting and enlightening this devotional style study invites you to view the creation story through the lens of God s attributes and nature *A Church of Our Own* R. Stephen Warner,2005 In this definitive collection of essays spanning fifteen years R Stephen Warner traces the development of the new paradigm interpretation of American religion Originally formulated in the 1990s in response to prevailing theories of secularization that focused on the waning plausibility of religion in modern societies the new paradigm reoriented the study of religion to a focus on communities subcultures new religious institutions and the fluidity of modern religious identities This perspective continues to be one of the most important driving forces in the field and one of the most significant challenges to the idea that religious pluralism inevitably leads to religious decline A leading sociologist of religion Warner shows how the new paradigm stresses the role that religion plays as a vehicle for the bonding and expression of communities within the United States a society founded on the principle of religious disestablishment and characterized by a diverse and mobile population Chapters examine evangelicals and Pentecostals gay and lesbian churches immigrant religious institutions Hispanic parishes and churches for the deaf in terms of this framework Newly written introductory and concluding essays set these groups within the broad context of the developing field A thoughtfully organized and timely collection the volume is a valuable classroom resource as well as essential reading for scholars of contemporary religion **New King James - The Bridge Bible** David W.

Daniels,2020-05-20 Is The New King James Bible Just An Updated King James It promised to be a 5th edition of the KJV preserving the originally intended meaning of every verse Did publishers and translators keep their promise Author David Daniels shows us in this book that the classical language including the thees and thous is not all that was changed In fact this Bible is not a King James at all Some of the updates actually change doctrines I M NOT SAYING WHAT COULD HAPPEN I M

SHOWING YOU WHAT DID HAPPEN DAVID W DANIELS It cannot be a true King James if salvation is changed from a finished work to an unfinished process 1 Corinthians 1 18 How can you know you are saved Or in Matthew 7 14 where it says Because narrow is the gate and difficult is the way which leads to life God did not make the way difficult Salvation is as close as our mouth and our heart These tiny changes as well as others like it have made a big difference moving people from faith to doubt in God and His words But there s more The publishers of the New King James said themselves that their goal was to provide a transitional bridge to a modern Bible and they sell plenty of them As people get used to seeing words changed in their Bible they soon will accept a Bible that changes even more Eventually you have a Bible with wording vague enough in many key areas that all the world s religions will be able to fit their doctrines into it This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist s coming one world religion How do we counter this By teaching our children how to read the clear words of the King James we can bring faith and not doubt to the next generation In fact as you will see in this book if previous generations had done this the New King James would never have been made *Up in Here* Mark Dostert,2014-09-01 Raised in a comfortable Dallas suburb Mark Dostert crossed cultural and socioeconomic boundaries as a college student by volunteering as a counselor at the Cook County Juvenile Temporary Detention Center Chicago s infamous 500 cell juvenile jail known locally as the Audy Home Inmates there had been indicted on first degree murder rape and carjacking charges yet some enthusiastically met with him for weekly Bible based lessons and discussions Dostert formed friendly relationships with his students and envisioned becoming an even closer mentor to the legally troubled boys when he became an employee there after graduating from college The juveniles attitudes toward Dostert change however once he begins working as a Children s Attendant at the Audy Home clocking in for eight hours every day to enforce rules and maintain order on the cellblocks His colorblind altruistic volunteer world fractures into a full time emotionally charged reality of white and black and brown When the boys change he must change too Despite wanting to help them feel human in such a dehumanizing environment Dostert realizes he needs to make sure his kindness is not perceived as weakness Dostert learns to march the juveniles through the facility to school recreation activities and chapel He must strip search them interrupt their brawls root through their cells for drugs and handcrafted weapons and monitor group showers to thwart sexual extortion and the inscription of gang symbols in soap on walls and mirrors Week after week and month after month the job exposes hidden views not only of the juveniles and the system incarcerating them but of Children s Attendant Dostert himself From one man s struggle to reconcile his humanitarian intentions with his actual job responsibilities in what to him is a strange new world emerges a sincere effort to confront the realities of America s persisting racial tensions and institutionalized poverty Dostert s story is an honest and unflinching journey from thinking he has many of the answers for how to change this world to discovering how little he really knows about the world he is trying to change **So You Want to be a Christian** Myisha J.
